**United States Air Force and Its Antecedents** James T. Controvich, Martin Gordon, 2004-06-24 This bibliography lists published and printed unit histories for the United States Air Force and Its Antecedents including Air Divisions Wings Groups Squadrons Aviation Engineers and the Women's Army Corps ***In the Shadows of War*** Thomas Childers, 2004-03 Publisher Description ***The Third Five Years of the 8th AF News, 1985-1989*** John H. Woolnough, 1990 ***Big Week*** Bill Yenne, 2012-12-31 In just six days the United States Strategic Air Forces changed the course of military offense in World War II During those six days they launched the largest bombing campaign of the war dropping roughly ten thousand tons of bombs in a rain of destruction that would take the skies back from the Nazis The Allies knew that if they were to invade Hitler's Fortress Europe they would have to wrest air superiority from the mighty Luftwaffe The plan of the United States Strategic Air Forces was extremely risky During the week of February 20 1944 and joined by the RAF Bomber Command the USAAF Eighth and Fifteenth Air Force bombers took on this vital mission They ran the gauntlet of the most heavily defended air space in the world to deal a death blow to Germany's aircraft industry and made them pay with the planes already in the air In the coming months this Big Week would prove a deciding factor in the war Both sides were dealt losses but whereas the Allies could recover damage to the Luftwaffe was irreparable Thus Big Week became one of the most important episodes of World War II and coincidentally one of the most overlooked until now ***Air Pictorial***, 1986 ***Flak Dodger*** Roland O. Byers, 1985 ***Fait Accompli*** Homer Briggs, James L. Bass, 1995 This is book 1 of a trilogy that depicts the many missions performed by the 457th Bomb Group while they served their country in WWII It has accounts of the month to month missions performed as well as collective summaries ***450th Bomb Group (H)***, 1996 The 450th Bomb Group H contained the 720th 721st 722nd and 723rd squadrons ***The Promise Kept*** Mike Pungercar, 2011-11 In World War II the Eighth Air Force sent up thousands of men into the skies over Fortress Europe Stories have been written about the fighter pilots who took on the mighty Luftwaffe one on one And many stories are about the pilots gunners and bombardiers who manned the bombers that flew their missions through the flak filled skies This book is the story of a man who served with the 91st Bomb Group and who was like the other men who found their lives and their worlds changed by the greatest conflict in world history His story and stories of other airmen and ground crew personnel are brought to life with the aid of over 100 photographs from WWII In reading this book life with the 91st Bomb Group is relived as the author walks in his father's footsteps The author the son of a B 17 radio operator has paid tribute to his father in this well researched well illustrated and well written tale of his dad's tour of duty with the Mighty Eighth A must read for every B 17 and World War II buff Martin Garrin Jr 410th Bomb Squadron 94th Bomb Group Captain Pilot of the Spirit of Valley Forge A well written story of life in the Eighth Air Force Mike has expertly blended historical and technical information with his father's story and those of other veterans of the air war over Europe The numerous photos included from the WWII time period allow the reader to become part of the story to experience life on the

base and life in the air with the bomber crews Ron Hagen History Major BS Oregon State University      **The 390th Bomb Group Anthology** Wilbert H. Richarz, Richard H. Perry, William J. Robinson, 1983-01-01 The 390th Bomb Group Anthology includes 83 stories written by 45 members of the 390th Bomb Group relating their personal adventures during the World War II years of 1943 1944 and 1945 The stories include combat briefs mission stories humor in the midst of war evasion and imprisonment after being shot down Some of the stories were written as they happened during the war years while others are recollections of those events so prominent in the minds of those who lived them The reader will be provided new insight into the war in the air by these personal accounts The 390th Bomb Group was one of the most famous units in the Eighth Air Force This unit flew 301 missions against Hitler's Fortress Europe This effort had a profound effect on the outcome of World War II in Europe      *Fait Accompli II* Homer Briggs, John F. Welch, 1998 This book depicts the 457th's Bomb Groups recollections while serving their country during WWII This is a Trilogy and this particular edition is 2 of the 3      *The Reich Wreckers: An Analysis Of The 306th Bomb Group During World War II* Major Charles J. Westgate III, 2015-11-06 This paper presents an analysis of the 306th Bomb Group's contributions during World War II Rather than providing a simple recounting of the various dates and accomplishments the paper analyzes some of the key indicators and statistics of the group's performance In particular the paper focuses on comparing aircraft losses and bombing results of the 306th with the Eighth Air Force's The analysis also examined other areas such as mission aborts enemy aircraft claimed destroyed weather conditions over target bombing methods used presence of fighter escorts and strength of enemy air defenses enemy fighter aircraft and flak The purpose of the analysis was to gain a better understanding of the group's overall performance within the bigger scope of the Eighth Air Force's war effort The analysis was conducted in three steps First the archives of the Air Force Historical Research Agency AFHRA were searched for statistics on the 306th Next similar statistics were collected for the Eighth Air Force Finally the data for the two units was analyzed and compared to aid in determining conclusions To facilitate the last step of the research the air war was divided into four periods The goals and objectives for each period were used as criteria to grade the unit's effectiveness In general the study concluded that the 306th Bomb Group was a typical B-17 bomber group in World War II When comparing the various statistics and graphs provided in this paper we see that in most cases there was little difference in the data for the 306th and the Eighth Air Force However the statistics do not tell the whole story As one of the cadre groups of the Eighth Air Force many of the improvements and lessons learned during the early period of the war were at the expense of the 306th These early lessons and experiments were important and led to the improvements that saved many lives and brought an end to the war      [The 448th Bomb Group \(H\)](#) Jeffrey E. Brett, 2002-01 The 448th Bomb Group from its inception at Gowen Field Idaho in 1943 until the cessation of hostilities in Europe in 1945 An in depth personal look into the men who carried the war to the heart of the German Reich Although the 448th Bomb Group never received the notoriety of some of the more famous Groups of the Eighth Air Force it was one of the many units that

