Gift Of Anger A Call To Faithful Action:

The Gift of Anger Carroll Saussy, 1995-01-01 This book provides a biblical basis and a very practical and viable methodology for using and expressing anger in a healthy and redemptive way **Fidelity of Heart** James E.

Gilman, 2001-01-25 What does it take to follow and not merely admire Jesus How do religious affections reshape the practice of Christian values like love peace justice and compassion How can they possess both universal truth and local meaning What role can they play in public life In *Fidelity of Heart* Gilman answers these questions while showing in an innovative and provocative approach how Christians can practice these values in ways continuous with the life of Jesus *The Word Before*

the Powers Charles L. Campbell, 2002-01-01 In this examination of the ethical significance of preaching Charles Campbell provides both fresh insights into the relationship between preaching and ethics and a challenging moral vision for the contemporary church Moving beyond a narrow focus on moral decision making or social issues sermons Campbell argues that a particular ethic nonviolent resistance is inherent in the practice of preaching and shapes the moral life of the church In the face of the powers the fundamental ethical task of preaching involves building up the church as a community of resistance Employing three dimensions of character ethics vision practices and virtues Campbell demonstrates the concrete ways in which preachers may undertake this task *Luke 6:40 and the Theme of Likeness Education in the New Testament*

Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says A disciple is not above his teacher but each disciple after being fully trained will be like his teacher Luke 6 40 This verse has been quoted cited and referenced in vast amounts of Christian education and discipleship literature Nevertheless the verse is nearly untouched in exegetical discussions with the exception of source critical analyses From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament the theme of likeness education Using content analysis methodology Luke 6 40 one of the keystone passages in Christian education literature serves as the starting point for mining out the theme of likeness education in the New Testament This study consists of three concentric areas of investigation 1 Luke 6 40 and its immediate context 2 Luke Acts and 3 the New Testament corpus **It Takes Two** Andrew D. Lester, Judith L. Lester, 1998-06-01 In this book the authors discuss how increasing intimacy in marriage allows both partners to approach issues of communication power anger and faith more creatively and effectively With exercises tested by dozens of couples in marriage and family therapy and a clear discussion of contemporary perspectives on marriage this book is an indispensable resource for couples Forgiving Your

Family Kathleen Fischer, 2005-04-01 Why is it that the people closest to us often cause the deepest most wrenching pain Family can either provide restful refuge or prompt you to find it elsewhere A quick channel surf through daytime television illustrates that From the petty irritation to the grievous wrong forgiving is one of the hardest tasks families face The gospel calls us to love and forgive others Ironically the closer we are to people the harder it is to forgive them After all we count on these people to love and accept us unconditionally But family behavior is far from flawless Spouses quarrel siblings pout

grandparents criticize cousins judge When the last nerve frays look out A house of love quickly turns into a house of pain Family experiences are a mixture of beauty and tragedy writes Fischer When we grasp this truth we understand why forgiveness is such an essential part of family life and Jesus message The gospel reminds us that redemption happens right here in the give and take of ordinary family life Each chapter of *Forgiving Your Family* contains real life stories practical strategies and encouragement to help you move toward forgiveness Better communication while critical isn't enough according to Fischer Forgiveness takes faith and prayer Combining psychological practical and theological insight Fischer will lead you to discover the true meaning of forgiveness rather than the myths why you need to forgive ways to deal with anger and avoid revenge how to protect yourself while easing into forgiveness the difference between forgiveness and reconciliation how to let go of hurts and live Whether you need to forgive someone in your family or you counsel families as a part of your work *Forgiving Your Family* is an indispensable tool *The Angry Christian* Andrew D. Lester, 2003-04-30 In this work respected scholar Andrew Lester discusses and incorporates the newest behavioral research models contemporary biblical and theological scholarship constructivist philosophy and narrative theory into a comprehensive pastoral theology of anger In revisiting through the lens of theological anthropology the very subject that brought him to the forefront of scholarship in pastoral care Lester presents engaging new material and innovative new methods of interventions for dealing with this often confusing human emotion ***The Oxford Handbook of the Prophets*** Carolyn Sharp, 2016-09-01 The Latter Prophets Isaiah Jeremiah Ezekiel and the Book of the Twelve comprise a fascinating collection of prophetic oracles narratives and vision reports from ancient Israel and Judah Spanning centuries and showing evidence of compositional growth and editorial elaboration over time these prophetic books offer an unparalleled view into the cultural norms theological convictions and political disputes of Israelite communities caught in the maelstrom of militarized conflicts with the empires of ancient Egypt Babylonia and Persia Instructive for scholar and student alike *The Oxford Handbook of the Prophets* features wide ranging discussion of ancient Near Eastern social and cultic contexts exploration of focused topics such as the persona of the prophet and the problem of violence in prophetic rhetoric sophisticated historical and literary analysis of key prophetic texts issues in reception history from these texts earliest reinterpretations at Qumran to Christian appropriations in contemporary homiletics feminist materialist and postcolonial readings engaging the insights of influential contemporary theorists and more The diversity of interpretive approaches clarity of presentation and breadth of expertise represented here will make this Handbook indispensable for research and teaching on the Latter Prophets ***Heaven for a Dime*** Dwight Allan Moody, 2002-10-27 A fascinating account of six years in the life of a pastor and his family *Inside History* offers an insider's glimpse into one of the most interesting churches in the south Humor tragedy crime and conversion are just a few of the elements of this narrative that make it a compelling read Written to provide primary source material for the cultural and religious history of the region the book is also a frank description of how a minister and his family endured the public and

