Johnston,2016-04-04 Get ready to be inspired as you journey through some real life experiences as well as heartfelt and intense emotions This book will challenge you to have the kind of faith to move mountains in your life through stories brought to life through the power of the imagination It has been said that some of the stories are therapeutic and soothing to the soul Some have found themselves captivated til the very end No matter how low you may feel *The Gift* will encourage you to persevere through the power of love and Gods Word May you be blessed as you embark on a journey meant to encourage and inspire *The Gift of Love* La Shea A Stanard,2009-08 This book of poetry expresses the struggle of every single Christian woman who desires love strength security in her relationships Whether the relationship is with her Heavenly Father parents or special loved one The poems express the turmoil of unrequited feelings and the pain of waiting for that perfect man The Bible says that He that finds a wife finds a good thing Ultimately we struggle that not our will but God s will be done Oh My Love I need You so When will You come to Me This I would like to know The answer to and so much more So that I can be secure Each time I think the day is near When we will be joined as one That joy is taken from me It makes me feel as if We will never be But I have Faith in He **The Gift of Goodbye** Sondra Demko,2009-01-01 The gift of goodbye is one gift we should all feel free to give This gift can be given through heartfelt letters written to those who must travel the rough road of grief without us There will never be enough words to capture how one might feel toward their spouse their child their parents siblings friends and co workers at the time of their death But *The Gift of Goodbye Letters to Our Loved Ones* is a start It is a gift that is packaged with simple words yet wrapped with immense love Please let me share this gift with you *A Gift For Life* Paula L. Taylor,2008-07-03 Imagine being told that your child is going to die more than 2 years before it happens You don t know how much time you will have with the child which child it will be or even how the child will die In a book called *A Gift For Life* author Paula L Taylor shares the heartbreaking pain of losing her son But through a gift of love from her beloved aunt and godmother and her never ending faith Paula was able to take these gifts and turn them into hope for herself and her family With these gifts of love faith

and hope Paula finds a way to put them all together uses them to move forward and in the end discovers a gift for life A Gift of Meaning Bill Tammus,2001 Because of the peculiar momentary nature of journalism not every column can stand the test of time But many even those about events nearly gone from the public consciousness contain lasting truths A Gift of Meaning is a collection of those lasting truths from Bill Tammus a columnist for the Kansas City Star Each piece reveals Tammus s attempt to wrestle eternal meaning from the events and experiences that sweep us along day by day I stopped by a homeless shelter the other day to see someone I know As I waited I felt rather conspicuous in my suit and tie In fact the friendly man at the information desk asked me if I was a pastor I chuckled But as I sat in the lobby waiting to see the man I came to check on I was struck again by what may be the most difficult of all human tasks empathy That is the challenge of really putting ourselves in the shoes of others In the end A Gift of Meaning is not just a presentation of found meaning but also a call to readers to stop and think for themselves This book is an invitation to breathe deeply and seek out the meaning of what the world heaves at us each day It is an offering of insights that will provide fresh ways of comprehending things readers thought they already understood **A Gift to Imagine** Scott Ludwig,2015-08-22 One of my favorite comic strips is Bill Wattersons Calvin and Hobbes Its based on the adventures and misadventures of six year old Calvin and his stuffed tiger Hobbes However in Calvins mind Hobbes is the real deal and the interactions between the two of them reflect that of a young boy and his living breathing tiger friend Calvins imagination is the stimulus of one of the most beloved humorous and heart warming comic strips of all time Calvin is the antithesis of what is going on in the world today Creativity and imagination seem to have taken a leave of absence recently Movies and television shows are constantly being remade New magazines look a lot like those already found on the newsstands Television commercials are for the most part sorely lacking in appeal Radio commercials Even worse Same old song same old story same old same old One of the things I love most about my grandson Krischan is his imagination Ive seen him invent an entire game using only a couple of sticks a handful of rocks and an ant bed Ive stood by his side as he saw and battled imaginary creatures so passionately I could have sworn I saw them too Ive heard him create words for things that make so much more sense to me than the actual word he should be using The boy has such a vivid imagination I make sure to pay close attention so I dont miss out on what he does or says next He is in a word Calvin Coincidentally my nickname for him since the day he was born is Tiger I have very single book chronicling the exploits of Calvin and Hobbes Ive been saving them for Krischan so one day he can appreciate the magic Bill Watterson has created I cant think of anyone better to pass the books along to and hope Krischan will be eager to tear into them once he learns how to read After he reads this book first of course The Gift of Grief T. L. Cooper,2024-08-30 Grief doesnt t feel like a gift until one day it does Grief becomes the link that allows us to hold our memories tight embrace the lessons learned and move forward without losing our connection to those who have impacted our lives Learning to embrace our grief and not fight it softens our pain until one day we find ourselves smiling as we remember a cherished one Grief finds us all where we

