biography of Boston Red Sox legend Ted Williams that baseball fans have been waiting for Williams was the best hitter in baseball history His batting average of 406 in 1941 has not been topped since and no player who has hit more than 500 home runs has a higher career batting average Those totals would have been even higher if Williams had not left baseball for nearly five years in the prime of his career to serve as a Marine pilot in WWII and Korea He hit home runs farther than any player before him and traveled a long way himself as Ben Bradlee Jr s grand biography reveals Born in 1918 in San Diego Ted would spend most of his life disguising his Mexican heritage During his 22 years with the Boston Red Sox Williams electrified crowds across America and shocked them too His notorious clashes with the press and fans threatened his reputation Yet while he was a God in the batter s box he was profoundly human once he stepped away from the plate His ferocity came to define his troubled domestic life While baseball might have been straightforward for Ted Williams life was not The Kid is biography of the highest literary order a thrilling and honest account of a legend in all his glory and human complexity In his final at bat Williams hit a home run Bradlee s marvelous book clears the fences too *The Publishers*

1980s the Islanders had suffered an embarrassing sweep by their geographic rivals the New York Rangers in the first round of the 1994 playoffs Hoping for a new start the Islanders swapped out their distinctive logo which featured the letters NY and a map of Long Island for a cartoon fisherman wearing a rain slicker and gripping a hockey stick The new logo immediately drew comparisons to the mascot for Gorton's frozen seafood and opposing fans taunted the team with chants of We want fish sticks During a rebranding process that lasted three torturous seasons the Islanders unveiled a new mascot new uniforms new players a new coach and a new owner that were supposed to signal a return to championship glory Instead the team and its fans endured a twenty eight month span more humiliating than what most franchises witness over twenty eight years The Islanders thought they had traded for a star player to inaugurate the fisherman era but he initially refused to report and sulked until the general manager banished him Fans beat up the new mascot in the stands The new coach shoved and spit at players The Islanders were sold to a supposed billionaire who promised to buy elite players he turned out to be a con artist and was sent to prison We Want Fish Sticks examines this era through period sources and interviews with the people who lived it