private pressures of the ministerial calling Effective as a preacher and controversial as a leader Dr Moody is also exceptionally skilled as a writer as this book will demonstrate You will laugh and cry as you read his narrative of six years in the ministry

Marvelous Myths Russell W Dalton,2011-04-01 What makes someone a hero In the early 1960 s the image of a superhero was someone with a square jaw a muscular build and a quick smile whose biggest personal problem was trying to keep their girlfriends from guessing their secret identities Then writer Stan Lee and artists Jack Kirby and Steve Ditko created a group of superheroes who revolutionized comics These heroes including The Fantastic Four The Incredible Hulk Spider man The X men Iron Man Captain America and others were not perfect heroes living in a perfect world but fallible people with physical ailments and personal problems like our own While the authors and artists who created them did not intend to write explicitly religious stories their tales of imperfect heroes who try to do the right thing despite the many challenges they face provide us with the opportunity to reflect on our own faith journeys as we strive to live heroic lives in the real world Each chapter reflects on the heroes most famous adventures and discusses the ways in which we are called to overcome many of the same obstacles they face as we strive to carry out the ministries to which God calls us Each chapter ends with questions for reflection or group study

Biblical and Pastoral Bridgework Denise Dombkowski Hopkins,Michael S. Koppel,2023-09-18 Whether singly or jointly authored these essays model dynamic interactive reading of human situations and biblical texts The exchange between texts and human situations reveals the multivalent complexities of both human situations and scriptural texts and cautions against a simplistic use of the Bible and of pastoral theory and practices Drawing upon both texts throughout the Bible and diverse psychological theories the authors bridge the long standing divide between the classical and practical disciplines in biblical studies and pastoral care The aim of this book is to spur readers imaginations toward critical engagement with the Bible and with one another to promote healing connection and justice in a world crying out for wholeness Gems hidden in plain sight within the Bible can become powerful tools for illuminating the pains and promises of the human condition

In Her Own Time Jeanne Stevenson Moessner,2000-05-17 Challenging much in contemporary developmental theory this book sheds new light on developmental themes passages and issues in the lives of women from the perspective of pastoral care *In Her Own Time* provides a much needed framework for the pastoral care of women

Integrating Spirit and Psyche Mary Pat Henehan,Harold G Koenig,2018-10-24 In this extraordinary collection the voices of women s experience ring out loud and true The power of narrative in therapy for women is undeniable Used well other women s narratives can help us to understand and rewrite our own Here women bare their souls reflecting on self enhancement and growth on discrediting negative family scripts on seeing through demeaning cultural messages on living in the modern world on their wildness wisdom spirituality and a great deal more Each chapter includes questions for reflection to help readers incorporate these narratives into their own lives From the author This book began with the women s groups I facilitate Some themes arose many times I feel bad about myself I can t speak up at times I don t feel like I have any rights I

feel stupid I feel like I am bad But as therapy progressed new narratives were expressed I do have a voice I am knowledgeable I like being who I am and I can work through this conflict As a writer and therapist I have taken a stance about ideas that are presented in sessions with clients and that exist in their culture This book elaborates on those ideas and offers readers an opportunity to think about them in their own lives Women can rewrite their lives as they become aware of their stories Some of the narratives that you ll find in *Integrating Spirit and Psyche Using Women s Narratives in Psychotherapy* explore women as second class citizens putting the self in context women s spirituality in its many forms anger as it relates to gender societal pressure on women to bear terrible burdens in silence ways that various cultures have demeaned women infanticide foot binding genital mutilation dowry deaths etc societal messages that encourage feelings of helplessness shame anger and inhibition in women ways to resolve conflicts take credit where it s due and express ourselves mind body connections women to look to for inspiration Virginia Woolf Marie Curie Jackie Joyner Kersee Margaret Thatcher and many more aging and wisdom women s spiritual practices meditation T ai Chi Chakra Awareness practices from the Judeo Christian traditions and more

Counseling Depressed Women Susan J. Dunlap,1997-01-01 Why do women suffer depression twice as often as men Susan Dunlap integrates findings from biology psychology sociology and theology to discover that powerlessness is a cause of depression Based on this understanding she develops a pastoral theological response to bring hope to depressed women The purpose of the Counseling and Pastoral Theology series is to address clinical issues that arise among particular populations currently neglected in the literature on pastoral care and counseling This series is committed to enhancing both the theoretical base and the clinical expertise of pastoral caregivers by providing a pastoral theological paradigm that will inform both assessment and intervention with persons in these specific populations

