Gilded Chain A Tale Of The Kings Blades:

Gilded Chain Dave Duncan, 2009-10-13 As unwanted and rebellious boys they find refuge in Ironhall Years later they emerge as the finest swordsmen in the realm A magical ritual of a sword through the heart binds each to his ward if not the king himself then to whomever else the monarch designates with absolute loyalty And the greatest Blade of them all was and is Sir Durendal But a lifelong dream of protecting his beloved liege from enemies traitors and monsters is dashed to bits when Durendal is bonded till death to an effete noble fop at his king s orders Yet Destiny has many strange and inscrutable plans for the young knight for a mission a contest and perhaps a treasure await him in a faraway land But he soon finds himself enmeshed in treason and foul intrigues compelled to betray the king he had hoped to serve The Blades have ways to protect their own but death and madness haunt the path to salvation and few ever return unscathed As unwanted and rebellious boys they find refuge in Ironhall Years later they emerge as the finest swordsmen in the realm A magical ritual of a sword through the heart binds each to his ward if not the king himself then to whomever else the monarch designates with absolute loyalty And the greatest Blade of them all was and is Sir Durendal But a lifelong dream of protecting his beloved liege from enemies traitors and monsters is dashed to bits when Durendal is bonded till death to an effete noble fop at his king s orders Yet Destiny has many strange and inscrutable plans for the young knight for a mission a contest and perhaps a treasure await him in a faraway land But he soon finds himself enmeshed in treason and foul intrigues compelled to betray the king he had hoped to serve The Blades have ways to protect their own but death and madness haunt the path to salvation and few ever return unscathed

Gilded Chain Dave Duncan, 1998-11-01 On the heels of his resoundingly praised fantasy series THE GREAT GAME author Dave Duncan returns to the form with which he originally established his reputation the epic sword and sorcery adventure The breathtaking saga of THE KING S BLADES begins with THE GILDED CHAIN the relentlessly exciting story of an unparalleled swordsman trained from early childhood to take his place among the King s elite corps of warrior bodyguards in a dangerously uncertain fantasy realm Audaciously taking as his own name of Kingdom s most fabled champion of long ago Durandel sees his lifelong dream of serving his liege dashed to bits when he is bonded for life not to his beloved king but to an effete noble fop But Destiny has inscrutable plans for this able young knight in an ancient isolated city in a land far from the blood intrigues of the perilous court On a mission that promises glory and great treasures grisly secrets of opulence and immortality will be revealed while countless betrayals and untold horrors combine to threaten a remarkable future prophesied for a warrior who could be the mightiest hero in the history of the monarchy

Lord of the Fire Lands Dave Duncan, 2014-04-01 Exceptional Duncan can swashbuckle with the best but his characters feel more deeply and think more clearly than most Publishers Weekly Raider and Wasp have spent five years at Ironhall studying to become Blades expert swordsmen whose talents stand unmatched Magic both enhances the Blades fighting skills and binds them to lifelong duty But when Raider and Wasp are selected to protect the king of Chivial himself they refuse an

act unprecedented in the living history of the Blades Now on the run for their treasonous act the two gifted swordsmen must escape to the Fire Lands where pirates monsters and mixed allegiances wait around every corner As old hatreds and still fresh tragedies come to light these young swashbucklers must confront both harsh truths from the past and a present swarming with their would be brothers at arms seeking vengeance and intending punishment Dave Duncan's Lord of the Fire Lands serves as a splendid sequel and companion to his earlier book The Gilded Chain and his later Tale of the King's Blades Sky of Swords Engaging and complex it may be enjoyed as a standalone novel or in combination with the rest of the trilogy Either way readers are in for a smart thrilling adventure that cuts like a knife **The Monster War** Dave
