The Definitive Book on the Afterlife Patricia Hayes, 2020-12-03 This extraordinary book includes a broad spectrum of information that is focused into an easy to understand single best source on the Afterlife. Death cannot separate us. Unlike all other books on this topic, *The Definitive Book of the Afterlife* introduces an astonishing new way of looking at the Afterlife. It is very different and profound, a true documentary that shares in depth information and detailed experiences of dying, death, transition, and existence in the Afterlife, actual experiences. In the very early stages of writing *The Definitive Book on the Afterlife*, Marshall Smith unexpectedly passed away through a tragic accident. However, he continued to contribute to the book by sharing his personal experiences of dying, death, and the Afterlife. Patricia Hayes highly experienced in communicating with those in the Afterlife and having shared this process with Marshall for three decades, documented over a hundred communications with Marshall, who now in the Afterlife, provided detailed information that greatly influenced the content and direction of this book. The information about the Afterlife conveyed in this book comes from Patricia Hayes, decades of first-hand experience with helping others to cross over and with her frequent communication, not only with her husband but also with her brother Fred. She shares intimate details of Marshall's dying, including his moment of death, transition, and acclimation to the Afterlife, intimate details that are made possible through their deep love and dedication to their personal and working relationship. Using Marshall's observations and understanding of his existence in the Afterlife, Patricia draws comparisons between the physical levels of consciousness and the levels of consciousness in the Afterlife so that you will know what to expect and how to function. Practical and easy to understand, you discover what the transition process is like, how the Earth and Afterlife are intertwined, how to determine your place in the Afterlife, and most important, how to communicate with your loved ones who are in the Afterlife while you are still here on Earth. *The Definitive Book on the Afterlife* transcends religious views of dying to share first-hand direct experience with the process of dying and death, as well as the realities of being in the Afterlife. One thing is for sure: you will never look at dying and death the same way again. Inspirational, transformative, comforting, reassuring, it is a must read.
