Ghost Radio:

Ghost Radio Leopoldo Gout, 2010-02-23 From a haunting new voice comes a thrilling deeply eerie novel of mystery suspense and the paranormal in the tradition of Dean Koontz and Stephen King *Ghost Radio* Leopoldo Gout, 2018-05-15 In this chilling first novel by filmmaker composer and graphic novelist Leopoldo Gout a ghost story call in program opens a doorway into the paranormal A deliciously creepy yarn Booklist From the cramped bowels of a dimly lit radio station Ghost Radio is beamed onto the airwaves More than a call in show to tell scary stories about vampires and poltergeists Ghost Radio is a sanctuary for those sleepless denizens of the night lost halfway between this world and the next Joaquin the hip melancholy host sits deep in a fog of cigarette smoke fielding calls from believers and detractors alike He is joined in the booth by his darkly beautiful girlfriend Alondra and his engineer Watts Soon what began as an underground cult sensation is primed to break out to mainstream audiences When a huge radio conglomerate offers to syndicate the show and Ghost Radio becomes a national hit with an expanding legion of hardcore fans neither Joaquin Alondra nor Watts is remotely prepared for what is about to happen When Joaquin notices a curious and troubling phenomenon he is inexplicably drawn further and further into the terrifying stories he solicits on the radio As he slowly loses control over his reality and finds himself unable to distinguish between the real world and the world populated by the nightmares on Ghost Radio he is forced to confront his past and his own mortality in order to repair the crumbling wall between the living and the dead **Ghost Radio** Craig A. Price, 2023-03-03 The crew of the Ghost a ragtag group of misfits led by Captain Daniel is on a routine mission in deep space when they stumble upon a mysterious radio signal As they investigate they uncover an array of ancient technology and artifacts including records 8 tracks cassettes and more all millions of lightyears away from Earth Their journey takes an unexpected turn when they discover a wormhole and a radio signal being transmitted through it Despite the danger Daniel and his crew embark on a mission to explore the other side of the wormhole and discover who or what is behind the signal As they journey through space the crew encounters a range of challenges and surprises including hostile aliens and the revelation of a devastating interstellar conflict Despite the odds Daniel and his team remain determined to complete their mission and return to Earth to warn of the impending threat Filled with snarky characters humor and a little bit of hard science Ghost Radio is the perfect sci fi adventure for fans of Star Trek The Orville and anyone who loves a good space exploration story Get your copy now and join the crew of the Ghost on their journey through the cosmos *Ghost Radio* Foxglove Lee, 2018 When Lana spends the summer with her cousin Emily it's a country mouse city mouse situation Lana loves exploring the woods around Emily's house She's so excited to get away from construction sites and skyscrapers But when the cousins find a mysterious old time radio in a dilapidated shack that's when the trouble begins Emily can't get enough of the music it plays She's obsessed with the strange ethereal sounds What's worse is that there are tales of a ghostly DJ who draws teens to their deaths Could Emily be next on his list Queer Ghost Stories are standalone tales that can be read

Emergency Broadcasting and 1930s American Radio Edward D. Miller, 2003 The voice we hear on the radio the voice with no body attached is a key element in the history of media in the twentieth century Before television and the internet there was radio and much of what defined the makeup of these newer media was influenced by the way radio was broadcast to people and the way people listened to it *Emergency Broadcasting* focuses on key moments in the history of early radio in

order to come to an understanding of the role voice played in radio to describe national crises a fictional invasion from outer space and general entertainment Taking the Hindenburg disaster The War of the Worlds hoax Franklin Roosevelt's Fireside Chats and the serial mystery The Shadow as his focal points Edward Miller illustrates how the radio for the first time instantly communicated to a mass audience and how that communication where the voice counts more than the image is still at work today in television and the World Wide Web Theoretically sophisticated yet grounded in historical detail Emergency Broadcasting offers a unique examination of radio and at the same time develops a complex understanding of the media whose birth is owed to the innovations and disembodied power established by it Author note Edward D Miller is Chair of the Department of Media Culture at The College of Staten Island CUNY

Outskirts of Galaxy Clusters (IAU C195) International Astronomical Union. Colloquium, 2004-12-16 This book contains the proceedings of the International Astronomical Union Colloquium no 195 held in Torino Italy in 2004 The meeting investigated the formation of galaxies within a full cosmological context focusing on the outer regions of galaxy clusters The observed correlation of optical and radio properties of galaxies with their environment indicates that the formation and evolution of galaxies is intimately linked to the formation of large scale structure With chapters written by leading authorities in the field this timely volume investigates the role of the environment in determining the properties of galaxies It describes the distribution of matter and galaxies on the largest scales in the Universe the processes of cluster and galaxy formation their role and interplay This is a valuable collection of review articles for professional astronomers
