## Five Views On Sanctification:

*Christian Spirituality* Donald Alexander, 1989-01-11 How can we grow closer to God Is there a secret to spiritual life Do we need a second blessing Is sanctification instantaneous or is it a process The nature of Christian spirituality has been widely debated throughout the history of the church Donald L Alexander brings together five scholars in a fascinating debate on sanctification and spirituality

**Five Views on Sanctification** Melvin E. Dieter, Anthony A. Hoekema, Stanley M. Horton, J. Robertson McQuilkin, John F. Walvoord, 2011-04-19 Christians generally recognize the need to live a holy or sanctified life But they differ on what sanctification is and how it is achieved How does one achieve sanctification in this life How much success in sanctification is possible Is a crisis experience following one's conversion normal or necessary If so what kind of experience and how is it verified

**Five Views on Sanctification** part of the Counterpoints series brings together in one easy to understand volume five major Protestant views on sanctification Wesleyan View represented by Melvin E Dieter Reformed View represented by Anthony A Hoekema Pentecostal View represented by Stanley M Horton Keswick View represented by J Robertson McQuilkin Augustinian Dispensationalism View represented by John F Walvoord Writing from a solid evangelical stance each author describes and defends his own understanding of the doctrine sanctification and then responds to the views of the other authors The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

**Five Views on Sanctification** Melvin Easterday Dieter, Anthony A. Hoekema, 1996 Representatives of five major Protestant perspectives join in this book to present their views on sanctification

**A Virtue Ethical View of Trinitarian Sanctification** Ronald M. Rothenberg, 2014-07-02 The thesis of this book is that virtue ethics is key to understanding Trinitarian progressive sanctification The thesis is supported by four reasons why virtue ethics is key to understanding Trinitarian progressive sanctification

- 1 the Trinity virtue ethics and sanctification are historically and conceptually interconnected in the tradition and Scripture
- 2 virtue ethics based on metaphysical realism is the most biblically consistent ethical framework for Trinitarian progressive sanctification
- 3 Jesus active roles as a teacher and example of virtue play an important part in Trinitarian sanctification
- 4 Jesus priestly heavenly intercession aimed at manifesting virtue in believers is crucial to understanding how the Trinity progressively sanctifies believers

The active roles of Jesus in sanctification ordered by the Triune premise indicate that the Trinity sanctifies such that

- 1 the value having its source from the Father is revealed through the teaching of the Son to motivate believers who are empowered to be motivated by the Spirit
- 2 the character that is from the Father is revealed through the Son's example that is to be imitated by the believer through habituation and reciprocity by the Spirit's leading
- and 3 believers are led by the Spirit's intercession into prayer Rom 8 14 16 26 27 to be helped through the Son's priestly intercession in order to receive an answer from the Father with the aim of

manifesting the virtues of endurance and hope in the lives of believers

### **Paul, the Community, and Progressive**

**Sanctification** James M. Howard, 2007 What role does the Christian community play in the process of growing in Christian maturity This book argues that in Pauline theology the redeemed community is a necessary means for the progressive sanctification of the individual believer an idea that is largely misunderstood in parts of the Western church It evaluates foundational theological considerations traditionally omitted from sanctification studies and places them within the context of Pauline theology Included are the missiological nature of holiness the initiatory character of God the creation of the new humanity as reflecting the image of God and the impact upon the church resulting from the radical redefinition by Christ of the cultural symbols surrounding the Jewish temple system This book offers a corrective to the individualized approach to Christian growth For Paul the focus of God's transformative activity culminates with the community rather than the individual the goal of which is to reveal God's glory to the broader creation

