Either Jew Or Gentile Pauls Unfolding Theology Of Inclusivity:

Either Jew Or Gentile Eung Chun Park,2003-01-01 In this book Eung Chun Park reconstructs a focused and coherent narrative of the last two decades of the life of Paul as it revolved around the Gentile mission The result is a detailed and thorough analysis of the Pauline letters that demonstrates how Paul s theology changed over the course of his life as a consequence of his struggle to defend the gospel against the attacks from people who advocated a different kind of gospel This book traces the development of the two gospels one that advocated freedom from circumcision and one that advocated observance of circumcision as they encountered such landmark events as the Apostolic Council in Jerusalem the Antioch incident the Galatian incident the Corinthian incident and Paul s last visit to Jerusalem *Evangelical Theology, Second Edition* Michael F. Bird,2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world Paul and Judaism Reimund Bieringer,Didier Pollefeyt,2012-03-08 The New Perspective on Paul cleared Judaism contemporary to Paul of the accusation that it was a religion based on works of righteousness Reactions to the New Perspective both positive and critical and sometimes even strongly negative reflect a more fundamental problem in the reception of this paradigm the question of continuity and discontinuity between Judaism and Christianity and its assumed implications for Jewish Christian dialogue A second key problem revolves around Paul s understanding of salvation as exclusive inclusive or pluralist The contributions in the present volume represent at least six approaches that can be plotted along this axis considering Paul s theology in its Jewish context William S Campbell and Thomas R Blanton consider Paul s Covenantal Theology Michael Bachman provides an exegetical study of Paul Israel and the Gentiles and Mark D Nanos considers Paul and Torah After this chapters by Philip A Cunningham John T Pawlikowski Hans Joachim Sander and Hans Herman Henrix give particular weight to questions of Jewish Christian dialogue The book finishes with an epilogue by pioneer of the New Perspective James D G Dunn *Unity and Diversity in Christ* William S Campbell,2017-03-31 The legacy

of Pauline scholarship from ancient to modern is characterised by a surfeit of unsettled conflicting conclusions that often fail to interpret Paul in relation to his Jewish roots William S Campbell takes a stand against this paradigm emphasising continuity between Judaism and the Christ movement in Paul's letters Campbell focusses on important themes such as diversity identity and reconciliation as the basic components of transformation in Christ The stance from which Paul theologises is one that recognises and underpins social and cultural diversity and includes the correlating demand that because difference is integral to the Christ movement the enmity associated with difference cannot be tolerated Thus reconciliation emerges as a fundamental value in the Christ movement Reconciliation in this sense respects and does not negate the particularities of the identity of Jews and those from the nations In this paradigm transformation implies the re-evaluation of all things in Christ whether of Jewish or gentile origin *Renaming Abraham's Children* Robert B. Foster, 2016-07-25 In this study Robert B Foster explores the intersection between the interpretation of Scripture and the construction of communal identities He argues that in Rom 9 Paul applies prophetic texts from Malachi Hosea and Isaiah to the story of Abraham's children in Genesis These interpretive maneuvers enable Paul to extrapolate from the patriarchal narratives a specific construal of election it is the ironic privilege of being simultaneously God's chosen and rejected people This understanding of election he in turn applies to Gentile Christ followers the remnant and all Israel in order to build for them an all encompassing yet differentiated Abrahamic identity for the messianic age **An Anomalous Jew** Michael F. Bird, 2016-11-11 Lively well informed portrait of the complex figure who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why An Anomalous Jew presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul's thinking and worldview *Paul's Designations of God in Romans* Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul's ways of characterizing God in Romans and finds that Paul's divine designations in the letter trace God's essential salvific activities Meanwhile special emphasis is put on the inclusion of Gentiles in God's plan of salvation If You Call Yourself a Jew Rafael Rodriguez, 2015-03-26 If You Call Yourself a Jew reads Paul's letter to the Romans as a dialogue between Paul and a gentile proselyte to Judaism This fresh reading brings Romans into focus as Paul's exposition of the revelation of God's righteousness his faithfulness to his covenant promises to Abraham which is brought to climax in the announcement that **Premodern Monsters: A Varied Compilation of Pre-modern Judeo-Christian and Japanese Buddhist Monstrous Discourses** Allan Wright, 2024 Monster Studies is a rising academic topic Despite hesitancy at first

the subject is now examined by scholars of various academic interests and backgrounds. However, the dominant monster investigations are from the post 1900s. This volume focuses on Premodern monsters. The purpose of this volume is to examine various monsters from diverse cultures in order to indicate how each monstrous discourse derives from their mythology's socio-cultural context. The volume examines several Monsters within their socio-cultural matrix. This includes a variety of monstrosities from diverse cultures and periods. Namely, the examined creatures or perceived creatures stem from the Hebrew Bible, the New Testament, Pauline epistles, Reformation England, the Japanese Noh play *D j ji Yamauba*, Myths and Y kai Relics from early modern Japanese Buddhism.

