*Songs of Ourselves* Cambridge International Examinations, 2005-06-24 *Songs of Ourselves* the University of Cambridge International Examinations Anthology of Poetry in English contains work by more than 100 poets from all parts of the English speaking world     **The Path to Your Ascension** Annice Booth, 2020-12-07 *The Path to Your Ascension* will empower you to focus on what's really important in life. It will help you rediscover what your soul has known from the beginning that life does have a higher purpose. And that each encounter along the way, no matter how difficult, is a stepping stone that will lead you back to your source. The world's religions have singled out great masters who have walked the earth and ascended to God. Elijah was swept up into heaven in a chariot of fire. Gautama Buddha entered Parinirvana. Jesus ascended to the Father and Mary was assumed into heaven. These masters were not exceptions to the rule. They were teachers, mentors, examples. They came to show us how we too can master the circumstances of our life and walk the path home to God. *The Path to Your Ascension* shapes the wisdom of these ascended masters into a personal guide for your own soul's liberation. It offers practical techniques to accelerate your spiritual growth and describes the angels and masters who can help you achieve your goal. In down to earth terms sprinkled with touching anecdotes, it reveals your greatest opportunities for spirituality and the most serious challenges to making it all the way home.     *Mechanic's Magazine, Museum, Register, Journal & Gazette* ,1834

**Empowerment and Integration Through the Goddess** Wistancia Stone, 2001-04 *Empowerment and Integration Through The Goddess* is perhaps the most profound and informative book written on the subject of the Divine Feminine and how women and men can integrate The Goddess energies into self and the world. Since early in Earth's history, abuse, denial, and ignorance of the Divine Feminine has led to the enormous patriarchal attitudes that pervade mass consciousness and even Spiritual literature. This book provides one of the most in depth studies of this issue ever written from the Divine Mother, Archangels, and inner plane Ascended Masters perspective. This is for all who are looking for spiritual growth. Collectively we are shifting out of polarity consciousness and choosing empowered, balanced lives. This must read book braids polarity into oneness, reveals the disparity of heart, mind, internal, external, compassion, will, experience, knowledge, love, power, and assists us across the bridge of transition into the return of full consciousness. You will discover How the imbalance began. What Goddess energy really is. How to balance Feminine and Masculine. Why experiencing the Heart is vital. Manifestation through The Goddess. Feeling into Physical Ascension. Meditations. Attunements to activate the Divine Feminine. What a balanced Master is and How to Balance Love, Wisdom, and Power.     *Journal of Gas Lighting* ,1857     *Annual of Scientific Discovery* ,1858
