

Special Angel In Heaven

**There's a special Angel in Heaven
That is a part of me.**

**It is not where I wanted him
but where God wanted him to be.
He was here but just a moment
like a night time shooting star
And though he is in Heaven,
he isn't very far.**

**He touched the hearts of many
like only Angels can.**

**I would've held him every minute
If I'd only known God's plan.
So I send this special message
to the Heavens up above.
Please take care of my Angel
and send him all my love.**

Morse,1887 *The Predestination of Humans* Cornelius Jansen,2022-02-18 No other theological text polarized the early modern Catholic world as much as Cornelius Jansen s Augustinus In it the erudite bishop not only reconstructed St Augustine s teaching on grace and free will but also boldly claimed that his views were in line with the Council of Trent and the Society of Jesus For Jansen the latter had marginalized the Church Father s doctrine on divine predestination by overemphasizing human free will Published after his death in 1640 Jansen s work drew a large crowd of followers and inspired an Augustinian reform movement Its papal condemnation unintentionally spread this theology but stifled an impassionate academic engagement with the Augustinus This first ever translation of some of its central chapters enables historians philosophers and theologians to finally engage with the founding text of Jansenism *The last vials: being a series of essays upon the subject of the second advent.
