Flame Of God:

Consuming Fire of God James Mitchell, 2013-10-02 The word fire appears in the King James Version of the Bible 111 times Fire has a natural and spiritual meaning The natural meaning can be understood by anyone but the spiritual meaning has to be discerned through the Holy Spirit Spiritual discernment makes His word exclusive Exclusion of the meaning of God's word is to limit spiritual understanding and its practical application to those who are born of Him Those who are born of Him have opportunity to gain understanding as they read study examine and meditate on God's word This process positions us to be able to receive understanding and revelation You are invited to take a journey with me to examine a fire in the Scriptures in a light that few have seen but many should be given the opportunity to trek We have all been exposed to the traditional views of everlasting fire according to preachers and theologians Most of us have heard or read of accounts given by people who have had visions or dreams of eternal fire Many of us have taken for granted that these traditional views and teachings must be correct as they are preached and taught by mainstream Christianity You and I have heard and accepted these views with very little investigation A challenge is being issued to those who would like to dig deeper than the surface of traditionalism Let this book challenge you to investigate meditate and formulate an understanding of one aspect of the Consuming Fire of God The Hell fire you find may not be measured in degrees of Fahrenheit or Celsius but may be measured in degrees of consequences Open the cover to discover **Embracing the Divine Flame: A Journey Through God's**

Tozer,2020-09-15 Many people believe in God and believe that God is everywhere but they have yet to experience his presence What did it mean for Moses to encounter God at the burning bush How did it change his life and his perception of God What is keeping you from experiencing his presence in your life It was in that burning bush experience that Moses began to understand and appreciate the sacredness of worship Through this book Tozer teaches how proper worship has to be equal to the one we are worshiping so if we are worshiping God we must do it on his terms This means having a spirit of reverence and holiness like Moses taking off his shoes and kneeling before him The bush s fire did not frighten Moses but rather it poured the essence of sacredness into his life giving him an experience he had never had before Let this book teach you how like Moses to kneel and worship before God s holy fire **Whisper of the Flame** Kemi Nahal,2014-03-11 Whisper Of The Flame Rev Kemi Nahal will open the door to your essence life and the you ll discover once again the illuminating inner flame that shines eternally within your heart and soul your infinite connection to the source of your existence your Creator God the Almighty **God's Fire Starters** Donald A.
