Louise Pepper,2011-04 In creation of Cook Books for Borscht Beyond Book O Beans to be followed by Much Muffins and finally the Novels I started to write I got side tracked by the wonderful world outside It brought to mind a time when my young son and I would make up stories about our surroundings for our amusement to pass idle hours away In this process we were known to give a humanistic life to all manner of things from vehicles to animals Upon witnessing the opening event of Casey rescuing Sidney

I was back in time recalling the joy of the story creation my imagination would add a phase every time I looked out and saw another happening I decided this would be fun to share with children and their parents and perhaps open their minds to the wonders readily surrounding them Life is always fascinating if you give it a chance not always high tech It is a privilege to have friends that will help you in your times of concern So the creation of Got Your Back is about caring and sharing the best things one can do The characters are fictitious the lives are very real Happy Reading May your minds run free to creation
