**A Bungalow for Two** Carole Gift Page,2011-10-17 PEACE QUIET AND LOVE Sculptor Frannie Rowlands figured some time alone at the windswept shore was all she needed to recover from a creative slump and from her father s and sisters weddings But when a near disaster brought her handsome neighbor to the rescue Frannie realized that solitude wasn t the only thing that was good for the soul At his tranquil beach house Scott Winslow discovered he could live the simple life he craved Now the reclusive billionaire had unexpectedly found something else there a woman who had no idea who he was a woman who might be able to love the real Scott if only she would let herself Neo-Victorian Lesbians on Screen Sarah E. Maier,Rachel M. Friars,2025-09-09 In Neo Victorian Lesbians on Screen Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer s own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and

the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original screenplays are challenged by the lesbian subject's vivid presence on screen The lesbian is no longer a contained neo Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject **The**

**Pornographer's Daughter** Kristin Battista-Frazee,2014-09-30 More than forty years after Deep Throat arrived on the cultural scene and inspired a sexual revolution questions about the ethics of pornography and its impact on society are still being asked today and remain as controversial as ever Kristin Battista Frazee was only four years old in 1974 when her father Anthony Battista was indicted by the federal government for distributing the now famous porn film Deep Throat As her father unexpectedly became an early pioneer in the emerging porn industry and transformed himself from Philadelphia stockbroker to porn broker this indictment threatened his family's stability The stress drove Kristin's mother Frances Battista to worry endlessly if her husband would be put in jail She became so depressed that she attempted suicide Kristin survived this family trauma to live a surprisingly normal life But instead of leaving the past behind her she developed a burning curiosity to understand her family's history Why did the federal government so vehemently prosecute this case And why did her father get involved in distributing this notorious porn film in the first place Did the influence of pornography in fact make Kristin a better person Answering these questions and reconciling her dramatic family history with her life as a wife and mother became her mission The Pornographer's Daughter is an insider's glimpse into the events that made Deep Throat and pornography so popular as well as what it was like to come of age against the backdrop of the pornography business
