A Study Guide for William Gibson's "The Miracle Worker" Gale, Cengage Learning, A Study Guide for William Gibson's *The Miracle Worker* excerpted from Gale's acclaimed *Drama For Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Drama For Students* for all of your research needs. *The Story of my Life (100th Anniversary Edition)* Helen Keller, 2002-02-01 Helen Keller's triumph over her blindness and deafness has become one of the most inspiring stories of our time. Here, in a book first published when she was a young woman, is Helen Keller's own story, complex, poignant, and filled with love. With unforgettable immediacy, Helen's own words reveal the heart of an exceptional woman, her struggles and joys, including that memorable moment when she finally understands that Anne's finger spelled letters with a t e r mean the fluid rushing over her hand. Helen Keller was always a compassionate and witty advocate for the handicapped, and her sincere and eloquent memoir is deeply moving for the sighted and the blind, the deaf and the hearing. Her spirit will endure, said Senator Lister Hill at her funeral, as long as man can read and stories can be told of the woman who showed the world there are no boundaries to courage and faith. Through movies and plays, most notably *The Miracle Worker*, which portrayed her relationship with her teacher Anne Sullivan, Keller's life has become an emblem of hope for people everywhere. With an Introduction by Jim Knipfel and an Afterword by Marlee Matlin, this Signet Classic edition includes a facsimile of the Braille alphabet, a sign language alphabet, and a full selection of Helen Keller's letters. **Video Versions** Thomas L. Erskine, James M. Welsh, 2000-03-30 Many of our favorite films began as plays, some as well known as Shakespeare's *Romeo and Juliet* and some not so well known as *You've Got Mail*'s origin, a 1937 play *Parfumerie* by Miklos Laszlo. *Video Versions* identifies nearly 300 films and their theatrical origins, providing readers with an overview of the films and highlighting similarities and differences to the source plays. Perfect for teachers, students, and anyone interested in theater and film, it is the most complete resource available for video versions of plays. Each entry provides the original play's title, author, and year of publication, the name of the film, year of production, director, and adapter, the main cast, and the characters they play, running time, and rating, if available. Following a plot summary, a critical analysis provides the similarities and differences of the play and film, including character and plot changes, setting, missing or added scenes, special film techniques, and behind-the-scenes information, such as who turned down or lost particular parts when the play was adapted to film. A short list of sources for further reading follows each entry. Information about contacting distributors for obtaining the films is included in the introduction, and an extensive index completes the volume. *A Miracle Worker's Primer* Anna Sweetnam, 2012-12-13 Life can be easy or as difficult as we want it to be; it is a choice. Today you are invited into the Keller household like a fly on the wall to witness family challenges not much different than your own. Take their lead and use this primer as a handy guide to champion your will and the will of the ones you love. Embrace a bigger picture of day-to-day life. Honor the Fourth Dimension.
