Flann O'briens Exorbitant Novels

Edwina Keown, Carol Taaffe

Flann O'Briens Exorbitant Novels:

Flann O'Brien's Exorbitant Novels Thomas F. Shea, 1992 In response to his predicament he probes irregular sorts of coherence different methods of amalgamation and modified criteria of communication Through permutations of phrase making newerfangled arrangements of words and transgressive metaphors he discovers the animating charge of authoring innovation O'Brien's last two novels *The Hard Life* 1961 and *The Dalkey Archive* 1964 share several attributes Both were written twenty odd years after the earlier novels both appear unusually tame for O'Brien and both are often taken lightly as enervated end of career efforts by an author who once had good stuff However O'Brien's unpublished letters to his friends Niall Montgomery and Niall Sheridan his agents at A M Heath Patience Ross and Mark Hamilton and his new publisher during the 1960s Timothy O'Keefe reveal that these novels are intended as experiments in subterfuge Flann O'Brien & Modernism Julian Murphet, Ronan McDonald, Sascha Morrell, 2014-07-31 Flann O'Brien the ethics and paradoxes of naming parody and homage lies and deception theatricality sexuality technology and transport and the inevitable matter of drink and intoxication Taken together these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two Flann O'Brien and the European Avant-Garde, 1934-45 Tobias William Harris, 2025-01-23 Crossing the boundaries of a single author study this book uncovers Flann O'Brien's attempt to forge a commercially successful Irish literary project from international avant garde influences Situating O'Brien's early work within a global context the book uses new evidence of his collaborations to reimagine him as a networked writer O'Brien drew upon experimental techniques to generate new categories of writing rethink Irish culture and reach a wide audience This study illuminates a network of cultural production around O'Brien linking his work to English comic magazines Dadaist photomontage Expressionism Central European theatre and renowned writers like Jorge Luis Borges and Franz Kafka By reexamining Flann O'Brien within the context of the momentous global political and cultural crises that spurred avant garde experimentation the book also rewrites the cultural history of Ireland in the 1930s and 1940s **The Novels of Flann O'Brien** Thomas F. Shea, 1986 **The Complete Novels of Flann O'Brien** Flann O'Brien, 2008-01-08 Flann O'Brien along with Joyce and Beckett is part of the holy trinity of modern Irish literature His five novels collected here in one volume are a monument to his inspired lunacy and gleefully demented genius O'Brien's masterpiece *At Swim Two Birds* is an exuberant literary send up and one of the funniest novels of the twentieth century The novel's narrator is writing a novel about another man writing a novel in a Celtic knot of interlocking stories The riotous cast of characters includes figures stolen from Gaelic legends along with assorted students fairies ordinary Dubliners and cowboys some of whom try to break free of their author's control and destroy him The narrator of *The Third Policeman* who has forgotten his name is a student of philosophy who has committed murder and wanders into a surreal hell where he encounters such oddities as the ghost of his victim three

