of bourbon's evolution by contrasting the fates of two distilleries in Scott and Nelson Counties. In the nineteenth century distilling changed from an artisanal craft practiced by farmers and millers to a large scale mechanized industry. The resulting infrastructure—farms, mills, turnpikes, railroads, steamboats, lumberyards and cooperage shops—left its permanent mark on the land and traditions of the commonwealth. Today multinational brands emphasize and even construct this local heritage. This unique interdisciplinary study uncovers the complex history poured into every glass of bourbon. A gem. The depth of Raitz's research and the breadth of his analysis have produced a masterful telling of the shift from craft to industrial distilling. And in telling us the story of bourbon, Raitz also makes a terrific contribution to our understanding of America's nineteenth century economy. David E. Ralph Compton, 2025-09-23. They had beaten the harsh odds of the frontier. But for the two powerful ranchers, the most formidable trail lay ahead. There had never been a trail drive like this before. The only riches Texans had left after the Civil War were five million maverick longhorns and the brains, brawn and boldness to drive them to market along treacherous trails. Now Ralph Compton brings this violent and magnificent time to life in an extraordinary series based on the history-blazing trail drives. For veteran ranchers Nelson Story of Montana and Benton McCaleb of Wyoming, it was an opportunity a man didn't pass up. In gold camps of the Black Hills, miners were hungry for beef at boomtown prices. But within the two outfits were Indians, gunmen, Texans, lovesick cowboys and high spirited women. Worse, the drive would pass through Crow and Sioux territory when Custer's defeat at the Little Big Horn was just hours away. The drives were tangled by violent grudges, stampeding herds and dangerous deception. The two brawling outfits had one thing in common: a deadly surprise awaiting them at the end of the trail. **Dingley Falls**. Michael Malone, 2010-04-01. Praise for *Dingley Falls*: Witty, intelligent, deeply felt and vividly narrated. *New York Times Book Review*. A wondrous achievement. Malone's novel is as lusty, whimsical, tragic, even as bizarre as life itself. It is a triumph of the highest order. *Atlanta Journal-Constitution*. *Dingley Falls* is a wonderful novel, impressive in every way and constantly entertaining. Everything in this book sparkles and rings true. *Chicago Tribune*. If not the Great American Novel, *Dingley Falls* is surely the Great American Comedy. The two may just be synonymous. *St. Louis Post-Dispatch*. A lovable, sprawling, old-fashioned kind of novel full of energy and gems of characterization. *Washington Post Book World*. In *Dingley Falls*, Malone has produced a
