Flawed Angel:

CHRONICLES OF THE BAD ANGEL Sherridean Abddeen, 2025-08-24 Gigi Hanock always knew she wasn't normal. Wings. Check. Attitude. Check. Divine clearance with a side of side eye. Check. She was born remembering an angel stationed on Earth with no memory wipe and a serious bone to pick with Heaven. Every time she asked God why He left her down here, He just laughed and said, "You'll understand later." So she did what any self-respecting divine rebel would do: She argued with God. She roasted angels. She side-eyed demons. She exposed humans. And she took heavenly HR to court twice. But when the people started going to war and chaos broke loose, She said, "Absolutely not. We're not doing a reboot. I'll flood it myself this time." Now she's on a mission to set the record straight, clear the Watchers' name, and keep the peace or throw hands, trying all while dodging Heaven's side eyes, Earth's nonsense, and Hell's recruitment offers. It's funny. It's real. It's holy with a whole lotta hood. This ain't your grandma's angel story. This is **Chronicles of the Bad Angel**. **Flawed Angel** J. J. Dean, 2019-03-09 When I fell, I fell hard. After refusing to choose between good and evil, high or low, Heaven or Hell, I was exiled and fell from my pedestal and landed in a cesspit that was Earth. Stripped of my wings and left with only two of the five gifts that I was gifted with from Him, I've been forced to live my immortal life amongst the humans. Make no mistake: as much as a punishment for choosing neither side, this was supposed to be it: become my sanctuary, my haven. Although a disaster when I landed, Earth has become my home, a place where I can blend with the humans, live my endless life moving from one place to another. That is, until my home is invaded by four angels all hell-bent on making me choose a side. They're in for a sure surprise when they realize my choice will forever and always be the same: humanity. A foreign concept to any angel. Well, any angel but me. It seems yes, humanity have their flaws, but so do I. I'll choose my perfectly imperfect life, and there's not a damn thing any angel can do to change that. So yeah, I fell hard. But I fell for the flaws of being human, even harder. This is a Reverse Harem novel. Why choose? Recommended 18 due to mature language and situations. **Chronicles of the Bad Angel And The**

Receptionist Sherridean Abddeen, 2025-08-24 Gigi Hanock has always been a celestial problem child with divine clearance and zero chill. After centuries of calling out Heaven's hypocrisy, side-eyeing demons, and straight-up suing heavenly HR, she thought she'd seen it all until a ghetto receptionist from Heaven's front desk slides her a scroll. Her ex, a narcissistic earthbound heartbreaker who contributed to Gigi's untimely car crash death, is sick, saved, and possibly headed to Heaven. Gigi is furious. How does a man who dragged her soul through hell get a divine pass? Not on her scroll. With help from Andria Wheeler, a Heaven-assigned receptionist with thousand-year beef, purple nails, and a permanent attitude, they plot to reroute his afterlife straight to Hell. Their plan: Gigi takes over Andria's heavenly desk duties while Andria heads back to Earth undercover to hook him up with Hell's Pussycat, a walking temptation with one mission: make sure he doesn't get anywhere near a halo. What starts as a petty revenge plot turns into a full-on angelic audit of who really deserves grace, who's faking salvation, and whether Heaven's front desk needs a complete overhaul. It's funny. It's fierce. It's holy with a whole lotta hood.

And this ain't your grandma's angel redemption arc *Good Angel/Bad Angel* Calvin Moir, 2003-06-13 Have you wondered about unusual experiences you've had and thought they may have been a communication from a loved one or friend who crossed over? If so, this is a story for you. It can be in your dreams, sudden thoughts, voices in your head, wispy images, feathery touches, items in your home moved, and answers to a mentally asked question or utterance. This is a true story of an ordinary man's extraordinary and supernatural experiences. It clearly shows our loved ones are our guardian angels and they want us to know they are alright and the spiritual realm is heavenly. With us always, they try to guide our thoughts and actions in a positive manner. There is also God and His angel messengers waiting to speak to us and silently guide us on the path God has for His children. The Bible says Ask and you shall receive. In truth, that's all that needs to be done, but you have to ask, believe, have faith, and listen. The problem is many pray but do not truly listen, and as well, do not ask for all that is available. Follow the guide within and learn to communicate with your angels.

