The Mediating Nation Nathaniel Cadle, 2014-10-01 By the early twentieth century as Woodrow Wilson would later declare the United States had become both the literal embodiment of all the earth's peoples and a nation representing all other nations and cultures through its ethnic and cultural diversity This idea of connection with all peoples Nathaniel Cadle argues allowed American literary writers to circulate their work internationally in turn promoting American literature and also the nation itself Reexamining the relationship between Progressivism and

literary realism Cadle demonstrates that the narratives constructed by American writers asserted a more active role for the United States in world affairs and helped to shift global influence from Europe to North America From the novels of Henry James William Dean Howells and Abraham Cahan to the political and social writings of Woodrow Wilson and W E B Du Bois Cadle identifies a common global engagement through which realists and Progressives articulated a stronger and more active cultural political and social role for the United States **Twofold Identities** Øyvind Tveitereid Gulliksen,2004

Twofold Identities is a study of Midwestern American literature as well as of Norwegian American immigrant texts Many readers have judged the latter to be a mere reflection of immigrant experience a judgment that is neither fair nor correct These American writers were forced to confront an essentially modern experience complicated by the contextual duality of bilingualism For early Midwestern immigrant writers and their readers the task of homemaking in a new setting was a philosophically challenging and highly problematic endeavor These Midwestern writers were not lost divided nor rootless They had the unique privileged ability to draw on the resources of two worlds As writers they enjoyed and helped to strengthen twofold identities *A History of Norwegian Literature* Harald S. N•ss,1993-01-01 Volume 2 *The British Library General Catalogue of Printed Books to 1975* British Library,1985 **The Oxford Companion to American Literature** James D. Hart,Phillip Leininger,1995-10-12

For more than half a century James D Hart s *The Oxford Companion to American Literature* has been an unparalleled guide to America s literary culture providing one of the finest resources to this country s rich history of great writers Now this acclaimed work has been completely revised and updated to reflect current developments in the world of American letters For the sixth edition editors James D Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982 To this end they have revised the entries on such established authors as Saul Bellow Norman Mailer and Joyce Carol Oates and they have added more than 180 new entries on novelists T Coraghessan Boyle Tim O Brien Louise Erdrich Don De Lillo poets Rita Dove Weldon Kees playwrights Wendy Wasserstein August Wilson popular writers Stephen King Louis L Amour historians James M McPherson David Herbert Donald William Manchester naturalists Aldo Leopold Edward Abbey and literary critics Camille Paglia Richard Ellmann In addition the Companion boasts more women s African American and ethnic voices with new entries on such luminaries as Charlotte Perkins Gilman M F K Fisher William Least Heat Moon Ursula Le Guin and Oscar Hijuelos among many others These additions represent only some of the revisions for the new edition Of course the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever With over 5 000 total entries *The Oxford Companion to American Literature* reflects a dynamic balance between past and contemporary literature surveying virtually every aspect of our national literature from the Pulitzer Prize to pulp fiction and from Walt Whitman to William F Buckley Jr There are over 2 000 biographical profiles of important American authors with information regarding their styles subjects and major works and influential foreign writers as well as other figures who have been important in the nation s

social and cultural history There are more than 1 100 full summaries of important American novels stories essays poems with verse form noted plays biographies and autobiographies tracts narratives and histories The new edition provides historical background and astute commentary on literary schools and movements literary awards magazines newspapers and a wide variety of other matters directly related to writing in America Finally the book is thoroughly cross referenced and features an extensive and fully updated index of literary and social history Ranging from Captain John Smith to John Updike and from Anne Bradstreet to Anne Rice the sixth edition of *The Oxford Companion to American Literature* is up to date accurate and comprehensive a delight for both the casual browser and the serious student

The US and the World We Inhabit Anastasia Cardone, Paola Loreto, Adele Tiengo, 2019-11-29 Environmental and global outlooks are currently at the center of the most lively and urgent international scholarship This volume serves to overcome the self referentiality of American studies by intersecting the study of American literature and history with the questions and concerns raised by these perspectives It re conceptualizes the mutual and shifting positions of center s and margin s and subject s and object s in terms of relation and an inclusive structure of relations based on an ecological ethics The contributions here explore many methodological hypotheses ranging from Christa Greve Vollp s work on eco cosmopolitanism to Peter Bardaglio s report on US climate activism as well as the ecocritical and ecofeminist viewpoints of Scott Slovic and Greta Gaard respectively In addition to contributing to academic discourse the essays written by both young and established international scholars and coherently arranged into four thematic sections explore topics that are of interest to the broader public The issues discussed here include identity and new forms of belonging migration and the environment ecolanguage ecopoetry and ecopoetics translation and multilingualism animal studies environmental activism shifting geographies and ecofeminism

The Norwegian's Diary Daniel Pawley, 2024-10-17 In the closing days of the 20th century author Daniel Pawley discovered a Norwegian American immigrant s diary from a century earlier while browsing for old books at a Minnesota garage sale With fascination he read the diary from cover to cover turned the experience into a prize winning magazine article and then filed it away in memory More than two decades later however as an immigrant himself from America to Portugal he rediscovered the diary and his original notes marveling at topics and themes all immigrants have in common Both the excitement and insecurity of transitioning to a new culture and way of life stood out to him even though the original diary told the story of a man whose life was characterized by far greater problems experienced by immigrants to America in earlier times The daily torture of pre labor union industrial life as well as the tragedies of family rearing amid poor economic conditions stand out in this regard raising questions about America s past present and perhaps future too This is a story worth revisiting by all who have interests in America or immigration and by anyone who has felt trapped by circumstances but energized by life changing journeys of hope and promise
