## **Gideon Power From Weakness:**

*Gideon* Jeff Lucas, 1999 Gideon may seem like an unlikely hero but to God he was an ideal candidate for ministry Gideon and his crew of three hundred men with trumpets and clay pots appear surprising victors against the massive Midianite army however for God they were another opportunity to showcase his strength and power God takes weak people meagre resources and unpromising strategies and turns them into something wonderful From his first face to face encounter with the Angel of the Lord to his later struggles with the trappings of success Gideon challenges us to take our stand for God to trust his plans to believe in his promises and to keep our focus Written with humour and passion this is an immensely readable and helpful book that will delight those who have discovered the joys of Jeff Lucas writings before as well as those who come to it fresh Written with clarity compassion and down to earth honesty A highly readable account of how God works in people

**The Hidden Power of Weakness** Dr. Arvind Ephraim, 2025-03-07 Weakness is something we often seek to avoid We live in a world that glorifies strength independence and self sufficiency Yet the message of Scripture turns this mindset upside down The Bible reveals a paradox that is both humbling and liberating God's power is made perfect in our weakness The very things we consider to be limitations our struggles our insufficiencies our moments of helplessness are the very places where God's strength is revealed most profoundly This book is an invitation to see weakness in a new light It is not something to be hidden or overcome by human effort but something to be embraced as a pathway to experiencing God's grace and power Through biblical examples spiritual insights and personal application we will uncover the hidden strength found in our frailty We will see how God uses the weak refines His people through trials and calls us to lean not on our own understanding but on His unfailing strength You may be walking through a season of difficulty feeling overwhelmed by your limitations or questioning your ability to fulfill God's purpose for your life But take heart this journey of weakness is not a road to defeat it is a road to deeper dependence on the One whose strength never fails When we surrender our weakness to Him we discover the immeasurable power of His grace at work in us Let us step forward not in our own strength but in the confidence that when we are weak He is strong *A Theology of Suffering and Difficulty* Michael E. Lewis, 2007-01-01 By carefully considering the full theological context of trials this book seeks to show that Christians can realistically count it all joy when various trials come upon them This is not a natural response but it is the only response that the Bible permits However it is not simply commanded without good reason there is tremendous biblical evidence that would convince us to so respond From a personal perspective it is one of the most important means that God uses to conform us to the image of his Son enabling us to more effectively glorify him and drawing us closer to himself If we believe that knowing God is of the greatest value we will value the trials he brings From a corporate perspective that is the kingdom of God the body of Christ the church we find an even larger context in which God uses trials The church as we find in Acts 4 is powerful as it expresses concrete love seeing to it that there are no needy among it The needy are those in trials and as the church loves its needy by caring for

them it bears witness to God's care and love to those in need and witnesses to those outside the church in a most powerful way So we see that God is truly at work in trials both personally and corporately glorifying himself conforming us to the image of Christ witnessing to the world and building his kingdom It is a picture of God at work in a particularly powerful way

**Servants of the Servant** Don N. Howell, 2003-11-14 Leadership is a subject that has gained impressive visibility in the past two decades The number of books monographs and articles as well as seminars devoted to the development of one's leadership skills has been almost exponential growth This study is an attempt to forge a full-orbed theology of Christian leadership grounded in the teaching of Scripture What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern one that is wholly distinct from prevailing secular models Our exposition begins with the biblical language of the servant the term of choice for those great leaders used of God to further his saving purposes in the world Eleven Old Testament and five New Testament leaders are profiled The portrait of Jesus Christ focuses on three motifs that governed his training of the twelve for kingdom ministry The Pauline letters are mined for those convictions that governed Paul's practice of leadership both of his mission team and of the faith communities that emerged from that mission The treatment of each leader from Joseph to Paul begins with a series of preliminary questions and concludes with a mini-profile that correlates the biblical data with these questions The final chapter offers a summary profile of the servant leader one whose character motives and agenda align with the divine purposes Though designed as a textbook for upper-level college and seminary courses on leadership the book's readable format is ideal for churches and parachurch organizations in their leadership training programs The author's prayer is that this work will serve as a catalyst to call God's people back to Scripture and thereby raise up a whole new generation of authentic servant leaders

Gideon's Fleece: Seeking God's Assurance Ahmed Musa ,2024-12-13 A reluctant leader A fleece of doubt God s unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon s Fleece Seeking God s Assurance explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In Gideon s Fleece Seeking God s Assurance you will discover The story of Gideon s call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon s request for signs and how God s response was not a sign of weakness but an act of mercy to build Gideon s faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon s story about the importance of seeking God s guidance and trusting in His promises even when we are uncertain about His plans for us Gideon s fleece is more than just a request for confirmation it is a beautiful illustration of God s grace in the midst of human weakness Gideon though uncertain and filled with self doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don t have all the answers How often do you struggle with doubt when God calls you to something big How does Gideon s story encourage you to seek God s assurance and trust in His plans for you Gideon s fleece reminds us that our doubts do not disqualify us from God s calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon s Fleece Seeking God s Assurance and discover how to trust God s guidance even in moments of uncertainty God s assurances are not signs of weakness but of His love care and commitment to His people

The Triumph of Irony in the Book of Judges Lillian R. Klein, 1988-09-01 *Liberating Ministry from the Success Syndrome* R. Kent Hughes, Barbara Hughes, 2008-01-07 Every year thousands of God's servants leave the ministry convinced they are failures Years ago in the midst of a crisis of faith Kent Hughes almost became one of them But instead he and his wife Barbara turned to God's Word determined to learn what God had to say about success and to evaluate their ministry from a biblical point of view This book describes their journey and their liberation from the success syndrome the misguided belief that success in ministry means increased numbers In today's world it is easy to be seduced by the secular thinking that places a number on everything But the authors teach that true success in ministry lies not in numbers but in several key areas faithfulness serving loving believing prayer holiness and a Christlike attitude Their thoughts will encourage readers who grapple with feelings of failure and lead them to a deeper fuller understanding of success in Christian ministry This book was originally published by Tyndale in 1987 and includes a new preface

**Deep Preaching** J. Kent Edwards, 2009 J Kent Edwards recalls a story that late pastor J Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming
