Brazilian Bulletin , 1957 **Robert Indiana** Susan Elizabeth Ryan, Robert Indiana, 2000-01-01 The author argues that Indiana s strident visual language emerges from his tendency to recast his life in story and verse a fact that unlocks complex and secret tissues of figurative meaning within the deceptively simple canvases By illuminating the enigmas in Indiana s word and image combinations she helps to explain the longevity of LOVE and its influence on a later generation of artists BOOK JACKET **Never Ending** Saul Nelson, 2024 A new history of postwar painting that explores how the desire to look backward shaped some of the period s most radical artmaking This incisive

account of modernism's postwar development examines how painters such as Joan Mitchell, Barnett Newman and Rose Piper invoked tradition in order to respond to participate in and disrupt the histories of the movement being written at midcentury. Saul Nelson argues that artists' turn to the past often dismissed as regressive offers an important counternarrative to the notion of modernism as always pushing forward. To be a modernist, Nelson contends, was to live in doubt about which aspects of the past were still needed and how they might be put to new use. The story ranges across continents and historical boundaries from India to Europe and the United States. It encompasses Grace Hartigan's and Mitchell's feminist reworkings of Matisse; the links between the work of Newman and nationalistic nineteenth-century painting; the attempts of Piper to salvage a heritage from the Harlem Renaissance; and F. N. Souza's interrogations of the legacies of colonialism. *Never Ending* presents a new history of postwar painting in which modernism is reimagined as a practice of retrieval and reinvention, a ceaseless confrontation between tradition and the demands of the present.
