Fishing Doctor The Essential Tackle Box Companion:

Blood Tide Robert F. Jones, 2015-07-14 A Winner Blood Tide is the best high adventure escape I've taken in years Elmore Leonard In the tradition of Clive Cussler and Alistair MacLean Blood Tide is a gripping novel of betrayal and revenge set in a remote and lawless corner of the Philippines Unjustly blamed for a failed escape attempt from a North Vietnamese prison James Culdee a career US Navy noncom who has served his country with distinction for twenty years is suddenly and unfairly forced into a disgraceful retirement Devastated Culdee retreats into alcoholism until he is rescued by his daughter Miranda a charter boat skipper whose sloop the Seamark has been stolen When Miranda learns that the Seamark has been sighted into the dangerous and primitive Flyaway Islands of the Philippines father and daughter sail off in pursuit on a voyage that will carry them across the Pacific Arriving in the Flyaways where local pirates and drug smugglers are as treacherous as the hidden shoals and reefs Culdee and Miranda join a band of Filipino insurgents plotting to overthrow a tyrannical American drug lord who may or may not be the same slimy who betrayed Culdee in Vietnam Filled with action suspense and nautical lore Blood Tide is a tale of intrigue courage and passion of a father and a daughter's battle against overwhelming odds in infernal jungles where murder is a sport and madness a way of life Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Bloodroot** Robert F.

Jones, 2015-07-21 From the acclaimed author of Blood Sport and Blood Tide comes another impressing original work of twisted fiction In the beginning was the Oak its hungry roots reaching deep into the earth its gnarled limbs searching the distant heavens Two hundred years ago Obediah Magrute worshipped the Oak and died violently beneath it feeding it with his blood and bone shouting his chilling curse to the skies Now Laura and Mark Avery have come to the bustling little Vermont village They have given up their frenetic city life to settle in the old Eldridge Place and to start their family Quiet and quaint the village is nestled among the rolling green hills of Hubley's Gore For centuries the inhabitants of the little farming village had tilled the soil eking out a living from the harsh land bound together by time by ties of kinship by their battle against the savage elements and by the dark secret in their midst Silent supreme it held sway over them Buried deep in the soil in the heart of the dense forest in the soul of the living wood it commanded the very elements It demanded obedience and unholy worship and sacrifice Laura and Mark are not superstitious though They find the local legends charming But as the seasons turn and the full moon rises people die in Hubley's Gore in thrall to an ancient terrible power Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for

readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
