

Giraffes Las Jirafas

Diane J. Tedick, Roy Lyster

Giraffes Las Jirafas:

Crees Que Conoces a las Jirafas Trace Taylor, Lucía M. Sánchez, 2009-06 giraffes and their habitat **Giraffes** Valerie Bodden, 2026 This bilingual edition from the popular zoology series explores the anatomy behavior and habitat of giraffes through side by side English and Spanish text Also included is a story about why giraffes have long necks **Las jirafas**

pueden reír (A Giraffe Can Laugh) Kerri O'Donnell, 2006-08-01 1 copy **Giraffes Up Close** Carmen Bredeson, 2009-01-16 Provides an up close look at giraffes for new readers Provided by publisher **Giraffes** Catherine Ipcizade, 2009 Discusses giraffes their African habitat food and behavior in both English and Spanish Provided by publisher

Giraffes JoAnn Early Macken, 2002-08-17 Photographs and simple bilingual text introduce the physical characteristics and behavior of giraffes one of many animals kept in zoos *Scaffolding Language Development in Immersion and Dual Language Classrooms* Diane J. Tedick, Roy Lyster, 2019-11-28 This book introduces research based pedagogical practices for supporting and enhancing language development and use in school based immersion and dual language programs in which a second foreign heritage or indigenous language is used as the medium of subject matter instruction Using counterbalanced instruction as the volume s pedagogical framework the authors map out the specific pedagogical skill set and knowledge base that teachers in immersion and dual language classrooms need so their students can engage with content taught through an additional language while continuing to improve their proficiency in that language To illustrate key concepts and effective practices the authors draw on classroom based research and include teacher created examples of classroom application The following topics are covered in detail defining characteristics of immersion and dual language programs and features of well implemented programs strategies to promote language and content integration in curricular planning as well as classroom instruction and performance assessment an instructional model to counterbalance form focused and content based instruction scaffolding strategies that support students comprehension and production while ensuring continued language development an approach to creating cross linguistic connections through biliteracy instruction a self assessment tool for teachers to reflect on their pedagogical growth Also applicable to content and language integrated learning and other forms of content based language teaching this comprehensive volume includes graphics to facilitate navigation and provides Resources for Readers and Application Activities at the end of each chapter The book will be a key resource for preservice and in service teachers administrators and teacher educators **Gender Acquisition in Spanish** Jessica

Diebowski, 2021-04-06 The comparative investigation of the acquisition of gender in Spanish by early and late bilinguals of different language combinations is highly debated and crucial as the phenomenon of gender involves grammatical features that differ in all three languages under investigation Against this background both early and late bilinguals face an arduous learning task which differs in complexity Couched within a generative framework the empirical study focuses on 257 participants with different levels of proficiency in Spanish ranging from low to advanced and through a series of tests aims to

discover which extra linguistic and intra linguistic factors act as triggers for non native outcomes in adult heritage speakers and L2 learners The observed morphological variability is argued not to stem from a representational i e syntactic deficit but rather from a mapping problem in L2 learners and heritage speakers Successful attainment in terms of gender is possible but dependent on the interplay between various extralinguistic and linguistic factors Tigers / Los tigres JoAnn Early Macken,2004-07-04 Photographs and simple text introduce the physical characteristics and behavior of tigers one of many animals kept in zoos *Promoting Language Through Physical Education* Luis Columna,Lauren J. Lieberman,2011 Our society has never been more diverse and teachers need to be culturally responsive educators in order to be most competent But being culturally responsive is no simple task Promoting Language Through Physical Education makes that task easier This text offers strategies that physical education teachers can use to integrate non English speakers and Deaf children in their classes Sign language and Spanish are used as examples of how teachers can integrate students of any language background into classes The use of sign language and Spanish phrases not only enhances communication among students and between students and teachers but promotes learning open mindedness and appreciation for other cultures Physical education is the ideal setting for integrating other languages because play fosters language development children interact so much with each other and have ample opportunity to express themselves in physical education With this book teachers can expertly guide that development even if they don t have a Spanish speaking or Deaf child in their class Promoting Language Through Physical Education grounds teachers in the importance of language and the value of learning about other cultures Teachers will also use games and strategies that help them infuse language into their daily classes have access to Spanish and sign language dictionaries with vocabulary organized by movement concepts games and activities and use a DVD ROM to facilitate both their teaching and their students learning The DVD includes video footage of key physical education terms and common words and phrases in Spanish and American Sign Language Students can follow along as teachers play the footage thus taking pressure off teachers who are not familiar with sign language or Spanish The DVD also contains reproducibles and assessment tools that teachers can print and use saving preparation time With this practical text teachers can promote language development and cultural appreciation while offering developmentally appropriate games and activities for students from elementary grades through high school The games and strategies blend into and enhance regular physical education curricula And the book includes appendixes of resources that can augment students learning and ability to overcome language barriers *Bilingual Reading Comprehension, Grade 3* ,2009-01-04 Build better readers in bilingual classrooms Bilingual Reading Comprehension is a valuable resource for bilingual two way immersion in third grade classrooms This book provides bilingual reading practice for students through identical activities featured in English and Spanish allowing the teacher to tailor lessons to a dual language classroom Fiction and nonfiction activities reinforce essential reading skills such as finding the main idea identifying supporting details recognizing story elements and learning

new vocabulary This 160 page book aligns with Common Core State Standards as well as state and national standards

Effects of the Second Language on the First Vivian Cook,2003-02-14 This book looks at changes in the first language of people who know a second language thus seeing L2 users as people in their own right differing from the monolingual in both first and second languages It presents theories and research that investigate the first language of second language users from a variety of perspectives including vocabulary pragmatics cognition and syntax and using a variety of linguistic and psychological models

Bilingual Reading Comprehension, Grade 1 ,2009-01-04 Build better readers in bilingual classrooms Bilingual Reading Comprehension is a valuable resource for bilingual two way immersion in first grade classrooms This book provides bilingual reading practice for students through identical activities featured in English and Spanish allowing the teacher to tailor lessons to a dual language classroom Fiction and nonfiction activities reinforce essential reading skills such as finding the main idea identifying supporting details recognizing story elements and learning new vocabulary This 160 page book aligns with Common Core State Standards as well as state and national standards

Monkeys JoAnn Early Macken,2005 Close photo text match and labeled photographs Glossary Index **Cheetahs** Kathleen Pohl,2007-07-22 Introduces cheetahs a popular zoo animal and describes what they are like and how they behave

Pavos Reales Kathleen Pohl,2007-07-22 Describes how peacocks behave and eat at the zoo **Pandas** Kathleen Pohl,2007-07-22 Explains that pandas are not bears how their paws work like hands and why they often sleep in trees

Gorillas Kathleen Pohl,2007-07-22 Describes the physical characteristics behavior and habitat of gorillas with special emphasis on ones that live in zoos Rhinos Kathleen Pohl,2007-07-22 Introduces rhinoceroses a popular zoo animal and describes what they are like and how they behave *Alligators* Kathleen Pohl,2007-07-22 Simple text and photographs describe alligators at the zoo
