predetermines what difference can be Critical evaluations still tend to eclipse the ontological grounds of Aboriginal and M ori traditions and specific ways of moving through and behaving in cultural landscapes and social contexts Hence the corrective applied in Circles and Spirals to look for locally and culturally specific tracks and traces that lead in other directions than those catalogued by postcolonial convention This agenda is pursued by means of searching enquiries into the historical anthropological political and cultural determinants of the present state of Aboriginal and M ori writing principally fiction Independent yet interrelated exemplary analyses of works by Keri Hulme and Patricia Grace and Mudrooroo and Sam Watson Australia provided the thick description that illuminates the author s central theses with comparative side glances at Witi Ihimaera Heretaunga Pat Baker and Alan Duff New Zealand and Archie Weller and Sally Morgan Australia
