What Sorrows Labour in My Parent's Breast? Brenda E. Stevenson, 2023-04-21 **5 Families** Tom Lewis, 1959-01-21 The legacy of the slave family haunts the status of black Americans in modern U S society Stereotypes that first entered the popular imagination in the form of plantation lore have continued to distort the African American social identity In What Sorrows Labour in My Parents Breast Brenda Stevenson provides a long overdue concise history to help the reader understand this vitally important African American institution as it evolved and survived under the extreme opposition that the institution of slavery imposed The themes of this work center on the multifaceted reality of loss recovery resilience and resistance embedded in the desire of African African descended people to experience family life despite their enslavement These themes look back to the critical loss that Africans both those taken and those who remained endured as the enslaved poet Phillis Wheatley honors in the line What sorrows labour in my parents breast and look forward to the generations of slaves born through the Civil War era who struggled to realize their humanity in the recreation of family ties that tied them through blood and emotion to a reality beyond their legal bondage to masters and mistresses Stevenson pays particular attention to the ways in which gender generation location slave labor the economic status of slaveholders and slave societies laws affected the black family in slavery **Exotics at Home** Micaela di Leonardo, 2000-03-16 What is the exotic after all In this study Micaela di Leonardo reveals the face of power within the mask of cultural difference Focusing on the intimate and shifting relations between popular portrayals of exotic Others and the practice of anthropology that profession assumed to be America's Guardian of the Offbeat she casts new light on gender race and the public sphere in America's past and present Chicago s 1893 Columbian World Exposition and today s college town ethnic boutiques frame di Leonardo s century long The Evolution of Deficit Thinking Richard R. Valencia, 2012-11-12 Deficit thinking refers to the notion that analysis students particularly low income minority students fail in school because they and their families experience deficiencies that obstruct the leaning process e g limited intelligence lack of motivation inadequate home socialization Tracing the evolution of deficit thinking the authors debunk the pseudo science and offer more plausible explanations of why students fail The End Game Corey M. Abramson, 2015-06-09 Senior citizens face a gauntlet of physical psychological and social hurdles But do disadvantages accumulated over a lifetime make the final years especially difficult for some people Or does the quality of life among poor and affluent seniors converge Corey Abramson investigates whether lifelong inequality structures the lives of the

elderly Students of Color and the Achievement Gap Richard R. Valencia, 2015-03-05 Students of Color and the Achievement Gap is a comprehensive landmark analysis of an incontrovertible racialized reality in U S K 12 public education the relentless achievement gap between low socioeconomic students of color and their economically advantaged White counterparts Award winning author and scholar Richard Valencia provides an authoritative and systemic treatment of the achievement gap focusing on Black and Latino Latina students He examines the societal and educational factors that help to create and maintain the achievement gap by drawing from critical race theory an asset based perspective and a systemic inequality approach By showing how racialized opportunity structures in society and schools ultimately result in racialized patterns of academic achievement in schools Valencia shows how the various indicators of the achievement gap are actually symptoms of the societal and school quality gaps Following each of these concerns Valencia provides a number of reform suggestions that can lead to systemic transformations of K 12 education Students of Color and the Achievement Gap makes a persuasive and well documented case that school success for students of color and the empowerment of their parents can only be fully understood and realized when contextualized within broader political economic and cultural frameworks

Macho Men and Modern Women Claudia Roesch, 2015-10-16 Claudia Roesch offers a study of Mexican American families and evolving notions of masculinity and motherhood in the context of American family history The book focuses both on the negotiation of family norms in social expert studies and on measures taken by social workers and civil rights activists for families The work fills gaps in research regarding the history of the American family in the 20th century the history of Mexican Americans and the history of social sciences Taking a long term perspective from the first wave of Mexican mass immigration in the 1910s and 1920s until the new social movements of the 1970s the study takes into account influences of the Americanization and eugenics movements modernization theory psychoanalysis and the Chicano civil rights movement Thus Claudia Roesch offers important new findings on the nexus between the scientization of social work and changing family values in the age of modernity Marriage, Class, and Colour in Nineteenth-century Cuba Verena Stolcke, 1989 A study of marriage patterns in 19th century Cuba **Dismantling Contemporary Deficit Thinking Richard R.** Valencia, 2010-09-13 Deficit thinking is a pseudoscience founded on racial and class bias It blames the victim for school failure instead of examining how schools are structured to prevent poor students and students of color from learning Dismantling Contemporary Deficit Thinking provides comprehensive critiques and anti deficit thinking alternatives to this oppressive theory by framing the linkages between prevailing theoretical perspectives and contemporary practices within the complex historical development of deficit thinking Dismantling Contemporary Deficit Thinking examines the ongoing social construction of deficit thinking in three aspects of current discourse the genetic pathology model the culture of poverty model and the at risk model in which poor students students of color and their families are pathologized and marginalized Richard R Valencia challenges these three contemporary components of the deficit thinking theory by providing incisive

critiques and discussing competing explanations for the pervasive school failure of many students in the nation s public schools Valencia also discusses a number of proactive anti deficit thinking suggestions from the fields of teacher education educational leadership and educational ethnography that are intended to provide a more equitable and democratic schooling American Democratic Socialism Gary Dorrien, 2021-01-01 A sweeping ambitious history of American for all students democratic socialism from one of the world's leading intellectual historians and social ethicists. The movement whose tangled history Gary Dorrien tells in American Democratic Socialism has deep roots in the very American values it is accused of undermining The version of the socialist left that emerges is one that deserves more attention Hari Kunzru New York Review of Books Democratic socialism is ascending in the United States as a consequence of a widespread recognition that global capitalism works only for a minority and is harming the planet's ecology This history of American democratic socialism from its beginning to the present day interprets the efforts of American socialists to address and transform multiple intersecting sites of injustice and harm Comprehensive deeply researched and highly original this book offers a luminous synthesis of secular and religious socialisms detailing both their intellectual and their organizational histories Troublemakers Stephen Crossley, 2018-04-04 The launch of the Troubled Families Programme in the wake of the 2011 riots conflated poor and disadvantaged families with anti social and criminal families. The programme aimed to turn around the lives of the country s most troubled families at a time of austerity and wide ranging welfare reforms which hit the poorest families hardest This detailed authoritative and critical account reveals the inconsistencies and contradictions within the programme and issues of deceit and malpractice in its operation It shows how this core government policy has stigmatised the families it claimed to support Paving the way for a government to fulfil its responsibility to families rather than condemning them this book will empower local authority workers policy makers and researchers and anyone interested in social justice to challenge damaging aggressive neoliberal statecraft **Britain's Inner Cities** Monica Charlot, 1994 Land, Promise, and Peril Mary D. Coleman, 2023-04-20 A unique qualitative study of race and economic and social mobility across generations for seven families from the Mississippi Delta
