Ghosthunters John B Kachuba, 2007-07-13 In *Ghosthunters* John Kachuba explores some of America's great haunts while he introduces us to the people who actually go searching for ghosts. His writing takes the reader on a haunted journey it's like riding shotgun with him while he creeps through haunted asylums, abandoned farmhouses and historic battlefields and speaks with some of the biggest names in this field of study. If something goes bump in the night, have no fear. John Kachuba won't be far behind Jeff Belanger, founder of Ghostvillage.com and author of *The World's Most Haunted Places*. Why do ghosts fascinate so many people? To answer that question, writer and paranormal researcher John Kachuba, aka The Ghosthunter, investigates haunted locations throughout the country and interviews scores of people who have had paranormal encounters. The author discovers a growing interest in ghosts today which has spurred an American pop culture phenomenon based on the supernatural. Combining his case reports of actual hauntings, discussions with leading figures in the paranormal world and stories about related subjects, buying ghosts on eBay, buying and selling haunted houses, ghost tourism, *Ghosthunters* presents an intriguing and witty look at America's paranormal world. Set off down the trail of the paranormal and read about a ghost hunt in a Connecticut coffee shop with lay religious demonologist David Considine. Spending the night with the ghost of Miss Lily at St. Augustine, Florida's historic St. Francis Inn. Spiritualist minister Rev. Rose Vanden Eynden's abilities to talk with the dead. The search for the headless inmate on a ghost hunt at West Virginia's Moundsville State Penitentiary. **One Last Time** Denise Daisy, 2015-08-04 When it comes to love, time is all they need. Averie is terrified of anything remotely scary, but when she finds herself short of cash, she has no choice but to work on the catering staff at the creepy historic Faulkner mansion. The Faulkner Plantation was the site of a bloody massacre in the 1800s and the event is an attempt to change its reputation. There's just one catch: the host has more in store than dinner. Soon Avery, along with a handsome guest named Quillan, is transported back in time. It's one month before the massacre and Avery and Quillan must find the courage to do more than survive. Together they must uncover the truth about the Faulkner family and try to stop the murders. But as Avery and Quillan grow closer, the stakes are higher than they expected. Will they be able to put their feelings aside to change the past and find life and love in the place Avery fears the most? 60,000 Words [The Routledge Introduction to the American Ghost Story](#) Scott Brewster, Jeffrey Andrew Weinstock, 2024-07-24 This book traces the historical development of the American ghost story from its Indigenous, Puritan and Enlightenment origins to its heyday in the nineteenth century and continued vibrancy in modern literary and visual culture. It explores the main tropes, thematic preoccupations, principal settings and stylistic innovations of literary ghost stories in the United States and the ghost story's rich afterlife in cinema, television and digital culture. Throughout, the role played by ghost stories in nation building and the questions these tales raise about race, class, sexuality, religion and science will be examined. The book examines major practitioners in the field such as Nathaniel Hawthorne, Washington Irving, Shirley Jackson, Henry James, Stephen King, Toni Morrison, Joyce Carol Oates and

Edith Wharton alongside prominent ghost narratives in cinematic televisual and online form including podcasts gaming and ghost hunting apps This study also gives a new prominence to neglected or less familiar authors including BIPOC writers who have helped to shape the American ghost story tradition **The Horse Show Monthly** ,1906 Historic Haunted America Michael Norman,Beth Scott,2007-09-18 A coast to coast tour of places that eyewitnesses claim have been and may still be haunted from the former Peoria State Hospital in Illinois to San Diego s historic Whaley House Museum *The Bookman* ,1914 A comprehensive commentary on the Qurán, comprising Sale's tr. and prelim. discourse, with additional notes and emendations by E.M.