policeman who experiment with space and time and his own soul who is named Joe The Poor Mouth a bleakly hilarious portrait of peasants in a village dominated by pigs potatoes and endless rain is a giddy parody aimed at those who would romanticize Gaelic culture A naïve young orphan narrates the deadpan farce The Hard Life and The Dalkey Archive is an outrageous satiric fantasy featuring a mad scientist who uses relativity to age his whiskey a policeman who believes men can turn into bicycles and an elderly bar tending James Joyce With a new Introduction by Keith Donohue Assembling Flann O'Brien Maeabh Long, 2014-01-02 Flann O'Brien also known as Brian O'Nolan or Myles na gCopaleen is now widely recognised as one of the foremost of Ireland's modern authors Assembling Flann O'Brien explores the author's innovative and experimental work by reading him in relation to some of the 20th century's most important theorists including Derrida Agamben Freud Lacan and i ek Assembling Flann O'Brien offers a detailed study of O'Brien's five major novels including At Swim Two Birds and The Third Policeman as well as his plays short stories journalistic output and unpublished archival material The book presents new theoretical perspectives on his works exploring his compelling engagements with questions of the proper name the archive law and desire and the problems of identity language sexuality and censorship which acutely troubled Ireland's new state Combining a wide range of contemporary theory with a sensitivity to the cultural and political context in which the author wrote Maeabh Long opens up entirely new aspects of Flann O'Brien's writings and explores the ingenious and the problematic within his oeuvre **A History of the Modernist Novel** Gregory Castle, 2015-06-25 A History of the Modernist Novel reassesses the modernist canon and produces a wealth of new comparative analyses that radically revise the novel's history It also considers the novel's global reach while suggesting that the epoch of modernism is not yet finished **Unauthorized Versions** José Lanthers, 2000 Certain moments in history especially periods of cultural turmoil and political change appear to be conducive to the writing of Menippean satire Unauthorized Versions is the first integral study of Menippean satires written in Ireland in the three decades following the declaration of the Irish Free State in 1922 The book discusses works by Darrell Figgis Eimar O'Duffy Austin Clarke Flann O'Brien and Mervyn Wall in the context of political and social developments particularly relating to economic policy the role of the Church and censorship Mikhail Bakhtin defines Menippean satire as an unresolved dialogue between actual and/or implied voices designed to test a truth or philosophical idea The Irish satirists of the first half of the twentieth century use medieval Ireland as a setting for addressing contemporary concerns or borrow characters from medieval Irish texts that they place in a modern context Each satire thus creates a series of dialogues between the past and present between characters who represent opposing values and ideologies and between the older texts and their modern reworkings Unauthorized Versions reveals the double bind at the core of every Menippean satire Each writer discussed in the book expresses an awareness of the paradox of an author writing in the vacuum created by official censorship seeking to engage his audience in the dethroning of the very authorities by whom he is deprived of his audience By revealing his own ambiguous position the satirist knowingly subverts his own authority along

with that of his opponents This study will appeal to students and scholars interested in Irish literature genre studies the reception of the Middle Ages and the relationship between literature and history Jos Lanters associate professor of classics at the University of Oklahoma will begin her position as associate professor of English at the University of Wisconsin Milwaukee in Fall 2000 She is author of *Missed Understandings A Study of Stage Adaptations of the Works of James Joyce* and coeditor of *Troubled Histories Troubled Fictions Twentieth Century Anglo Irish Prose* Irish satire in the twentieth century has awaited a critic as intelligent and well informed as Jose Lanters whose *Unauthorized Versions* nicely complements Vivian Mercier s pioneering efforts For several of the works she discusses Lanters here provides the only substantial criticism they have received to date Her approach combines sensitivity to form and expression with a constant attentiveness to historical context while her study is anchored in a lucid and suggestive use of Bakhtin Every library with an interest in Irish writing will want this book R Brandon Kershner Alumni Professor of English University of Florida Lanters well argued volume will be a valuable resource for the study of modern Irish prose at the upper division undergraduate level and above Choice Works discussed in *Unauthorized Versions* Darrell Figgis *The Return of the Hero* Eimar O Duffy *King Goshawk and the Birds* The Spacious Adventures of the Man in the Street Asses in Clover Austin Clarke *The Bright Temptation* The Singing Men at Cashel The Sun Dances at Easter Flann O'Brien *At Swim Two Birds* The Third Policeman Mervyn Wall *The Unfortunate Fursey* *The Return of Fursey* *Encyclopedia of the Novel* Paul Schellinger, 2014-04-08 The *Encyclopedia of the Novel* is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the *Encyclopedia of the Novel* is its long surveys of development of the novel in various regions of the world **Irish Modernism** Edwina Keown, Carol Taaffe, 2010 An examination of the emergence reception and legacy of modernism in Ireland Engaging with the ongoing re evaluation of regional and national modernisms the essays collected here reveal both the importance of modernism to Ireland and that of Ireland to modernism This collection introduces fresh perspectives on modern Irish culture that reflect new understandings of the contradictory and contested nature of modernism itself **Flann O'Brien, Bakhtin, and Menippean Satire** M. Keith Booker, 1995-10-01 This work applies Mikhail Bakhtin s theory of literary discourse and the concept of carnivalisation to the work of Flann O'Brien The author emphasizes the political and social implications of the writings arguing that O'Brien maintained a reflexive focus on language throughout his career **Pained Screams from Camps** Aisling Reid, Valentina Surace, 2024-06-17 Detention camps exceed the juridical concept of punishment and crime This book comprises two parts 1 a collected volume that discusses camps not