re at and becomes the gift that bridges our path to the future

The Gift from Life S. G. Mimlance,2008-10-01 While a serving of fruits and vegetables picked by the hands of migrant farm workers adds sustenance to the American diet infants and children are exposed to harmful pesticides Misery suffering violence illness and death may be the worker s only harvest This memoir details the lives of a subculture in our society a population large enough to constitute a small nation Peacocks of the Fields Working Life of Migrant Farm Workers Depicts the lives of two

migrant work crews composed of 50 workers pulling sweet corn and picking red ripe tomatoes in the East Coast Migrant Stream over a migrant work season during the late 1970 s The name Kwan in this memoir is the alias for Emiel Owens a 46 year old African American and the Principal Investigator Kwan shares his experience during the year as a member of the two migrant crews highlighting how they travel where they work what income they earn how they survive in deplorable work camps and how competition for scarce economic and human resources under constrained camp living conditions lead to human discards violence and in some cases death As I start picking tomatoes to day I wasn t aware that there were two separate work crews in the field The female tomato checker with the black and white straw hat is with Humberto s crew Rosa her sister and two brothers make up Sam s crew Today there is a territorial dominance intrusion between these two crews As the two crews move toward each other they find themselves competing for scarce fruit in a limited row space tempers flare and a physical altercation almost takes place in the field between members of two crews Suddenly things become quiet and both crews leave the field About 6 00 P M the two conflicting crews meet again at the Lee Brother Commissary in the labor camp The conflict escalates to violence Sam and his brother Amulso meet Humberto his brother Francisco and two other workers Alexon and Jorge in a gun duel inside the bar at the commissary When the smoke clears a few moments later Rosa s brothers Sam and Amulso have mortally wounded Humberto and Francisco by shooting them almost at point blank range in the neck with a sawed off shotgun Alexon is shot in the right side and paralyzed and Jorge is wounded although less severely In spite of their mortal wounds Humberto and Francisco walk slowly through the front door of the bar into the night and disappear They hold back the blood pouring from their neck wounds with their hands as blood runs down their arms onto their chests Sam and Amulso walk out behind them and they too disappear in the night unharmed *The Last Gift* Daphne Maddison,2018-04-19 Every October 17th she said a prayer and the memories came flooding back all over again For 68 years a secret was kept buried deep inside her heart the face of a baby girl whose birthday it was She had no pictures to look at no keepsakes just images in her mind flashbacks of a time her heart was broken **Sala's Gift** Ann Kirschner,2006-11-07 Do you know why I write so much Because as long as you read we are together Raizel Garncarz Sala s sister April 24 1941 Few family secrets have the power both to transform lives and to fill in crucial gaps in world history But then few families have a mother and a daughter quite like Sala and Ann Kirschner For nearly fifty years Sala kept a secret She had survived five years as a slave in seven different Nazi work camps Living in America after the war she kept from her children any hint of her epic inhuman odyssey She held on to more than 350 letters photographs and a diary without ever mentioning them Only in 1991 on the eve of heart surgery did she suddenly present them to Ann and offer to answer any questions her daughter wished to ask It was a life changing moment for her scholar writer and entrepreneur daughter We know surprisingly little about the vast network of Nazi labor camps where imprisoned Jews built railroads and highways churned out munitions and materiel and otherwise supported the limitless needs of the Nazi war machine This book gives us an insider s account Conditions were

brutal Death rates were high As the war dragged on and the Nazis retreated inmates were force marched across hundreds of miles or packed into cattle cars for grim journeys from one camp to another When Sala first reported to a camp in Geppersdorf Poland at the age of sixteen she thought it would be for six weeks Five years later she was still at a labor camp and only she and two of her sisters remained alive of an extended family of fifty In the first years of the conflict Sala was aided by her close friend Ala Gertner who would later lead an uprising at Auschwitz and be executed just weeks before the liberation of that camp Sala was also helped by other key friends Yet above all she survived thanks to the slender threads of support expressed in the letters of her friends and family She kept them at great personal risk and it is astonishing that she was able to receive as many as she did With their heartwrenching expressions of longing love and hope they offer a testament to the human spirit an indomitable impulse even in the face of monstrosity Sala s Gift is a rare book a gift from Ann to her mother and a great gift from both women to the world **A Gift of Time** Amy Kuebelbeck, Deborah L. had dug myself a murky pit and couldn't get out of it. The harder I tried, the deeper I seemed to sink. I was losing my mother, the only person I thought loved me. There in the dark, I tried bargaining with God: Take me, God, and spare my mother. She has done so much for the church. She deserves to continue living. All I have done is destroy my life. What good am I? Why would you want someone like me? As soon as those words left my lips, the words that had been spoken to me by a prophet started sounding so clear in my mind. A warm, comforting feeling began to envelop me. The desperation was leaving me. I knew how I could contribute. There in the dark, I found a way to give hope to all who didn't know how to find it.
