*The Publishers Weekly* ,1996      *Ghost Grizzlies* David Petersen,2014-06-05 By 1952 it was thought the grizzly bear had been wiped out in Colorado pushed to oblivion by predator phobic sheep ranchers and government trappers Even so through the mid 1900s ghostly stories of grizzly sightings continued to haunt remote corners of the dark timbered San Juan

Mountains in the southern most part of the state Then one spooky September evening in 1979 a flesh and blood Grizzly sow was surprised on its daybed in the South San Juans by a bowhunter and the rest as they say is history Or is it As author and veteran outdoorsman David Petersen takes us along on his quest for evidence of the next last Colorado grizzly we find ourselves enjoying a masterful mystery unfolding character by adventure page by riveting page Although Ghost Grizzlies is set in Colorado it stands as a timeless metaphor for every wild place and creature that finds itself under the gun of human encroachment still today This revised third edition has a new cover 12 new pages of photos and updates The Hickory Ridge Boy Scouts: Under Canvas, the Hunt for the Cartaret Ghost Alan Douglas, 2011-01-01

Toby we must be half way there now don t you think so Guess you re right about that Mr Scout Master as near as I can calculate Glad to hear you say so Toby because excuse me for saying it but until I hear something that sounds like business I m all up in the air I ve known you to fool your trusting scout comrades before this There you go George Robbins suspicious as ever No wonder they call you Doubting George You never will believe anything till you see it with your own eyes and then you often wonder whether you re awake or dreaming Now I told Elmer here our Assistant Scout Master about my plan and he took my word for it That s all right Toby but unfortunately I was born different I m not so trusting and things are mighty deceptive in this world sometimes A fourth boy of the party in the big wagon broke into the conversation at this point by laughing hoarsely and going on to remark with a decided lisp I bet you were George and I can thee you looking up at the doctor and thaying the very first thing The moonain t made of green cheeth and I won t b lieve it till you prove the thame to me tho there Hold on Ted Burgoyne don t fall all over yourself about my shortcomings I m not the only pebble on the beach when it comes to that there are others But to return to the subject Toby here are three of us burning up with curiosity to know where you re piloting this shell bark hickory nut gathering expedition You let it out to Elmer in the start but the rest of us don t know a thing about it You promised to open up when we d got far enough along the road so there wouldn t be any turning back And there was something said about half way so now s your chance I can see you all looking my way remarked the fifth boy in khaki with a peculiar little drawl quite musical to his voice that stamped him of Southern birth and to hurry things up I move to make the request unanimous There you heard what Chatz Maxfield said Toby take the cover off and tell us where this wonderful bonanza lies You promised that we d get every sack we re carrying along filled to the brim with dandy chestnuts hickories and black walnuts Why all this mystery It looks mighty suspicious to me excuse me for saying it These five lads sturdy looking chaps all of them belonged to the Hickory Ridge Troop of Boy Scouts Elmer Ted Toby and Chatz to the Wolf Patrol and George to the Beaver The troop was in a flourishing condition since both patrols had their full quota of eight members and a third one called the Eagle was almost complete Elmer Chenowith had long been leader of the Wolf Patrol and being a full fledged first class scout he had quite some time back secured from Scout Headquarters his certificate enabling him to act as Assistant Scout Master in the absence of the young man Mr Roderic Garrabrant who usually fulfilled the duties of that

important office These bright wideawake lads with others of their chums had seen considerable in the way of excitement during the preceding summer Some of their adventures and victories have already been placed before the readers of this Series of scout books in preceding volumes so that an extended introduction to Elmer and his four comrades is hardly necessary here What has been said has only been for the benefit of such readers as are making their acquaintance for the first time It was on a Saturday morning in Fall that they were driving over the road some four miles away from the home town A sharp frost on the preceding night was just the thing to make nutting a success for it helped open the burrs on the chestnut trees as well as caused the hickory nuts and black walnuts to drop Just before Thanksgiving holidays boys may be expected to develop a feverish longing for an outing of some sort It had struck these scouts in full force when Toby Jones confided to them that he knew a place where almost unlimited amounts of splendid nuts were to be gathered with very little trouble only he declined to reveal his secret until they were well on the road The consequence was that he had three boys guessing for the balance of the week and plaguing the life out of him in the endeavor to coax him to tell But Toby was nothing if not stubborn and he only shut those jaws of his tighter and waved the tempters away with the remark that some people called him a clam because he knew how to keep his lips closed
