Domenico Dolce and Stefano Gabbana are the most successful design partnership in fashion history Since they burst on to the scene in Milan in the eighties their multi million dollar women's line menswear underwear shoes jewellery and swimwear empire has become one of the dominating forces in Italian and world fashion Every year the opulent and dramatic presentations in ever more spectacular locations of their successful 21st century haute couture line Alta Moda are rapturously received by the fashion press Their hot blooded theatrical style is inspired by the Sicily of Visconti's 1963 film *The Leopard* by Catholic imagery and by the Italian screen sirens like Sophia Loren and Monica Bellucci who wear the designs captured here by Vogue's stable of photographers curvaceous dresses spectacularly colourful coats Swarovski crystal embroidered corsets tulle ball gowns hand painted with beautiful floral images baroque brocades and lashings of leopard print The Dolce and Gabbana woman characterised according to Vogue as having a life that reaches beyond complete with fantasy turmoil and always a story is sensual but proper actress Isabella Rossellini describes The first piece of theirs I wore was a white shirt very chaste but cut to make my breasts look as if they were bursting out of it while Madonna more prosaically simply says I like their designs because they make clothes for a womanly body *Vanity Fair*, 1998

International Textiles, 2002 *Spring Collection* Judith Krantz, 1997-02-03 **PASSION** In a tale as timely as *Scruples* as compelling as *Dazzle* as intriguing as *Mistral's Daughter* Judith Krantz launches three innocent beauties on the city of fashion and love **SCANDAL** It's the hottest thing that's ever happened to Loring Model Management Three of its unknown models have been chosen to star in the debut spring collection of bad boy designer Marco Lombardi and one of them will win an

exclusive multimillion dollar contract But the agency's owner Justine Loring is furious Only she knows that Lombardi's billionaire backer Jacques Necker has set her up hoping to manipulate her into chaperoning her models to Paris and meeting him face to face GLAMOUR But Justine isn't about to play his game She dispatches these three sensational girls the classic Minnesota blond the African American goddess and the moody Tennessee redhead in care of her second in command fiery droll Francesca Severino Little does Justine know how their two weeks of discovery and love affairs will be matched by an explosive encounter in Manhattan that will change her own life SOME THINGS ARE ALWAYS IN STYLE Visual Merchandising Louisa Iarocci, 2017-07-05 Situated at the crossroads of visual culture and consumerism this essay collection examines visual merchandising as both a business and an art It seeks to challenge that scholarly ambivalence that often celebrates the spectacle but denies the agenda of consumerism The volume considers strategies in the imaging of selling from the mid nineteenth century to the present in terms of the visual interaction that occurs between the commodity and the consumer and between body and space Under the categories of Promotion Product and Place contributors to the volume examine the strategies in the presentation of retail goods and environments that range from print advertising to product design to store display and architecture Visual Merchandising The Image of Selling is located directly at the nexus of business practice and cultural myth where the spectator never loses sight of their status as buyer and the object of desire is always still a commodity Annual Bibliography of Modern Art Museum of Modern Art (New York, N.Y.).
