The Five Gospels Robert W. Funk, 1996-12-19 Did Jesus claim to be the Messiah Did he promise to return and usher in a new age How did Jesus envision the Kingdom of God The Five Gospels answers these questions in a bold dynamic work that will startle traditional readers of the Bible and rekindle interest in it among secular skeptics In 1985 the Jesus Seminar comprising a distinguished group of biblical scholars was founded by Robert W Funk They embarked on a new translation and assessment of the gospels including the recently discovered Gospel of Thomas In pursuit of the historical Jesus they used their collective expertise to determine the authenticity of more than fifteen hundred sayings attributed to him Their remarkable findings appear in this book

Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions

Hunting for the word of God Sami Ameri, 2017-12-09 Almost a century ago scholars were debating the authenticity of some passages of the New Testament After a revolutionary renaissance in the field of biblical textual criticism however they began to doubt the genuineness of the entire text No longer are we able to claim the authenticity of even one passage from the New Testament The whole Christian edifice is now in danger Conversely today the authenticity of the Qur'anic text is also being challenged by questioning the Islamic version of the preservation of the Muslim holy book and the preservation of the canonical readings of the original text In the last decade some missionaries started using the recent discovery of Qur'anic manuscripts in Sana'a, Yemen to claim that there had been an early corruption of the text This book aims at taking its readers on a journey through the latest academic research on the topic in the hope of bringing them as close as possible to the heart of the debate It also has as its objective to provide the most satisfactory answers to the most bewildering questions readers may have about the authenticity of the two texts in question the New Testament and the Qur'an The author's expertise in both areas the Biblical and Qur'anic will enable the reader to gain solid knowledge of the subject matter tackled in this book

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ's life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels
