He-Man Mastered the Universe Brian C. Baer, 2017-03-21 Elaborate cinematic universes and sophisticated marketing tie-ins are commonplace in entertainment today. It's easy to forget that the transmedia trend began in 1982 with a barbarian action figure. He-Man and the other characters in Mattel's popular *Masters of the Universe* toy line quickly found their way into comic books, video games, multiple television series, and a Hollywood film. The original animated series (1983-1985) was the first based on an action figure, and the cult classic *Masters of the Universe* (1987) was the first toy-inspired live-action feature film. But it wasn't easy: He-Man faced adversaries more dangerous than Skeletor; entertainment lawyers; Hollywood executives; even the Reagan administration. The heroes and villains of Eternia did more than shape the childhoods of the toy-buying public; they formed the modern entertainment landscape. **Focus On: 100 Most Popular United States National Film**
