Gideon At Work:

The Gideon ,1906 *Gideon's Promise* Jonathan Rapping,2020-08-18 A blueprint for criminal justice reform that lays the foundation for how model public defense programs should work to end mass incarceration Combining wisdom drawn from over a dozen years as a public defender and cutting edge research in the fields of organizational and cultural psychology Jonathan Rapping proposes a radical cultural shift to a fiercely client based ethos driven by values based recruitment training awakening defenders to their role in upholding an unjust status quo and a renewed pride in the essential role of moral lawyering in a democratic society Public defenders represent over 80% of those who interact with the court system a disproportionate number of whom are poor non white citizens who rely on them to navigate the law on their behalf More often than not even the most well meaning of those defenders are over worked under funded and incentivized to put the interests of judges and politicians above those of their clients in a culture that beats the passion out of talented driven advocates and has led to an embarrassingly low standard of justice for those who depend on the promises of Gideon v Wainwright However rather than arguing for a change in rules that govern the actions of lawyers judges and other advocates Rapping proposes a radical cultural shift to a fiercely client based ethos driven by values based recruitment and training awakening defenders to their role in upholding an unjust status quo and a renewed pride in the essential role of moral lawyering in a democratic society Through the story of founding Gideon s Promise and anecdotes of his time as a defender and teacher Rapping reanimates the possibility of public defenders serving as a radical bulwark against government oppression and a megaphone to amplify the voices of those they serve *Gideon at Work* J. J. Marric,1962 **Gideon's Rock and Other Tales** Katherine Cooper,1874 **Gideon's Gift** Karen Kingsbury,2009-09-26 In this powerful holiday story a man who lost everything has his whole life changed after a little girl s letter reminds him of the true meaning of Christmas Ten years later Big Earl meets Gideon a seven year old leukemia patient who believes with all her heart that Christmas means never having to ask God how much he loves us Gideon is determined to reach this lonely and hurting man who hates Christmas and he is just as determined to rebuff her It will take a miracle for Earl to come to understand the true meaning of Christmas But if he can accept what Gideon wants to give him he might find that he can return the favor with a precious gift of his own In Gideon s Gift Karen Kingsbury reminds us that Christmas is still a time of miraculous possibilities if only we reach out to those around us *Gideon's Revolution* Robert Velves,2024-02-25 The sequel to *The Palace of Breadcrumbs* delves deeper into the treacherous world of the protagonists exposing dark secrets and unveiling perilous threats that loom menacingly on the horizon As they navigate through a labyrinth of deceit and betrayal the stakes soar ever higher the risks more daunting and the repercussions more devastating than ever before Gideon Calister a driven young lawyer consumed by grief returns to his homeland to carry on his deceased cousin s noble crusade and reclaim the heart of his beloved Samantha However as he immerses himself in the cutthroat realm of politics Samantha a defiant rebel assassin finds herself torn

between her love for Gideon and her steadfast allegiance to the cause she fights for With the looming threat of the New Freedom Society issuing orders for his assassination Gideon's life hangs in the balance as he courageously pushes forward controversial bills that send shockwaves through society Unbeknownst to the president these bills are part of a cunning master plan that will ultimately bring the entire country to its knees **Gideon's Wish** Bryan T. Kelly, Phyllis Moen, 2021-10-05 Contemporary ways of working are not working even for professionals and managers in what used to be considered good jobs Companies are responding to global competition and pressure from financial markets by adopting management practices and staffing strategies that push workers to do more and more with less and less New technologies facilitate always on availability normalizing 24/7 job expectations This new intensity spawns chronic stress in the form of overload feelings of too much to do and too little time to do it Kelly and Moen argue this way of working is both unhealthy and unsustainable Employees burn out quit or lack the time or energy to bring their best contributions to their jobs Organizations lose out along with individuals families and communities This book moves beyond familiar tropes about work

life balance to argue that the problem lies not in the effort to balance but in the very nature of contemporary work Overload harms workers of all genders ages and life stages as well as the bottom lines of corporations What can be done Kelly and Moen draw on five years of research including a major field experiment in a Fortune 500 firm to describe a new approach to making work more sane and sustainable The initiative called STAR prompts imaginative yet feasible changes or work redesigns that improve employees health wellbeing and ability to manage both their personal and their work lives They find the firm also benefits through increased job satisfaction and reduced turnover Railroad Telegrapher, 1902 *The Railroad Telegrapher*, 1902 **Ebony**, 2007-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The Sunday teachers' treasury*, ed. by W.M.