Jews Or Christians? Giorgio Jossa, 2006. When was Christianity born? When was it that Christianity born as a particular current within Judaism constituted itself as a religion different and separate from the Jewish religion? The question has been asked and the problem has therefore been considered since the historical critical investigation of Christian origins began. However, the problem has become acute only in the last few decades because of the occurrence of a whole series of circumstances and of reflections that have deeply changed the historiographic understanding regarding Judaism in the first century and thus the origins of Christianity as well. Traditional opinion considered the founders of Christianity to be Jesus of Nazareth and Paul of Tarsus. Recent studies, however, affirm that a Christian religion as distinct from the Jewish religion can be spoken of only much later and that for the entire first century and for at least a part of the second century Christianity was nothing more than a sect within Judaism. Dealing with the problem from an historical point of view and thus considering not only Christianity of Jewish origin but also that of gentile origin, Giorgio Jossa demonstrates that the birth of a Christian identity as distinct from Jewish identity must actually be dated back to the first period of life of the community of Jesus.

Romans Craig S. Keener, 2011-05-26. A helpfully concise commentary on Paul's letter to the early Christians in Rome which the Apostle wrote just a few years before the outbreak of Nero's persecution. Keener examines each paragraph for its function in the letter as a whole, helping the reader follow Paul's argument. Where relevant, he draws on his vast work in ancient Jewish and Greco-Roman sources in order to help modern readers understand the message of Romans according to the way the first audience would have heard it. Throughout, Keener focuses on major points that are especially critical for the contemporary study of Paul's most influential and complex New Testament letter.

Evangelical Theology Michael F. Bird, 2013-10-29. Evangelical Theology is a systematic theology written from the perspective of a biblical scholar. Michael F. Bird contends that the center, unity, and boundary of the evangelical faith is the evangel, the gospel, as opposed to things like justification by faith or inerrancy. The evangel is the unifying thread in evangelical theology and the theological hermeneutic through which the various loci of theology need to be understood. Using the gospel as a theological leitmotif, an approach to Christian doctrine that begins with the gospel and sees each loci through the lens of the gospel, this text presents an authentically evangelical theology as opposed to an ordinary systematic theology written by an evangelical theologian. According to the author, theology is the drama of gospelizing.

performing and living out the gospel in the theatre of Christian life The text features tables sidebars and questions for discussion The end of every part includes a What to Take Home section that gives students a run down on what they need to know And since reading theology can often be dry and cerebral the author applies his unique sense of humor in occasional Comic Belief sections so that students may enjoy their learning experience through some theological humor added for good measure

The Divine Father Felix Albrecht, Reinhard Feldmeier, 2014-02-06 The present volume is devoted to the theme of Divine Father in Second Temple Jewish and early Christian tradition and in its ancient pagan contexts It brings together proceedings of a conference under the same title held in G ttingen in September 2011 Selected articles by well known scholars focus on religious and philosophical concepts of divine parenthood in antiquity from the Hebrew Bible and Second Temple Judaism the Dead Sea Scrolls Targums Philo and Josephus to the field of the New Testament In addition the volume deals with the designation of deity as father or mother from the broad spectrum of ancient Egypt and classical antiquity Homer Hesiod Plato and its reception to late antiquity Plotinus and Porphyry

Currents in the Interpretation of Paul Neil Elliott, 2024-09-05 The apostle Paul has long been championed or criticized as a Christian thinker as a brilliant theological genius or an enthusiastic convert who spun arguments to justify his new allegiances In these essays Neil Elliott engages some of the most provocative currents in contemporary scholarship including Paul and the nature of violence the presumptions of religious cultural or national innocence in particular interpretations of the apostle the recent enthusiasm for Paul in some streams of Marxist thought competing construals of economic realities in Paul s day and our own and questions surrounding Paul s legacy today