**Sanctification as Set Apart and Growing in Christ** Margaret Elizabeth Köstenberger, 2023-05-05 A Biblical Theology of Sanctification from Genesis to Revelation God's holiness and the sanctification of his people are key themes throughout the biblical narrative In this addition to the Short Studies in Biblical Theology series Marny Köstenberger explores the topic of sanctification being set apart by God for holiness which is the impetus for a believer's God-given mission Surveying the Bible from beginning to end Köstenberger teaches that sanctification is a trinitarian enterprise God creates humanity in his holy image Christ delivers them from sin and the Spirit applies the benefits of Christ's saving work restoring the original image in Christ At the core a believer's union with Christ and their experience of abiding in him powerfully propels their growth in holiness Short Studies in Biblical Theology Part of a series designed to give readers accessible volumes on God's word other volumes include Resurrection Hope and the Death of Death The Sabbath as Rest and Hope for the People of God and more Analyzes the Word Sanctification in Both Hebrew and Greek Helps Readers Understand How the Old and New Testaments Relate to Each Other

### **Pentecostal Theology**

Wolfgang Vondey, 2017-07-13 Winner of the Pneuma Book Award 2018 from The Society for Pentecostal Studies

Pentecostalism is the most rapidly growing branch of Christianity since the 20th century yet it does not lend itself well to a singular doctrine and there is therefore no single comprehensive account of Pentecostal theology worldwide In this volume Wolfgang Vondey suggests an account of Pentecostal theology that is genuine to Pentecostals worldwide while allowing for different adaptation and explication among the various Pentecostal groups He argues that Pentecostal theology is fundamentally concerned with the renewal of the Christian life identified by the transforming work of the Holy Spirit and directed toward the kingdom of God The book unfolds in two main parts illustrating the full gospel story and theology Eleven chapters identify the spiritual underpinnings and motivations for Pentecostal theology formulate a Pentecostal theology of action translate apply and exemplify Pentecostal practices and experiences and integrate Pentecostal theology in the wider Christian tradition

**Holy Trinity: Holy People** Thomas A. Noble, 2013-02-19 Teaching on the sanctification of Christians

using the difficult word perfection has been part of Christian spirituality through the centuries The Fathers spoke of it and Augustine particularly contributed his penetrating analysis of human motivation in terms of love Medieval theologians such as Bernard and Thomas Aquinas developed the tradition and wrote of levels or degrees of perfection in love However the doctrine has not fared so well among Protestants John Wesley was the one major Protestant leader who tried to blend this ancient tradition of Christian perfection with the Reformation proclamation of justification by grace through faith This book seeks to develop Wesley s synthesis of patristic and Reformation theology in order to consider how Christian perfection can be expressed in a more nuanced way in today s culture Noble examines what basis may be found for Wesley s understanding of sanctification in the central doctrines of the church particularly the atonement the doctrine of Christ and the most comprehensive of all Christian doctrines the doctrine of the Holy Trinity What he sets out is a fully trinitarian theology of holiness

The Continuing Relevance of Wesleyan Theology Nathan Crawford,2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation

Asbury Bible Commentary Zondervan,2022-10-04 A one volume evangelical Wesleyan commentary on the entire Bible John Wesley believed the Bible to be the Word of God and he insisted that Wesleyan teaching conform to that standard This commentary carefully explains the Bible book by book in terms of the intentions of the authors who composed it At the same time it is an inspiring exposition of the Bible s message for us and the peoples of all times The work includes introductory articles that reinforce the historic Wesleyan view of the infallibility and authority of the Scriptures Written by

nearly fifty scholars this work is a collaboration to aid pastors Sunday school teachers Bible study leaders college and seminary students and others who love the Word of God

### **Three Views on Creation and Evolution**

Zondervan,2010-06-01 For Christians the issues raised by the different views on creation and evolution are challenging Can a young earth be reconciled with a universe that appears to be billions of years old Does scientific evidence point to a God who designed the universe and life in all its complexity Three Views on Creation and Evolution deals with these and similar concerns as it looks at three dominant schools of Christian thought Proponents of young earth creationism old earth creationism and theistic evolution each present their different views tell why the controversy is important and describe the interplay between their understandings of science and theology Each view is critiqued by various scholars and the entire discussion is summarized by Phillip E Johnson and Richard H Bube The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians Counterpoints books address two categories Church Life and Bible and Theology Complete your library with other books in the Counterpoints series