as something of the past but as a paradigmatic political space in which ordinary law is completely suspended and 2 an Italian English parallel text of the war diary of an Italian prisoner during his confinement at the Stalag X B internment camp near Sandbostel from 1943 1945 1 *The Human Condition of Exception Collected Essays* Edited by Aisling Reid and Valentina Surace Written in Italian and English the essays collected in this volume explore the issue of camps and suffering from various perspectives including philosophical inquiry literary analysis historical description and legal assessment As Agamben suggests the camp embodies the state of exception A dehumanising camp life will therefore emerge every time such a structure is created What happens in camps exceeds the juridical concept of punishment as well as that of crime Prisoners are faced with a useless pain Levinas as it is not the expiation of a fault Prisoners attempt to describe their extreme suffering through their diaries Their experience however cannot be entirely communicated Even their screams which express humanity at the extreme limit of its un power are silenced Given the recent popularity of right wing politics as well as the centenary of Mussolini's march on Rome such research is more urgent than ever The book will appeal to readers with an interest in philosophy as well as Irish history scholars studying internment during Partition and The Troubles in Northern Ireland 2 Aldo Quarisa's *Diary An Italian English Edition* Edited by Aisling Reid and Valentina Surace Transcribed and with a preface by Galileo Sartor Translation of the diary by Aisling Reid Italian English In 1943 Aldo Quarisa worked at a military school in Florence where he taught literature In October of that year one month after Italy had surrendered to the Allied forces the Italians declared war on the Germans In Florence the German occupiers responded quickly by arresting and deporting people with military connections to numerous concentration camps in Austria Quite suddenly Aldo was detained and deported through a network of camps including Benjaminovo and the Stalag X B internment camp near the German village of Sandbostel For two years he found himself imprisoned alongside other Italians including the celebrated journalist Giovannino Guareschi who secretly kept a diary that was later published as his *Diario Clandestino* 1943 1945 in 1946 Much like Guareschi Aldo also kept a diary and excerpts are published here in both Italian and English for the first time The diary describes in unprecedented detail the monotony of camp life the cruelty of the guards and the prisoners struggle to survive The text is an important document that preserves the memory and voices of all those who suffered during the war and will inevitably be of interest to readers with an interest in World War II

[The Oxford Encyclopedia of British Literature](#) David Scott Kastan, 2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the *Encyclopedia of British Literature* includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to *The Oxford Encyclopedia of American Literature* this set will prove invaluable for

students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 Encyclopedia of the British Novel Virginia Brackett,Victoria Gaydosik,2015-04-22 Praise for the print edition comprehensive Recommended **“The” Review of Contemporary Fiction** John O'Brien,2005 An Irish Literature Reader Maureen O'Rourke Murphy,James MacKillop,2015-02-01 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the Field Day anthology editors Maureen O Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers

Irish Literature Since 1800 Norman Vance,2014-06-11 This book surveys Irish writing in English over the last two centuries from Maria Edgeworth to Seamus Heaney to give the literary student and the general reader an up to date sense of its variety and vitality and to indicate some of the ways in which it has been described and discussed It begins with a brief outline of Irish history of Irish writing in Irish and Latin and of writing in English before 1800 Later chapters consider Irish romanticism Victorian Ireland W B Yeats and the Irish Literary Revival new directions in Irish writing after Joyce and the literature of contemporary Ireland north and south from 1960 to the present The Oxford Encyclopedia of British Literature David Scott Kastan,2006-03-03 From folk ballads to film scripts this new five volume encyclopedia covers the entire history of British literature from the seventh century to the present focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland In five hundred substantial essays written by major scholars the Encyclopedia of British Literature includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes movements genres and institutions whose impact upon the writing or the reading of literature was significant An ideal companion to The Oxford Encyclopedia of American Literature this set will prove invaluable for students scholars and general readers For more information including a complete table of contents and list of contributors please visit www.oup.com/us/eb1 Subject Guide to Books in Print ,1991 **Flann O'Brien, Myles na Gopaleen et les autres** Monique Gallagher,1998 Brian O Nolan se distingua sous le nom de plume de Flann O'Brien comme l'auteur d'At Swim Two Birds roman pr curseur du postmodernisme Brian O Nolan est aussi celui qui pendant vingt cinq ans et jusqu'à sa mort signa la chronique Cruiskeen Lawn de l'Irish Times sous le nom de Myles na Gopaleen
