**The Revelation of Jesus Christ as the Son of Man. The Mystery of the Seven Stars and the Seven Golden Candlesticks ...** Brother Thomas (of the Agapēmonè.),1862      *The work of the Holy Ghost in the present dispensation* John Hawker,1884      *The Ghosts of Johns Hopkins* Antero Pietila,2018-11-02 Johns Hopkins destroyed his private papers so thoroughly that no credible biography exists of the Baltimore Quaker titan One of America's richest men and the largest single shareholder of the Baltimore Ohio Railroad Hopkins was also one of the city's defining developers In *The Ghosts of Johns Hopkins* Antero Pietila weaves together a biography of the man with a portrait of how the institutions he founded have shaped the racial legacy of an industrial city from its heyday to its decline and revitalization From the destruction of neighborhoods to make way for the mercantile buildings that dominated Baltimore's downtown through much of the 19th century to the role that the president of Johns Hopkins University played in government sponsored Negro Removal that unleashed the migration patterns that created Baltimore's existing racial patchwork Pietila tells the story of how one man's wealth shaped and reshaped the life of a city long after his lifetime      **Crime and God's Judgment in Shakespeare** Robert Rentoul Reed Jr.,2021-10-21 Divine retribution Robert Reed argues is a principal driving force in Shakespeare's English history plays and three of his major tragedies Reed finds evidence of the playwright's growing ingenuity and maturing skill in his treatment of the crime of political homicide its impact on events and God's judgment on the criminal Reed's analysis focuses upon Tudor concepts that he shows were familiar to all Elizabethans the biblical principle of inherited guilt the doctrine that God is the fountainhead of retribution with man merely His instrument and the view that conscience serves a fundamentally divine function and he urges us to look at Shakespeare within the context of his time avoiding the too frequent tendency of twentieth century critics to force a modern world view on the plays Heaven's power of vengeance provides an essential unifying theme to the plays of the two historical tetralogies *Julius Caesar* *Hamlet* and *Macbeth* By analyzing these plays in the light of values held by Shakespeare's contemporaries Reed has made a substantial contribution toward clarifying our understanding of the plays and of Elizabethan England      Discussion Between ...
