## **Five Plays By Kishida Kunio Cornell University East Asia Papers No 51:**

Alternative Japanese Drama Robert T. Rolf, John K. Gillespie, 1992-07-01 A major renaissance in Japanese theater occurred in the 1960s During this period the implications of Japan's prewar actions as well as its postwar materialistic course were interrogated with fierce intensity Nowhere was the depth and dynamism of this cultural questioning more clearly expressed than in theater Fueling the explosion of seminal theater activity that took place was the generation of young artists who are the focus of Alternative Japanese Drama Foreword by J Thomas Rimer Five Plays Kunio Kishida, 1989 *The Columbia Anthology of Modern Japanese Literature* J. Thomas Rimer, Van C. Gessel, 2005-04-13 This comprehensive anthology collects works of fiction poetry drama and essay writing from a pivotal time in Japanese history In addition to their literary achievements the texts reflect the political social and intellectual changes that occurred in Japanese society during this period including exposure to Western ideas and literature the rise of nationalism and the complex interaction of traditional and modern forces The volume offers outstanding often new translations of classic texts by such celebrated writers as Nagai Kafu Shimazaki Toson Natsume Soseki Kawabata Yasunari and Yosano Akiko The editors have also unearthed works from lesser known women writers many of which have never been available in English Organized chronologically and by genre within each period the volume reveals the major influences in the development of modern Japanese literature the Japanese classics themselves the example of Chinese poetry and the encounter with Western literature and culture Modern Japanese writers reread the classics of Japanese literature infused them with contemporary language and refashioned them with an increased emphasis on psychological elements They also reinterpreted older aesthetic concepts in light of twentieth century mentalities While modern ideas captured the imagination of some Japanese writers the example of classical Chinese poetry remained important for others Meiji writers continued to compose poetry in classical Chinese and adhere to a Confucian system of thought Another factor in shaping modern Japanese literature was the example of foreign works which offered new literary inspiration and opportunities for Japanese readers and writers Divided into four chapters the anthology begins with the early modern texts of the 1870s continues with works written during the years of social change preceding World War I and the innovative writing of the interwar period and concludes with texts from World War II Each chapter includes a helpful critical introduction situating the works within their literary political and cultural contexts Additionally there are biographical introductions for each writer **Cornell University East Asia Papers**, 1982 **Japanese Theater in the World** James R. Brandon, 1997 Catalog of the largest exhibition of the century to focus on Japanese theater this extraordinary volume illustrates over 700 objects covering the whole range of Japanese theater and its history Soldiers Alive Ishikawa Tatsuzo, 2003-07-31 When the editors of *Ch k ron* Japan's leading liberal magazine sent the prizewinning young novelist Ishikawa Tatsuzo to war ravaged China in early 1938 they knew the independent minded writer would produce a work wholly different from the lyrical and sanitized war reports then in circulation They could not

predict however that Ishikawa would write an unsettling novella so grimly realistic it would promptly be banned and lead to the author's conviction on charges of disturbing peace and order. Decades later *Soldiers Alive* remains a deeply disturbing and eye-opening account of the Japanese march on Nanking and its aftermath. In its unforgettable depiction of an ostensibly altruistic war's devastating effects on the soldiers who fought it and the civilians they presumed to liberate, Ishikawa's work retains its power to shock, inform, and provoke.

**Bibliography of Asian Studies**, 1995    Modern Japanese Theatre and Performance David Jortner, Keiko I. McDonald, Kevin J. Wetmore, Kevin J. Wetmore Jr., 2006-03-23. At the heart of the development of modern Japanese culture, the theatre mirrors the issues and concerns of a society transitioning from the Tokugawa era to the modern period. *Modern Japanese Theatre and Performance* fills a gap in current Japanese theatre scholarship; the book discusses the role of women in modern theatre, buto dance, experimental theatres that combine traditional theatre with modern forms, and plays by Abe Kobo, Mishima Yukio, and Senda Koreya. With important contributions from both established and emerging scholars, this book is essential reading for anyone interested in theatre, modern performance, or Japanese studies.

*Books on Japan in Western Languages Recently Acquired by the National Diet Library* Kokuritsu Kokkai Toshokan, 1990    The View of Economic and Technology Cooperation in APEC Keiji Omura, 1997    The Cumulative Book Index, 1990. A world list of books in the English language.

**Spirits of Another Sort** M. Cody Poulton, 2001. The first work in any language to focus on the plays of Izumi Kyoka, a major literary figure in modern Japan.

**Forthcoming Books** Rose Arny, 1989-09    Newsletter, 1990-07    American Book Publishing Record, 1990
