Gift Of Inner Healing:

The Gift of Inner Healing Ruth Carter Stapleton, 1976 Points out that relational experiences with Christ through the power of the Holy Spirit help one overcome painful memories of the past [The Gift of Inner Healing ; The Experience of Inner Healing](#) Ruth Carter Stapleton, 1976

The Healing Gifts of the Spirit Agnes Sanford, 1984-08-15 This practical guide to spiritual healing blends insightful spiritual reflection and the wisdom of hard won experience in a reliable and inspiring handbook for developing our innate capacity for richer living and richer giving through the healing gifts of the Spirit Many years ago Agnes Sanford was cured of acute depression by a minister who believed in the healing power of prayer Subsequently she herself became very active and successful in healing others of mental and physical ailments by drawing upon the same resources for inner well being In *The Healing Gifts of the Spirit* she shares the simple practicable ways of self help she discovered and gives step by step advice on how to help others She discusses not only her own cure but also the gift of healing in general and its growing recognition in the contemporary church She devotes a chapter to the gift of miracles and another especially interesting to the gift of tongues Her exploration of these topics is richly inspiring offering readers one of the most detailed informative discussions of the nature dynamics and potential rewards of these unique manifestations of God's presence At the same time she demonstrates how anyone can draw upon this healing power for good in the world As evidence of how these gifts can and do reveal themselves the author cites many examples from observation and personal encounters with the healing power of the Spirit [Inner healing through healing of memories God's gift - peace of mind](#) Betty Tapscott, 1975

[Agnes Sanford and Her Companions](#) William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past
