Flames Of Love:

Flames of Love Heath Bradley, 2012-11-29 Is hell for real or will all be saved What if both are true It is tempting to settle either for the liberal option of downplaying the judgment of God or for the conservative option of letting dominant church tradition trump fresh understandings of Scripture Not settling for either of these popular options this book offers a clear and compelling response to the question of what hell could be for in a universe created and redeemed by a loving God The book seeks to articulate a distinctively Christian universalism that highlights the centrality of Christ coheres with the Scriptures and early church tradition affirms the reality of divine judgment and offers motivational grounds for evangelism and holy living Ultimately this work is about the Christian struggle to envision the life of the world to come in a way that is faithful to the God in whom love and holiness are forever united

FLAMES OF LOVE, FLAMES OF FREEDOM Thaddeus Hutyra, 2014-06-07 Love Must I be Shakespeare to express my love one which was greater than life seeming to last forever everlasting We had it so good enjoying each other friends and lovers or lovers and friends difficult to say what was first or both at once Our love was the Sun splashing us brightly and the shimmering stars at night sending us kisses of love incessantly Our love were people smiling at us wishing us all the goodwills of the world and we ourselves united in each other Everything was in place rightfully and godly rivers of honey seas of boundless beauty biodiversity serving us as we serving her But when you went away one day from me with no goodbye no a word of farewell it was the end of the world for me Romeo alike Stars crashed down on Earth the following night and I was swept away by the high seas a castaway on the ocean in its full storm I was myself a bottle with a message inside saying I love you till the end of the world the bottle filled with the tears of my despair Love by Thaddeus Hutyra Copyright Thaddeus Hutyra All Rights Reserved