successfully completed its mission every day Among the unsung heroes of World War II were these normal men who completed their missions day after day *The Wild Blue Yonder and Beyond* Ian Hawkins,2012-07-31 The 95th Bomb Group Heavy the most highly decorated bomb group of World War II participated in every major mission of the war in Europe from May 1943 through the war s end and was awarded an unprecedented three Presidential Unit Citations Flying the celebrated B 17 Flying Fortress the 95th was the first U S bomb group to bomb Berlin a feat that put it on the centerfold of Life magazine and the last group to lose a plane over Europe in World War II Over six hundred men in the 95th never came home The Wild Blue Yonder and Beyond is the first book to cover a World War II bomb group from its inception through the present day Utilizing interviews with nearly a hundred air war veterans dozens of unpublished crew memoirs all the bomb group s official mission reports from the National Archives and nearly a hundred other sources author Rob Morris assisted by air war historian Ian Hawkins provides a deep tactical and human understanding of the group Also included are the stories of the veterans wives and families who fought a different kind of war at home and the residents of Horham whose tiny English village was suddenly on the war s front lines Intensely human exhaustively researched and lovingly told this book is certain to be a classic in the field and a resource for anyone interested in the workings of a World War II bomb group **A Wing and a Prayer** Harry H. Crosby,2021-09-14 A compelling account of the air war against Germany written by the navigator portrayed by Anthony Boyle in Apple TV s Masters of the Air Publishers Weekly They began operations out of England in the spring of 43 They flew their Flying Fortresses almost daily against strategic targets in Europe in the name of freedom Their astonishing courage and appalling losses earned them the name that resounds in the annals of aerial warfare and made the Bloody Hundredth a legend Harry H Crosby depicted in the miniseries Masters of the Air developed by Tom Hanks and Steven Spielberg arrived with the very first crews and left with the very last After dealing with his fear and gaining in skill and confidence he was promoted to Group Navigator surviving hairbreadth escapes and eluding death while leading thirty seven missions some of them involving two thousand aircraft Now in a breathtaking and often humorous account he takes us into the hearts and minds of these intrepid airmen to experience both the triumph and the white knuckle terror of the war in the skies Affecting A vivid account Uncommonly thoughtful recollections that address the moral ambiguities of a great cause without in any way denigrating the selfless valor or camaraderie that helped ennoble it Kirkus Reviews Re creates for us the sense of how it was when European skies were filled with noise and danger when the fate of millions hung in the balance An evocative and excellent memoir Library Journal The acrid stench of fear and cordite the coal burning stoves the heroics the losses This has to be the best memoir I have read bar none George Hicks director of the Airmen Memorial Museum *Shot at and Missed* Jack R. Myers,2005-02-01 In this riveting narrative Jack R Myers recounts his experiences as a B 17 bombardier during World War II Commissioned a second lieutenant in 1944 at age twenty Myers began flying missions with the 2nd Bomb Group U S Fifteenth Air Force He learned firsthand the exhilaration and terror of being shot at and missed

Based in Italy the Fifteenth Air Force flew strategic bombing raids over southern Germany Austria Hungary Rumania and Czechoslovakia Less celebrated than the Eighth Air Force which flew out of England the Fifteenth nevertheless was pivotal in dismantling the German industrial complex Myers offers an insider's view of these missions over southern and central Europe The reader goes with him into the highly exposed Plexiglas nose of the Flying Fortress flying with him through the flak filled skies of Europe and peering with him through his Norden bombsight at Axis targets On average a heavy bomber crewman survived only sixteen bombing missions Myers survived his allotted thirty five missions before being honorably discharged in 1945
