Cather Cather Studies,2010-11-01 The essays in Cather Studies Volume 8 explore the many locales and cultures informing Willa Cather's fiction A lifelong Francophile Cather first visited France in 1902 and returned repeatedly throughout her life Her visits to France influenced not only her writing but also her interpretation of other worlds for example while visiting the American Southwest in 1912 a region that informed her subsequent works she first viewed that landscape through the prism of her memories of Provence Cather's intellectual intercourse between the Old and the New World was a two way street moving both people and cultural mores between the two But her worlds extended far beyond France or even geographical locations This new volume pairs Cather innovatively with additional influences theological aesthetic even gastronomical and examines her as tourist and traveler cautiously yet assiduously exploring a diverse range of places ethnicities and professions **BOOK JACKET** *History Play* Rodney Bolt,2008-12-10 Rodney Bolt's delightful life of Marlowe plays out a surprising solution to an enduring literary mystery bringing the spirit of Shakespeare alive as we've never seen it before Rodney Bolt's book is not an attempt to prove that rather than dying at 29 in a tavern brawl Christopher Marlowe staged his own death fled to Europe and went on to write the work attributed to Shakespeare Instead it takes that as the starting point for a playful and brilliantly written fake biography of Marlowe which turns out to be a life of the Bard as well Using real historical sources as well as the occasional red herring plus a generous dose of speculation Bolt paints a rich and rollicking picture of Elizabethan life As we accompany Marlowe into the halls of academia the society of the popular English players traveling Europe and the dangerous underworld of Elizabethan espionage a fascinating and almost plausible life story emerges along with a startlingly fresh look at the plays and poetry we know as Shakespeare's Tapping into centuries of speculation about the man behind the work about whom so few facts are known for sure Rodney Bolt slyly winds the lives of two beloved playwrights into one

Matters of Telling: The Impulse of the Story Carlo Comanducci,Alex Wilkinson,2018-11-26 In this book multiple authors and perspectives converge on the materiality of storytelling in order to court its potentialities and flesh out its tensions Reflecting through its methodological multiplicity not only the vast array of discourses and disciplines that concern themselves with the study of narration but also the various and variable subjects of the act of telling the collective effort of this volume is less to map or track than to amplify the possibilities of contingent situations embodied relations and specific

texts in which beyond the tale the telling itself speaks and matters The Fiction of Julian Barnes Vanessa Guignery,2006-01-23 Julian Barnes s work has been marked by great variety ranging not only from conventional fiction to postmodernist experimentation in such well known novels as Flaubert s Parrot 1984 and A History of the World in 10 1/2 Chapters 1989 but also from witty essays to deeply touching short stories The responses of readers and critics have likewise varied from enthusiasm to scepticism as the substantial volume of critical analysis demonstrates This Readers Guide provides a comprehensive and accessible overview of the essential criticism on Barnes s work drawing from a selection of reviews interviews essays and books Through the presentation and assessment of key critical interpretations Vanessa Guignery provides the most wide ranging examination of his fiction and non fiction so far considering key issues such as his use of language his treatment of history obsession love and the relationship between fact and fiction Covering all of the novels to date from Metroland 1981 to Arthur and George 2005 this is an invaluable introduction to the work of one of Britain s most exciting and popular contemporary writers *Literature of the 1980s: After the Watershed* Joseph Brooker,2012-05-08 From the new generation of London novelists such as Martin Amis and Ian McEwan to feminism in the writing of Angela Carter and Jeanette Winterson Joseph Brooker relates developments in fiction poetry and drama to social change He shows how working class writers such as James Kelman and Tony Harrison protested against Thatcherism and explores the voices of Black British writers including Fred D Aguiar and Hanif Kureishi As for the theory of the decade Brooker relates the rise of postmodernism to the popularity of self conscious modes of writing and other developments in literary theory **Literary Careers in the Modern Era** Guy Davidson,Nicola Evans,2016-04-29 This is the first study of the shape and diversity of the literary career in the 20th and 21st centuries Bringing together essays on a wide range of authors from Australia Canada the United States and the United Kingdom the book investigates how literary careers are made and unmade and how norms of authorship are shifting in the digital era Conversations with Julian Barnes Julian Barnes,2009 Talks with the British author of Flaubert s Parrot and Arthur George *Thinking Poetry* Peter Nicholls,Peter Boxall,2016-03-16 This collection brings together some of the most prominent critics of contemporary poetry and some of the most significant poets working in the English language today to offer a critical assessment of the nature and function of poetic thought Working at once with questions of form literary theory and philosophy this volume gives an extraordinarily diverse original and mobile account of the kind of thinking that poetry can do The conviction that moves through the collection as a whole is that poetry is not an addition to thought nor a vehicle to express a given idea nor an ornamental language in which thinking might find itself couched Rather all the essays suggest that poetry itself thinks in ways that other forms of expression cannot thus making new intellectual political and cultural formulations possible This book was originally published as a special issue of Textual Practice **Julian Barnes from the Margins** Vanessa Guignery,2020-03-05 Exploring the archives of the Man Booker prize winning novelist Julian Barnes including notebooks drafts typescripts and publishing correspondence this book is an
