# Eisenhower And The Management Of Prosperity Studies In Government And Public Policy

**Andrea Louise Campbell**

## **Eisenhower And The Management Of Prosperity Studies In Government And Public Policy:**

**Eisenhower and the Management of Prosperity** John W. Sloan, 1991 Three years out of eight President Eisenhower achieved a balanced budget      **Public Budgeting and Finance, Fourth Edition**, Robert T. Golembiewski, 1997-06-09 This incomparable Fourth Edition of a standard reference text has been thoroughly updated and enlarged offering comprehensive coverage of the field in a single source and incorporating entirely new as well as time tested material      **The Politics of Major Policy Reform in Postwar America** Jeffery A. Jenkins, Sidney M. Milkis, 2014-10-31 The Politics of Major Policy Reform in Postwar America examines the politics of recent landmark policy in areas such as homeland security civil rights health care immigration and trade and it does so within a broad theoretical and historical context By considering the politics of major programmatic reforms in the United States since the Second World War specifically courses of action aimed at dealing with perceived public problems a group of distinguished scholars sheds light not only on significant efforts to ameliorate widely recognized ills in domestic and foreign affairs but also on systemic developments in American politics and government In sum this volume provides a comprehensive understanding of how major policy breakthroughs are achieved stifled or compromised in a political system conventionally understood as resistant to major change      Book Review Digest, 1992      *Big Government and Affirmative Action* Jonathan Bean, 2021-10-21 David Stockman Ronald Reagan s budget director proclaimed the Small Business Administration a billion dollar waste a rathole and set out to abolish the agency His scathing critique was but the latest attack on an agency better known as the Small Scandal Administration Loans to criminals government contracts for minority fronts the classification of American Motors as a small business Whitewater and other scandals the Small Business Administration has lurched from one embarrassment to another Despite the scandals and the policy failures the SBA thrives and small business remains a sacred cow in American politics Part of this sacredness comes from the agency s longstanding record of pioneering affirmative action Jonathan Bean reveals that even before the Civil Rights Act of 1964 the SBA promoted African American businesses encouraged the hiring of minorities and monitored the employment practices of loan recipients Under Nixon the agency expanded racial preferences During the Reagan administration politicians wrapped themselves in the mantle of minority enterprise even as they denounced quotas elsewhere Created by Congress in 1953 the SBA does not conform to traditional interpretations of interest group democracy Even though the public and Congress favors small enterprise there has never been a unified group of small business owners requesting the government s help Indeed the SBA often has failed to address the real problems of Mom and Pop shop owners fueling the ongoing debate about the agency s viability      Spaceflight and the Myth of Presidential Leadership Roger D. Launius, Howard E. McCurdy, 1997 Setting the tone for the collection NASA chief historian Roger D Launius and Howard McCurdy maintain that the nation s presidency had become imperial by the mid 1970s and that supporters of the space program had grown to find relief in such a presidency which they believed could help them obtain greater political support

and funding Subsequent chapters explore the roles and political leadership vis vis government policy of presidents Eisenhower Kennedy Johnson Nixon Ford Carter and Reagan *Eisenhower* P G. Boyle,2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th Century American History and American Studies **A Companion to Dwight D.**

**Eisenhower** Chester J. Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history [Bibliographie Mensuelle](#) United Nations Library (Geneva, Switzerland),1992 *Taxation and Resentment* Andrea Louise Campbell,2025-06-10 Why Americans favor progressive taxation in principle but not in practice Most Americans support progressive taxation in principle and want the rich to pay more But the specific tax policies that most favor are more regressive than progressive What is behind such a disconnect In this book Andrea Louise Campbell examines public opinion on taxation exploring why what Americans favor in principle differs from what they accept in practice Campbell shows that since the federal income tax began a century ago the rich have fought for lower taxes through reduced rates and a complicated system of tax breaks The resulting complexity leaves the public confused about who benefits from the convoluted tax code and leads to tax preferences that are driven by factors other than principles or interests Campbell argues that tax attitudes vary little by income or by party as some Democrats more Republicans and even more independents want most taxes decreased Instead white opinion on nearly every tax is racialized Many do not realize the rich benefit the most from tax breaks attitudes toward which are racialized too And among Black and Hispanic Americans long subject to government coercion greater support for government spending is not matched by greater support for taxation Everyone has a reason to dislike taxes which helps antitax Republicans win votes and helps the rich in their long campaign to get their own taxes reduced and undermine progressivity **The Power Problem** Christopher A. Preble,2011-05-15 Numerous polls show that Americans want to reduce our military presence abroad allowing our allies and other nations to assume greater responsibility both for their own defense and for enforcing security in their respective regions In The Power Problem

