Flaubert And Joyce The Rite Of Fiction:

Flaubert and Joyce Richard Keith Cross, 1971 Joyce, Bakhtin, and the Literary Tradition M. Keith Booker, 1995
Illuminates James Joyce's relationship to his literary predecessors in new and important ways James Joyce and the Nineteenth-Century French Novel Finn Fordham, Rita Sakr Rita Sakr, 2011-03 The essays of this volume show how Joyce's work engaged with the many upheavals and revolutions within the French nineteenth century novel and its contexts They delve into the complexities of this engagement tracing its twists and turns and reemerge with fascinating and rich discoveries The contributors explore Joyce's explicit and implicit responses to Alexandre Dumas Honoré de Balzac Victor Hugo and Émile Zola and of course Flaubert Drawing from the wide range of Joyce's writings *Dubliners* *A Portrait* *Ulysses* *Finnegans Wake* and his life letters and essays they resituate Joyce's relation to France the novel and the nineteenth century

Masculinities in Joyce, 2021-11-29 **Flaubert and Kafka** Charles Bernheimer, 1982-01-01 Although their styles appear remarkably different Flaubert and Kafka share a common identification with the writing process itself I am a human pen wrote Flaubert I am nothing but literature declared Kafka This stimulating book is the first to explore the link between these writers Introducing his conception of psychopoetics Charles Bernheimer brings new clarity to many controversial issues in psychoanalysis rhetoric and critical theory In chapters on Flaubert and Kafka he probes the desires and fears motivating each writer's search for a fully satisfying literary style His interpretation of the strategies the authors adopt to harness the negativity of writing reveals the creative function of such psychological phenomena as narcissism fetishism and sadomasochism The major works Bernheimer argues dramatize the conflict between the structures of Eros and Thanatos metonymy and metaphor through which they are constituted From this illuminating perspective he traces the genesis of each writer's mature style analyzes two early works *La Tentation de saint Antoine* and *The Judgment* and examines two late masterpieces *Bouvard et Pécuchet* and *The Castle* applying to the latter Walter Benjamin's description of the allegorical mode This highly original work of theoretical criticism will interest not only readers of Flaubert and Kafka but all students of literary theory and the creative process Structure and Theme--Don Quixote to James Joyce Margaret Church, 1983

Joyce/Lowry Patrick A. McCarthy, Paul Tiessen, 2021-10-21 While James Joyce was a central figure of high modernism Malcolm Lowry spoke for the next generation of modernist writers and despite his denials was almost certainly influenced by Joyce Wherever the truth lies there are correspondences and differences to be explored between Joyce and Lowry that are far more interesting than the question of direct influence Despite numerous differences their works have much in common verbal richness experimentation with narrative structure and perspective a fascination with cultural and historical forces as well as with the process of artistic creation and the inclusion of artist figures who are in varying degrees ironic self-portrayals The contributors to *Joyce Lowry* examine the relationship of these two expatriate writers both to each other and to broader issues in the study of literary modernism and its aftermath This collection embraces a variety of approaches The

volume begins with a consideration of Joyce and Lowry as practitioners of Expressionist art and concludes with an essay on John Huston's cinematic interpretation of works by both writers. In between are explorations of nationalism, anti-Semitism, syphilis, mental illness, and authorial design.

Ulysses and the Metamorphosis of Stephen Dedalus Margaret McBride, 2001. This study therefore begins by focusing on the character of Stephen. Stephen is significantly a time-obsessed writer who wishes to obtain the time-transcending status of an Ovid or a Homer. When the wider tale is examined in terms of Stephen's ambition, Ulysses emerges as potentially a self-begetting work that is the finished narration can be read as a creation of the aspiring writer featured within the narrative itself.

BOOK JACKET Ulysses and the Poetics of Cognition Patrick Colm Hogan, 2013-09-05. Given Ulysses perhaps unparalleled attention to the operations of the human mind, it is unsurprising that critics have explored the work's psychology. Nonetheless, there has been very little research that draws on recent cognitive science to examine thought and emotion in this novel. Hogan sets out to expand our understanding of Ulysses as well as our theoretical comprehension of narrative and even our views of human cognition. He revises the main narratological accounts of the novel, clarifying the complex nature of narration and style. He extends his cognitive study to encompass the anti-colonial and gender concerns that are so obviously important to Joyce's work. Finally, through a combination of broad overviews and detailed textual analyses, Hogan seeks to make this notoriously difficult book more accessible to non-specialists.

James Joyce and Modern Literature W. J. McCormack, Alistair Stead, 2015-12-22. This collection, first published in 1982, brings together thirteen writers from a wide variety of critical traditions to take a fresh look at Joyce and his crucial position not only in English literature but in modern literature as a whole. Comparative views of his work include reflections on his relations to Shakespeare, Blake, MacDiarmid, and the Anglo-Irish revival. Essays, stories, and poems all combine to celebrate the major constituents of Joyce's work: his imagination and comedy, his exuberant use of language, his relation to the history of his country and his age, and his passionate commitment to a more veritably human tradition. This title will be of interest to students of literature.

Quare Joyce Joseph Valente, 1998. The first sustained analysis of the place of homoeroticism in Joyce's cultural politics.

In the Company of Strangers Barry McCrea, 2011-06-14. *In the Company of Strangers* shows how a reconception of family and kinship underlies the revolutionary experiments of the modernist novel. While stories of marriage and long-lost relatives were a mainstay of classic Victorian fiction, Barry McCrea suggests that rival countercurrents within these family plots set the stage for the formal innovations of Joyce and Proust. Tracing the challenges to the family plot mounted by figures such as Fagin, Sherlock Holmes, Leopold Bloom, and Charles Swann, McCrea tells the story of how bonds generated by chance encounters between strangers come to take over the role of organizing narrative time and give shape to fictional worlds a task and power that was once the preserve of the genealogical family. By investigating how the question of family is a hidden key to modernist structure and style, *In the Company of Strangers* explores the formal narrative potential of queerness and, in doing so, rewrites the history of the modern novel.

Hofmannsthal's Novel Andreas David H. Miles, 2015-03-08 Although Hofmannsthal never completed his only novel *Andreas* its theme the quest for self through memory haunted the Viennese writer and recurs again and again in his poems libretti and essays Analyzing the fragment David Miles discusses Hofmannsthal's understanding of memory and myth *Andreas* pivotal role in his work and its place within the tradition of such novels as Goethe's *Wilhelm Meister* and Rilke's *Malte* Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Alexandria Still Jane Lagoudis Pinchin, 2015-03-08 Few places have shaped as many sensibilities as the exotic mythical city of Alexandria Jane Lagoudis Pinchin's gracefully written book describes the profound influence exerted by the spirit of Alexandria and the Alexandrian poet C P Cavafy on F M Forster and Lawrence Durrell Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Aesthetics of Gyorgy Lukacs Bela Kiralyfalvi, 2015-03-08 This book length treatment of Gyrgy Lukcs major achievement his Marxist aesthetic theories Working from the thirty one volumes of Lukcs works and twelve separately published essays speeches and interviews Bela Kiralyfalvi provides a full and systematic analysis for English speaking readers Following an introductory chapter on Lukcs philosophical development the book concentrates on the coherent Marxist aesthetics that became the basis for his mature literary criticism The study includes an examination of Lukcs Marxist philosophical premises his theory of the origin of art and the relationship of art to life science and religion and his theory of artistic reflection and realism Later chapters treat the concepts of type and totality in Lukcs category of specialty the distinctions between allegory and symbolism in his theory of the language of art and Lukcs understanding of aesthetic effect and form and content in art There is a separate chapter on Lukcs dramatic theory This lucid and readable account of Lukcs aesthetic theories will be of special interest to students of literature aesthetics and drama In addition it will be appreciated by those generally concerned with Marxist theory Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the

thousands of books published by Princeton University Press since its founding in 1905

The Skeptic Disposition In Contemporary Criticism Eugene Goodheart, 2014-07-14 Eugene Goodheart's remarkably compact and penetrating analysis examines the skeptic disposition that has informed advanced literary discourse over the past generation. Originally published in 1985, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

On the Art of Medieval Arabic Literature Andras Hamori, 2015-03-08 In applying the standards of modern literary criticism to medieval Arabic literature, Andras Hamori concentrates on those aspects of the literature that appear most alien to modern Western taste: the limitation of themes, the sedimentation with conventions, and the use of elusive patterns of composition. The first part of the book approaches Arabic literature from the historical point of view, concentrating on the transformations in poetic genres and poetic attitudes towards time and society in the literature between the sixth and the tenth centuries. The problems of poetic technique are then discussed with special emphasis on poetic unity and the use of conventions. The third part of the book deals with methods of composition in prose through an examination of the orders and disorders in two tales from the Arabian Nights. Originally published in 1974, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Kazantzakis and Linguistic Revolution in Greek Literature Peter Bien, 2015-03-08 Peter Bien focuses on Kazantzakis' obsession with the demotic language on the lips of the people, showing how it governed his writing, his ambition, and his involvement in Greek politics and educational reform. Kazantzakis' obsession worked against him in his *Odyssey* and found its natural vehicle only in his translation of Homer's *Iliad* and his novels *Zorba the Greek*, *The Last Temptation of Christ*, and *The Greek Passion*. Originally published in 1972, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Figure of Dante Jerome Mazzaro, 2014-07-14 Jerome Mazzaro examines Dante's *Vita Nuova* as an artistic correlative to what Dante conceived as an image of himself. Specifically, he explores the structure of the work in relation to medieval views of memory.

self music form and interpretation and against the facts of Dante's life and culture as we have come to know them Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Dubliners James Joyce, 2016-07-15 This group of fifteen brief narratives connected by a place and a time the city of Dublin at the beginning of the twentieth century was written when James Joyce was a precocious young graduate of University College With great subtlety and artistic restraint Joyce suggests what lies beneath the pieties of Dublin society and its surface drive for respectability suggesting the difficulties and despairs that were being endured on a daily basis in the homes pubs streets and offices of the city underemployment domestic violence alcoholism poverty hunger emotional and sexual repression No writer ever took more seriously the details history and culture of a particular place than Joyce did with his home city and these stories combine dark humor with compassion and a searching eye for the causes of suffering This new edition's historical appendices include contemporary reviews among them one by Ezra Pound and materials on religion the struggle for Irish independence and Dublin's musical and performance culture

Decoding **Flaubert And Joyce The Rite Of Fiction**: Revealing the Captivating Potential of Verbal Expression
