The Striped Bass 60++ Pound Club Tony Checko, 2010-11-10. How many striped bass of 60 pounds or more have you heard about? How about 70 pounds? Read the passion, dedication, and plain luck to be at the right place and time. You can't plan on catching one of these giants, but you can read why planning was important. Fishermen wrote these stories about their feelings, the problems, the what-ifs: the biggest one lost 200 pounds of bass, and you will wish you were there. These are precious stories because you can't find many of these fishermen and women. Some have passed on, many have moved, others are just lost in the big cities or elsewhere. With so few big bass anglers found and so few big bass caught, it is truly a rare event to have the true stories from the fishermen who caught these giants. These are the best striper anglers from boat, surf, or jetty; it was their livelihood. All of them and all others in the 60-pound class are listed in the book. Some of them have disclosed the secrets they used to catch their record striped bass. It took decades of experience to find these gems. Use them yourself. T. C. Associates, Box 351, West Point, PA 19486; email: tchecko@msn.com. *Striped Bass Fishing in California and Oregon* Leon David Adams, 1961. **Fly Fishing for Trophy Striped Bass** John L. Field, 2024-06-18. Striped bass, or simply stripers, are a premier saltwater sportfish that can grow to over 50 pounds and swim in giant schools that will churn the surface of the water to a froth as they feed on baitfish, creating heart-pumping, fast-paced fly fishing. Originally native to coastal Atlantic States and eastern Canada, they have also been introduced to the Pacific, as well as many inland reservoirs and the rivers that flow into them, making stripers arguably the most accessible and popular saltwater species in North America. In this comprehensive guide, author John L. Field describes their behavior, foods they eat, the best flies, and methods to imitate those foods, and where today's angler stands the best chance of catching a trophy fish. Top guides, creative fly tiers, and marine biologists contribute their experience and expertise to this book. *Bass Fishing* Bob Gooch, 1975. New England Stripers Gene Bourque, 2005-06-30.