### **The Scariest Word in the Bible**

Lance M. Bacon,2018-08-14 In Jesus view many are wrong about being right with God They anticipate a home in heaven but will receive an eternal eviction

How can we be sure that we are not among the many This book will help you find that answer Presented from a pastor s heart this work combines exegetical analysis theological acumen and practical ministerial insight to help you obtain and maintain a saving relationship with God The Parable of the Sower serves as the roadmap on our journey as it provides remarkable insight on why many seeds fail to find good ground or bring forth good fruit Jesus also reveals how we can tap the unimaginable potential for personal and kingdom growth contained within The first section breaks up the hard ground to reveal the deep truths of sin and salvation The second section identifies ways to overcome the stones that prevent spiritual growth offense unforgiveness fear solitude and complacency The third section analyzes the postmodern worldviews deficient theologies materialism and the idolatry of self that suffocates many growing Christians Only the believer who rightly responds to God can begin to live for God and ultimately live from God This is God s salvation Is it yours

**The Ground of Holy Life** David D. Cho,2021-08-12 The Reformation put the grace of God in the right place in the salvation of man Luther s proclamation of justification by faith brought the concept of grace to the fore and made it the centrality of Christian theology But the overemphasis on the doctrine of justification in the Reformation created the imbalance between justification and sanctification in the soteriology of the Protestant church To some people just the profession of faith without an accompanying godly life was not good enough for salvation It seemed that salvation by grace of God in the doctrine of justification made man s salvation too easy thereby opening the floodgate for nominal Christians who were no different from pagans in their hearts Christian leaders and theologians in the modern church age have tried to rectify this problem by injecting the necessity of works into the Christian life The spiritual movements such as pietism and perfectionism and new theologies such as the New Perspective on Paul and the Federal Vision are such endeavors that have stressed good works in the salvation of man However without the concept of definitive sanctification they all lost the monergistic nature of salvation and deviated to the humanistic theology of Arminianism or Pelagianism

**He Gave Us Stories** Richard L. Pratt,1993 Explains how to grasp and apply the timeless truths in Old Testament narratives *Psychology & Christianity* Gary R. Collins,Eric L. Johnson,Stanton L. **The Emergence of Pentecostalism in Wales** Chris Palmer,2019-02-15 British Pentecostalism is linked to the Azusa Street Revival in Los Angeles through T B Barratt and Anglican vicar Alexander A Boddy at Sunderland Boddy s experience and subsequent ministry set the foundation in Britain for the rise of the Apostolic Church the Elim Church and the Assemblies of God Each of these Pentecostal denominations had their roots in Wales Following the Welsh Revival of 1904 05 some enthused by their experience sought a deeper relationship with God and this search ultimately led them to Pentecostalism A group of eager believers emerged around the town of Crosskeys in South East Wales By 1912 they had established the Crosskeys Full Gospel Mission which soon became a centre for Pentecostal activity The central role of the Crosskeys group is seen in the development of the Assemblies of God in Wales

and Monmouthshire denomination which was in existence by 1921 The Crosskeys based group had been in correspondence with the American Assemblies of God AG regarding joining that denomination as an official presbytery It was this action that caused a group of like minded English Pentecostals to pursue the establishment of the Assemblies of God in Great Britain and Ireland in 1924 This British denomination incorporated some thirty eight Welsh Pentecostal assemblies This book considers some of the important theological political and social influences which shaped the brand of Pentecostalism that emerged in South East Wales in the early twentieth century a movement which was to have a wide ranging influence on subsequent Pentecostal history far beyond the borders of Wales *The Complete Reference Guide to Bible Prophecy* Ron