Reckoning with Aggression Kathleen J. Greider,1997-01-01 Aggression is ambiguous in our society according to Kathleen Greider While giving us strength to fight the world s social ills or to create vital and powerful lives aggression can also lead to rage and violence Thus society has often viewed aggression as evil or sinful Greider wants Christians to repair their view of aggression and realize that aggression is what can spur them to make the world better In exploring aggression from feminist pastoral and theological perspectives Greider examines the relationships between violence and vitality passion and aggression and finds that Christians can be strong without being destructive

Sisters, Mothers, Daughters: Pentecostal Perspectives on Violence against Women ,2022-06-13 This volume explores issues and themes related to violence against women It is distinctive in two ways First the editors have convened an international cohort of contributing scholars whose assessment of the pervasiveness and urgency of the problems and their proposals for solutions derives from their pneumatology their theology of the Holy Spirit Second this book represents quite simply the first sustained effort to bring together in one volume Pentecostal voices from a variety of academic disciplines ecclesial traditions and cultural situations to address the urgent issues associated with violence toward women

Religion and Psychology Diane Jonte-Pace,William B.

Parsons, 2002-09-26 *Religion and Psychology* is a thorough and incisive survey of the current relationship between religion and psychology from the leading scholars in the field. This is an essential resource for students and researchers in the area of psychology of religion. Issues addressed are The Psychology Theology Dialogue The Psychology Comparativist Dialogue Psychology Religion and Gender Studies Psychology as Religion Social Scientific Approaches to the Psychology of Religion The Empirical Approach International Perspectives *Giving Blood* Leonard Sweet, 2014-03-25 A Groundbreaking Resource for Preaching If the church wishes to converse effectively with a culture it must learn the culture's language. Today shifts in technology mean that language is increasingly one of symbols and metaphors, stories and images, not words. So what does this mean for the sermon that long-standing word-based tradition of Christianity? In this ground-breaking resource, bestselling author Leonard Sweet offers an alternative to traditional models of preaching, one that is fitting to a new culture and a new mode of thinking. The first book of its kind to move preaching beyond its pulpit-centric fixation and toward more interactive, participatory modes of communication, Sweet presents both a challenge and a path forward for a church struggling to maintain its relevance in a post-modern, media-saturated culture.

Transforming Nurses, Stress and Anger Sandra P. Thomas, 2004-03 AJN Book of the Year Award Winner Second Edition This book is a gem. It provides a wealth of well-researched information to help the reader understand sources of stress. It tackles very important issues that lead to burnout and provides an exceptionally comprehensive analysis. This book is illuminating for clinicians. Afaf Meleis PhD DrPS hon FAAN Dean of Nursing University of Pennsylvania School of Nursing This inspiring award-winning title guides nurses to transform work-related stress and anger into strength and resilience. The profession has witnessed increasing workplace violence, conflicts with colleagues, and poor working conditions. In this book, Thomas demonstrates how anger can actually be a catalyst for personal and professional empowerment. In this new edition, Thomas discusses the causes and consequences of nurses' stress and anger and presents new strategies to prevent and manage both, even under the worst conditions. She demonstrates how to forge stronger relationships with colleagues and patients and solve work-related problems head-on. As a nursing educator, therapist, practitioner, and practicing RN, Thomas provides personal accounts of her own experiences as a nurse struggling to meet the many challenges of the job.

Key Features: Thoroughly updated with new research data and case studies. Offers step-by-step guidelines on working towards remediation and healing. Organized with bulleted lists and boxes highlighting key points. Guidance on pursuing career movement both vertical and horizontal. Useful for nurses, hospital administrators, managers, and graduate students.

Feminist and Womanist Pastoral Theology Bonnie J. Miller-McLemore, Brita L. Gill-Austern, 1999 In the last decade, the focus of pastoral theology has shifted dramatically from care defined as counseling to care understood within a wider social, political, and religious context. Feminist and womanist theory, as well as feminist and womanist faith convictions, have played a key role in this development. According to the authors, feminists and womanists in pastoral theology have begun to reconstruct the definitions, parameters, and commitments of

pastoral care and counseling These changes have critical implications for care within congregations and for the understanding of theology in seminaries and divinity schools Yet these developments in the theory and practice of pastoral theology and their broader ramifications have not been carefully analyzed or even acknowledged by pastoral theologian minister and religion scholar alike This is due to a failure to articulate clear understandings of the field the gap between congregational ministry and higher education in religion and conflicts in theological education in general over the place of practice and theory experience spirituality and practical theology To redress these problems this collection of essays has a threefold aim First the book identifies the many changes occurring in definitions of pastoral theology care and counseling Second the volume defines and develops new methods and approaches Third the authors attend to the implications of these changes for congregational care and theological education Roughly speaking the order of the chapters in this volume follows this threefold agenda moving from an exploration of the changes in pastoral theology to its reconstruction to some of the implications of recent innovations
