Flee The Darkness:

Flee the Darkness Carol Post, 2020-10-27 Where do you run when there s nowhere to hide Melissa Langston flees Georgia to escape a relentless stalker but soon anonymous notes and a menacing figure lurking in the shadows shatter the fragile sense of security she has found in her small Florida hometown The only one who takes the danger seriously is the cop who broke her heart years ago She doesn t want his protection He let her down at the time when she needed him most and she doesn t do second chances When Memphis Police Officer Chris Jamison returns to Florida to deal with his father s sudden death the last thing he wants is to reconnect with his first love No way is he ready to jump back into the vicious cycle of trying and failing to meet her expectations But how can he turn his back on a woman who needs his protection especially one who still holds such a grip on his heart Imaginings Cameron Mcnaughton, 2019-04-10 Imaginings is a book I have had the utmost pleasure in writing and producing Imaginings covers a variety of topics of all types for all types of people to enjoy and study if you wish The various topics that are discussed were actually created as coping mechanisms for me personally as the writer to get through my own struggles by understanding the perspectives of other people That s what Imaginings is it s based on other people's perspectives I believe we can all have our favourites though I have no connection to the book in its entirety I can emotionally connect and relate to many poems Other people will as well just with their own unique poem and taste I have always had the idea and this is where I got the name from that Imaginings would surround people with different feelings images and ideas that only they can feel That's what I want and that's what Imaginings are From the bottom of my heart dear reader I hope you find your special poems and I would love for you to express your ideas This is a message from me Cameron I hope you enjoy **OVER THE ABYSSAL EDGE** Robert Jackson, 2025-07-02 The musings held within this tome are not too vague but will invoke your mind to roam These are not the ravings of a madman just a man often mad from just a peak that went badly of a person just sad These will cause you to wonder and make you look into your soul too they will leave you restless and wanting more concepts to chew There are no handholds within these pages at all just a view of a fall where my emotion writhes with a call Peer into the void and discover the beauty within you it lies not in the abyss but in the hand that holds on to you This is a journey through the shadows where a light understanding awaits unravel the mysteries where the brain does abate Embark on this odyssey it s a trip of just words it s a place of discovery just a perch for the birds
