Flame And Shadow Selected Stories:

Flame and Shadow David Watt Ian Campbell, 1976 *Self Portraits*, 1991 A selection of 15 interviews with Australian writers by Hazel de Berg introduced and edited by the novelist David Foster The original interviews form part of the National Library's Oral History Collection **The Short Story** Valerie Shaw, 2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story's literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris Douglas Stewart Susan P. Ballyn Jenney, 1996 *The Best Short Stories of ... and the Yearbook of the American Short Story*, 1922 **The Best Short Stories of 1917, and the Yearbook of the American Short Story** Various, 2022-06-13 The anthology *The Best Short Stories of 1917 and the Yearbook of the American Short Story* gathers the year's most exemplary offerings illustrating a pivotal moment in American literature Even as World War I carved its deep grooves into the early 20th century only a trio amongst these tales venture into the domain of warfare The collection's strength lies not only in its vivid portrayal of the ethos of the time but also in the diversity of human experiences it captures ranging from the moral predicaments to the trials faced by refugees The literary style of this compendium is reflective of both realism and early modernist tendencies signifying a nuanced transition in narrative forms Highlights include Susan Glaspell's *A Jury of Her Peers* and Fannie Hurst's *Get Ready the Wreaths* which resonate with timeless thematic relevance and display narrative mastery n The collective of authors represented in this volume comprises a mosaic of influential and emerging voices from the early 20th century American literary landscape During an era where the written word served as both escape and reflection these authors delved into their crafts amidst the backdrop of a rapidly transforming world The Great War serving as both crucible and catalyst informed the consciousness of these writers prompting them to explore varied dimensions of human existence and moral dilemmas Their works are demonstrations of literature as an enduring vessel of cultural introspection and societal commentary n *The Best Short Stories of 1917 and the Yearbook of the American Short Story* is recommended for literary scholars and enthusiasts alike who seek to immerse themselves in the vintage tapestry of early American storytelling Those particularly interested in the exploration of human nature against the backdrop of historical upheaval will find this collection compelling The anthology serves not only as a literary time capsule but also as a testament to the power of storytelling in navigating and documenting the complexities of life and the human condition As such it is a significant addition to any connoisseur's collection **G.
