BURNING THE GHOST LIGHT

A dark, atmospheric illustration of a stage. In the center, a microphone stand is illuminated by a spotlight, creating a bright, circular glow. The background is dark, with faint silhouettes of people standing on the stage, suggesting a performance or a gathering. The overall mood is mysterious and dramatic.

Burning the Ghost Light Caitlin Conlon, 2025-09-09 We all have a stage but what happens when the lights go out A poetic exploration of the masks we wear and the truth that lies beneath *Burning The Ghost Light* is a striking new poetry collection that invites readers into a world where theater and life intersect Through four carefully crafted acts the collection unpacks the roles we play in our relationships whether with our parents our lovers or even the reflection in our own mirrors Inspired by the dramatic elements of the stage the collection features a cast of characters dialogue and vivid theater imagery creating a reading experience that feels both introspective and performative The poems delve into the ways we perform for others without even realizing it and how that performance shapes our identities over time What happens when we strip away the masks we've worn for so long What truths are left behind when the lights fade and the curtain falls With themes of mental health the loss and rediscovery of love coming of age realizations and the imperfect nature of family *Burning The Ghost Light*

The Comedy of Agony Christopher Spranger, 2006 Cultural Writing Philosophy and Religion Poetry Christopher Spranger describes *THE COMEDY OF AGONY A BOOK OF POISONOUS CONTEMPLATIONS* as an attempt to rewrite Dante's *Divine Comedy* while leaving out the word God The result is a series of short aphorism like pieces that become as humorous as they are dismal A life without suffering belongs to the same order of ideas as a soup without broth We are accustomed to talk about catastrophe as if it were an unwelcome guest and not a secretly wished for deliverance from the tedium of life Spranger's first book *THE EFFORT TO FALL* is also available from SPD

Influential Ghosts Rachel Wetzsteon, 2013-10-18 *Influential Ghosts A Study of Auden's Sources* explores some of the most important literary and philosophical influences on W H Auden's poetry The study attempts to show that Auden's poetry derives much of its interest from the vast range of authors on whom he drew for inspiration But it also suggests that his relationship to these writers was marked by a fascinating ambivalence In chapters on Auden's relationship to Hardy and Kierkegaard the study shows how after lovingly apprenticing himself to their work and often borrowing stylistic or thematic features from it Hardy's sweeping hawk's vision Kierkegaard's urgent leap of faith he began to criticize the very things he had previously striven to emulate In a chapter on Auden's elegies the author argues that alone among examples of this poetic genre they both reverently mourn and harshly scrutinize their subjects Yeats Freud Henry James and others In a chapter on structural allusion in Auden's early poetry the study posits that Auden singlehandedly invented a new kind of allusion in which he alludes to the form and subject matter of entire poems But while doing so he also finds fault with the attitudes passivity despair depicted in them In these structurally allusive poems as with his relationship to Hardy Kierkegaard and his elegies subjects Auden's sometimes accepting sometimes skeptical attitude toward his poetic models is on powerful display and finds a perfect counterpart in the tension between imitative form and critical content **Poetry of Life** Gwenda

Cousins, 2016-11-07 I have enjoyed collating the poems for my first book The book of poetry came about when I met a young woman going through a very tough time in life As she told me her story she expressed her belief that butterflies were inspirational That night I went home and wrote *The Butterfly* for her Although our paths have not crossed for many years I feel the poem was a comfort to her as she was grateful when I wrote the poem for her From that time on I began to write more often Sometimes just a word or image would bring a poem to my mind I wrote *Devotion* for a man who was caring for his very ill wife His kindness and caring touched me deeply as he was so loving I wrote *The Old House* about a derelict farmhouse Some time after I wrote this poem the old house was pulled down and a new house built in its place One day I decided to take a copy of *The Old House* to the owners After the owners read the poem they told me I had written their life story without having met them I wrote *Homeless and Broke* in Houston Texas in the United States We stopped at traffic lights there and at one I saw the homeless man The poem immediately came to mind After I write a poem I rarely change it Words come to mind that fit my thoughts I wrote *The Elephant* for a friend who was experiencing troubled times This friend took comfort in elephants with their trunks up **The Poetry of Derek Mahon** Hugh Haughton, 2010-10-21 Derek Mahon

is one of the leading poets of his time both in Ireland and beyond famously offering a perspective that is displaced from as much as grounded in his native country From prodigious beginnings to prolific maturity he has been through thick and thin through troubled times and other a writer profoundly committed to the art of poetry and the craft of making verse He has also been no less a committed reviser of his work believing the poem to be more than a record in verse but a work of art

never finished This virtuoso study by Hugh Haughton provides the most comprehensive account imaginable of Mahon s oeuvre Haughton s brilliant writing always serves and illuminates the poetry yielding extraordinary insights on almost every page The poetry its revisions and reception are the subject here but so thorough is the approach that what is offered also amounts indirectly to an intellectual biography of the poet and with it an account of Northern Irish poetry vital to our understanding of the times