Mistresses Elizabeth Abbott, 2011-09-01 A lively and nuanced look at gender roles as they have been revealed by the lives of concubines and mistresses over the centuries. Kirkus. She exists as both a fictional character and as a flesh and blood human being. But who is she really? Why do women become mistresses, and what is it like to have a private life that is usually also a secret life? Is a mistress merely a wife in waiting, or is she the very definition of the emancipated independent female? Elizabeth Abbott intelligently examines the motives and morals of some of history's most infamous and fascinating women from antiquity to today. Drawing intimate portraits of those who have by chance, coercion, or choice assumed this complex role, *Mistresses* offers a rich blend of personal biography and cultural insight. Ms. Abbott is delightfully indiscreet with an eye for a good story and a colloquial style. She has done the ladies a service by bringing them out of the shadows. *The Economist*

A Fool's Moon Enid Aames, 2014-03-25 A Fool's Moon is a collection of poems that were written between circa 2004 and 2006 when I was in my mid to late 20s. The book title itself is in reference to a poem that's included in my book on page 78.

The Anatomy of Genres John Truby, 2022-11-29 A guide to understanding the major genres of the story world by the legendary writing teacher and author of *The Anatomy of Story*. John Truby. Most people think genres are simply categories on Netflix or Amazon that provide a helpful guide to making entertainment choices. Most people are wrong. Genre stories aren't just a small subset of the films, video games, TV shows, and books that people consume. They are the all-stars of the entertainment world, comprising the vast majority of popular stories worldwide. That's why businesses, movie studios, production companies, video game studios, and publishing houses buy and sell them. Writers who want to succeed professionally must write the stories these businesses want to buy. Simply put, the storytelling game is won by mastering the structure of genres. *The Anatomy of Genres: How Story Forms Explain the Way the World Works* is the legendary writing teacher John Truby's step-by-step guide to understanding and using the basic building blocks of the story world. He details the three ironclad rules of successful genre writing and

analyzes more than a dozen major genres and the essential plot events or beats that define each of them As he shows the ability to combine these beats in the right way is what separates stories that sell from those that don't Truby also reveals how a single story can combine elements of different genres and how the best writers use this technique to craft unforgettable stories that stand out from the crowd Just as Truby's first book *The Anatomy of Story* changed the way writers develop stories *The Anatomy of Genres* will enhance their quality and expand the impact they have on the world **Good Angels,**

Therapy as Social Construction Sheila McNamee, Kenneth J Gergen, 1992-07-30 An interesting collection of the state of the art of social constructionism and therapy and a major contribution to reflection on therapeutic theory and practice. Changes. The chapters are interesting as windows into wider debates beyond therapy to those within the human sciences over the organization of meaning and change in culture. The value of this book is that it makes it possible for the reader to step back and think that therapy may mean different things to different communities; that therapy is not the touchstone but only one of many social constructions. British Psychological Society Counselling Psychology Review. This volume explores the exciting

The Dialogue on Miracles Caesarius of Heisterbach, 2023-08-11 Caesarius was a monk at the Cistercian monastery of Heisterbach in Germany where he served as Master of novices. For their instruction and edification he composed his lengthy Dialogue on Miracles in twelve sections between 1219 and 1223. The many surviving manuscripts of this and other works by Caesarius attest to his stature in the history of Cistercian letters. This second volume contains sections seven through twelve of Caesarius of Heisterbach's Dialogue on Miracles, the first complete translation into English of an influential representation of exempla literature from the Middle Ages. Caesarius's stories provide a splendid index to monastic life, religious practices and daily life in a tumultuous time.

Chapters on mythology, the epic, the writing, publication and subsequent editing of PL and on Milton's ideology and world view provide the background to the poem as a whole. The second half of the book engages with the poetry at a more detailed level and examines themes, structures, allusion, language, syntax, rhetoric, similes, rhythm and style, always showing the reader how he can best understand and appreciate Milton's usage. Extensive quotation from PL and other works by Milton and others helps to make all clear.
