if a book existed that gave answers to everything you've ever wondered about. What would you do to learn its secrets? Tales of such books have abounded for millennia and are legend in occult history. One of the most pervasive modern iterations is that of the Necronomicon, said to be a genuine occult text from the 8th century. The Necronomicon really is the creation of science fiction writer H. P. Lovecraft (1891-1937) in whose books the magic volume first appears in print. In *The Necronomicon Files*, two occult authorities explore all aspects of The Necronomicon from its first appearance in Lovecraft's fiction to its ongoing pervasive appearance in cult and occult circles. The *Necronomicon Files* revised and expanded further reveals the hoax of the Necronomicon. Harms and Gonce show that the apocryphal history of the Necronomicon was concocted by Lovecraft to lend it verisimilitude in his fiction. The magical text was transformed into an icon among Lovecraft's literary circle who added to the book's legend by referring to it in their own writing. People became convinced that it was a real book and its references in literature and film continue to grow. The book also examines what people have undergone to find the Necronomicon and the cottage industry that has arisen over the past three decades to supply the continuing demand for a book that does not exist. Scholarly yet accessible, humorous and intriguing, *The Necronomicon Files* illuminates the depth of the creative process and the transformations of modern myth while still managing to preserve much of the romance and fascination that surrounds the Necronomicon in our culture.

Necro Files: Two Decades of Extreme Horror George R.R. Martin, Edward Lee, Bentley Little, Joe R. Lansdale, Randy Chandler, Graham Masterton, 2014-12-21. Spanning over twenty years, 20 masters and modern authors of hardcore horror share their most bad ass stories in this special edition from Comet Press. Many hard to find and out of print, some that were banned. *Necro Files* covers every imaginable mode of mayhem including serial killers, necrophilia, cannibals, werewolves, zombies, sex fetishes, psychopaths, snuff, occult, and more stories that dial into the dark side of human nature.

Watson,J. Francis Watson,John H. Ahtes,Earl H. Schandelmeier III,2006-07-30 In 1832 57 Irish Catholic workers were brought to the United States to lay one of the most difficult miles of American railway Duffy s Cut of the Pennsylvania Railroad These men were chosen because in the eyes of the railroad company that hired them they were expendable Deaths were common during the building of the railway but this

stretch was worse than most When cholera swept the camp basic medical attention and community support was denied to them In the end all 57 men the entire work crew died and were buried in a mass unmarked grave Their families in Ireland were never notified about what happened to them The company did its best to cover up the incident which was certainly one of the worst labor tragedies in U S history Set against the backdrop of a rapidly industrializing America this book tells the story of these men the sacrifices they made and the mistreatment that claimed their lives The saga of Duffy s Cut focuses particularly on the Irish laborers who built the railroads Who were these men Who hired them Why did they come Perhaps most important why did they die Based on archaeological digs at the site and meticulous historical research the authors argue that the annihilation of the work crew came about because of the extreme conditions of their employment the prejudice of the surrounding community and the vigilante violence that kept them isolated In shedding light on this tragic chapter in American labor history The Ghosts of Duffy s Cut also illuminates a dark side of America s rise to greatness

The Resurrection Mary Files Adam Selzer, 2012-10-08 Vanishing hitchhiker stories are everywhere there are variations in books in country songs and even in movies No one knows for sure how old such stories are but by the middle of the 20th century the vanishing hitchhiker was a part of American folklore nationwide Chicago s Resurrection Mary is one of the oldest and most enduring of the vanishing hitchhiker stories Join paranormal authority Adam Selzer as he shares dozens of Resurrection Mary stories and sifts through his personal database of facts surrounding Archer Avenue s most famous apparition This e book includes an excerpt from Adam Selzer s popular book Your Neighborhood Gives Me the Creeps
