importance of nature in all its glory fury and impermanence Wall Street Journal The incredible follow up to the international

someone who reads their story changes everything A chance to breathe life back into a beautiful farmhouse nestled deep in  
the Cornish hills rewilding the land and returning nature to its hedgerows becomes their saving grace and their new path to  
follow The Wild Silence is a story of hope triumphing over despair of lifelong love prevailing over everything It is a luminous  
account of the human spirit s connection to nature and how vital it is for us all **Reconstructing a Shattered Egyptian  
Army** Youssef Aboul-Enein,2014-06-15 Central to CDR Youssef Aboul Enein s career has been the mission to introduce  
America s military leaders to Arabic works of military significance Just like American military leaders who had an obsession  
for all things Russian during the Cold War in order to understand the Soviets the war on al Qaida and the complex nuances of  
the Arab Spring demand a deeper comprehension of the Middle East from direct sources The memoirs of General Mohamed  
Fawzi Egyptian War Minister from 1967 to 1971 were first published in 1984 but his work has not ben translated and  
remains undiscovered by English speaking readers Many in the United States Armed Services have yet to be introduced to

his ideas perspectives and the seeds by which the 1973 Yom Kippur War were laid In this new contribution to his series of essays written for Infantry Journal Aboul Enein has determined to bring to life the military thoughts of this Arab War Minister This book is a joint Infantry Naval Institute Press project that has condensed the entire collection of essays on Fawzi to a single volume to provide future generations of America s military leaders with access his ideas Fawzi is unique among Arab generals for his scathing critique of his own armed forces and from his critical examination of what went wrong in 1967 he was able to slowly resurrect the Egyptian Armed Forces to a level that enabled Sadat to consider an offensive in 1973 This Egyptian general will provide insights into the level of Soviet cooperation and military aid provided Egypt after the 1967 Six Day War known simply in Arabic by one word al Naksah the setback not to be confused with the 1948 Arab Israeli War known by one word al Nakbah the catastrophe While Fawzi lapses into conspiracy indulges in wishful thinking and employs the language of pan Arabism on occasion much like Soviet military theorists couched their ideas in Marxist Leninist rhetoric this will not stop serious American students of war from recognizing his brilliance about the lessons learned from the crushing defeat of Egyptian arms in the 1967 Six Day War Summary of Raynor Winn's The Salt Path Everest