Christopher A Preble explores the aims costs and limitations of the use of this nation's military power throughout he makes the case that the majority of Americans are right and the foreign policy experts who disdain the public's perspective are wrong Preble is a keen and skeptical observer of recent U S foreign policy experiences which have been marked by the promiscuous use of armed intervention He documents how the possession of vast military strength runs contrary to the original intent of the Founders and has as they feared shifted the balance of power away from individual citizens and toward the central government and from the legislative and judicial branches of government to the executive In Preble's estimate if policymakers in Washington have at their disposal immense military might they will constantly be tempted to overreach and to redefine ever more broadly the national interest Preble holds that the core national interest preserving American security is easily defined and largely immutable Possessing vast military power in order to further other objectives is he asserts illicit and to be resisted Preble views military power as purely instrumental if it advances U S security then it is fulfilling its essential role If it does not if it undermines our security imposes unnecessary costs and forces all Americans to incur additional risks then our military power is a problem one that only we can solve As it stands today Washington's eagerness to maintain and use an enormous and expensive military is corrosive to contemporary American democracy *American Book Publishing Record*, 1999

**The Presidency and Public Policy Making** George C. Edwards, Steven A. Shull, 1985-12-15 The premise behind this book is that policy making provides a useful perspective for studying the presidency perhaps the most important and least understood policy making institution in the United States The eleven essays focus on diverse aspects of presidential policy making providing insights on the presidency and its relationship to other policy making actors and institutions Major topics addressed include the environment of presidential policy making and the constraints it places on the chief executive relationships with those outside the executive branch that are central to presidential policy making attempts to lead the public and Congress presidential decision making and administration or implementation of policies in the executive branch a topic that has received limited attention in the literature on the presidency [Washington Information Directory 2012-2013](#) CQ Press, 2012-07-20 Lists addresses and telephone and fax numbers for federal agencies Congress and nongovernmental organizations in Washington D C *Washington Information Directory 2008-2009* CQ Press, 2008-06-25 Lists addresses and telephone and fax numbers for federal agencies Congress and nongovernmental organizations in Washington D C

[Women's Work and Public Policy](#) Kathleen A. Laughlin, 2000 For over seventy five years the Women's Bureau a division of the U S Department of Labor has played a major part in the struggle for equal rights In this institutional history Kathleen A Laughlin offers the fullest account to date of the Women's Bureau during the post World War II era showing how its long tradition of linking government with grassroots constituents supported and sustained the political milieu for women's rights activism in the 1940s and 1950s and set the foundation for resurgent feminism in the 1960s This insightful study chronicles how the federal agency's quiet backstage activism promoted an economic agenda for women and

paved the way for more public center stage feminist advocacy It challenges traditional beliefs that women s activism was dormant during the 1940s and 1950s and makes a significant contribution to revisionist scholarship on social and political reform movements in the postwar decades      *Great Lakes Restoration Management* United States. Congress. Senate. Committee on Governmental Affairs. Subcommittee on Oversight of Government Management, the Federal Workforce, and the District of Columbia,2003      *The Eisenhower Years* Michael S. Mayer,2009 The 34th U S president to hold office Dwight D Eisenhower won America over with his irresistible I like Ike slogan Bringing to the presidency his prestige as a commanding general during World War II he worked incessantly during his two terms to ease the tensions of the cold war Pursuing the moderate policies of Modern Republicanism he left a legacy of a stronger and more powerful nation From his crucial role in support of Brown v Board of Education to the National Defense Education Act *The Eisenhower Years* provides a well balanced study of these politically charged years Biographical entries on key figures of the Eisenhower era such as Allen W Dulles Joseph R McCarthy and Rosa Parks combine with speeches such as the Military Industrial Complex speech the Open Skies proposal the disturbance at Little Rock address Eisenhower Doctrine and his speech after the Soviet launch of Sputnik to give an in depth look at the executive actions of this administration      **Washington Information Directory 2013-2014** CQ Press,2013-07-15 Washington Information Directory is the essential one stop source for information on U S governmental and nongovernmental agencies and organizations It provides capsule descriptions that help users quickly and easily find the right person at the right organization Washington Information Directory offers three easy ways to find information by name by organization and through detailed subject indexes More than just a directory it also includes reference boxes and organization charts With more than 10 000 listings the 2013 2014 edition of Washington Information Directory features contact information for Congress and federal agencies Nongovernmental organizations Policy groups foundations and institutions Governors and other state officials U S Ambassadors and foreign diplomats Washington Information Directory also features up to date contact information for the high level advisory positions or czars appointed by President Obama including those that oversee the automobile industry green energy healthcare technology and stimulus accountability      **The Cumulative Book Index** ,1991 A world list of books in the English language
