

FLEA CONTROL:

A Holistic and Humorous Approach

"A humorous and refreshing approach to the war on fleas. Great basic and useful information that everyone can understand. This book will help you to accept the fact that these 'nasty little creatures' are here to stay, but give you many options to fight back. All without using toxic chemicals!"

Pamela Webb • Man's Best Friend • Portland, Oregon

"Here at last is a book that brings together answers in the battle against fleas from a holistic point of view. These solutions not only work in the short term but also in the long term because they don't weaken the pet's immune system and compound the problem, but rather support the health of the pet."

Dr. Bob Ulbrich • Whole Pet Veterinary Services • Portland, Oregon

"A rare combination of educational material and an entertaining style. It will leave you itching for more."

Marilyn Wall • Wall and Wall, PC • Portland, Oregon

Chip Sammons graduated from high school in Japan, learned what life was about as a Viet Nam veteran, and graduated and did post graduate work at California State University at Hayward. He attended Cornell University's Canine Nutrition Program and also completed the Basic Nutrition for Pets program from Colorado State University. However none of this has much to do with this book...

As owner and janitor of the Holistic Pet Center since 1988, Chip has been in the front line of the flea war. This book offers organic and natural suggestions to engage fleas in battle.

If you are looking for toxic or poisonous flea control products that suppress the immune system, or could have ghastly side effects, this is the wrong book.

If you are seeking safe, yet effective organic flea control, this is the book for you.
