Einführung In Das Studium Der Afrikanischen Geschichte

Eckhardt Fuchs,Benedikt Stuchtey

Einführung In Das Studium Der Afrikanischen Geschichte:

Einführung in das Studium der afrikanischen Geschichte Leonhard Harding, 1994 [Einführung in die Geschichtswissenschaft I: Grundprobleme, Arbeitsorganisation, Hilfsmittel](#) Barbara Vogel, Heide Wunder, 2013-03-09 Der erste Band der Studienbücher Moderne Geschichte verbindet eine praxisbezogene Einführung in Arbeitsweisen und Hilfsmittel der Geschichtswissenschaft mit einer Erörterung der theoretischen und methodologischen Grundprobleme des Faches Geschichte. Der Aufbau des Bandes orientiert sich an den Bedürfnissen des Studenten und am Arbeitsprozess des Historikers. Die einzelnen Arbeitsschritte werden durchgängig am Beispiel der Preußischen Reformen konkretisiert. Dadurch wird zugleich eine Einführung in ein zentrales Thema der neueren deutschen Geschichte gegeben. [Einführung in das Studium der afrikanischen Geschichte](#) Leonhard Harding, 1992 **Afrikanische Geschichte und Weltgeschichte** Axel Harneit-Sievers, 2021-10-11 Keine aufehrliche Beschreibung für Afrikanische Geschichte und Weltgeschichte verfügbar.

Across Cultural Borders Eckhardt Fuchs, Benedikt Stuchtey, 2001-12-29 This innovative work offers the first comprehensive transcultural history of historiography. The contributors transcend a Eurocentric approach not only in terms of the individual historiographies they assess but also in the methodologies they use for comparative analysis. Moving beyond the traditional national focus of historiography the book offers a genuinely comparative consideration of the commonalities and differences in writing history. Distinguishing among distinct cultural identities the contributors consider the ways and means of intellectual transfers and assess the strength of local historiographical traditions as they are challenged from outside. The essays explore the question of the utility and the limits of conceptions of modernism that apply Western theories of development to non-Western cultures. Warning against the dominant tendency in recent historiographies of non-Western societies to define these predominantly in relation to Western thought the authors show the extent to which indigenous traditions have been overlooked. The key question is how the triad of industrialization, modernization and the historicization process which was decisive in the development of modern academic historiography also is valid beyond Europe. Illustrating just how deeply suffused history writing is with European models the book offers a broad theoretical platform for exploring the value and necessity of a world historiography beyond Eurocentrism. **Das nachkoloniale Afrika** Rainer Tetzlaff, Cord Jakobeit, 2005-03-30 Das Lehrbuch vermittelt fundierte Kenntnisse über die politischen, sozialen und wirtschaftlichen Entwicklungen der Staaten Afrikas. Was sind die internen, externen und strukturellen Ursachen der Marginalisierung des Kontinents und welche Konsequenzen ergeben sich daraus? Zu Beginn des 21. Jahrhunderts besteht kaum Zweifel daran, dass Afrika berwiegend auf der Verliererseite der Globalisierung steht, weil die Wettbewerbsfähigkeit afrikanischer Gesellschaften, Staaten und Volkswirtschaften gegenwärtig und auf absehbare Zeit als gering anzusehen ist. Wie ist es dazu gekommen und muss das so bleiben? Ausgehend von einer Einführung in die geschichtlichen und geographischen Grundlagen von Entwicklung und Unterentwicklung des kolonialen und postkolonialen Afrikas analysiert das Lehrbuch mittels einer

Kombination aus begrifflich theoretischer Reflexion multidisziplin rem Zugriff und anhand von L nderbeispielen Fragen nach Demokratie und Diktatur kultureller Identit t wirtschaftlichen Hemmnissen ethnischen Konflikten und geeigneten Herrschaftsformen Ziel ist es den weit verbreiteten Klischees und Vorurteilen ber den Kontinent die konkrete Vielfalt der politischen gesellschaftlichen und wirtschaftlichen Erscheinungen und Entwicklungen entgegen zu setzen und Erkl rungsversuche zu liefern
