Ghost Hunters Field Guide Gettysburg And Beyond:

The Ghost Hunter's Field Guide Mark Nesbitt, 2005 Ghost Hunters Reference Guide: Gettysburg Battlefield Joseph Ciferno Jr, 2010-06-05 This book is taking a different approach as compared to other ghost hunting books on Gettysburg. Granted there are some really great books already on the subject. But adding more historic information for those who read this book will have a solid starting point on researching the battlefield for other locations. Of course you can just keep going back to the same locations over and over and competing with others.

The Big Book of Pennsylvania Ghost Stories Mark Nesbitt, Patty A. Wilson, 2019-07-17 Hauntings lurk and spirits linger in the Keystone State. Reader beware! Turn these pages and enter the world of the paranormal where ghosts and ghouls alike creep just out of sight. Authors Mark Nesbitt and Patty A. Wilson shine a light in the dark corners of Pennsylvania and scare those spirits out of hiding in this thrilling collection. From apparitions of fires and soldiers struggling in the cold at Valley Forge to ghostly children stalking dormitories at Gettysburg College, these stories of strange occurrences are sure to send a chill up your spine. Around the campfire or tucked away on a dark and stormy night, this big book of ghost stories is a hauntingly good read.

Haunted Pennsylvania Mark Nesbitt, Patty A. Wilson, 2019-06-26 A collection of frightening stories including the Civil War ghosts of Gettysburg, spirits at John Brown's tannery, the fiddling ghost of Potter County, hauntings at the Eastern State Penitentiary, the mysterious indelible handprint, and many more.

Gettysburg Heroes Glenn W. LaFantasie, 2008-02-05 The Civil War generation saw its world in ways startlingly different from our own. In these essays, Glenn W. LaFantasie examines the lives and experiences of several key personalities who gained fame during the war and after. The battle of Gettysburg is the thread that ties these Civil War lives together. Gettysburg was a personal turning point, though each person was affected differently. Largely biographical in its approach, the book captures the human drama of the war and shows how this group of individuals, including Abraham Lincoln, James Longstreet, Joshua Lawrence Chamberlain, William C. Oates, and others, endured or succumbed to the war and willingly or unwillingly influenced its outcome. At the same time, it shows how the war shaped the lives of these individuals, putting them through ordeals they never dreamed they would face or survive.

The Politics of Presence John G. Sabol Jr., 2008-08-27 A major focus of ghost excavation as opposed to ghost hunting is an archaeology of experience. The emergence of this experience is unearthed through the investigative engagement of haunted space. One aspect of this engagement is performance, which requires a specific sociocultural and historical context of understanding. This context of understanding must be understood in terms of layers of meaning. Gettysburg is used as a specific example of the use of performative and dramatical activity. Each of these activities performed at Gettysburg predisposes a genre, a set of beliefs, practices, social relations, manifestations, and locations which together define categorically what it is that is manifesting on the battlefield and what interpretations are being used to understand these performative cultural practices. The genres of performative action at Gettysburg are important because they are located at places on the battlefield where belief systems become mobilized into

actual practice This book will explore various haunting uncertainties and cultural situations associated with ghostly activity and the implications of these performances as they are enacted by ghost hunters Civil War re enactors the tourism industry and the ghosts themselves *Ghosts and Haunted Places* Rosemary Ellen Guiley, 2008 Ghosts are the single most common paranormal experience fascinating and frightening to people of all ages What makes some people linger on beyond the grave Are ghosts real are they imagined or are they some weird aberration of time and space *Ghosts and Haunted Places* will examine the history folklore science technology and personal experience of ghosts and hauntings as well as the major themes in ghostlore Featuring accounts of true cases and scenarios this fascinating book explores the different types of ghosts and hauntings and their possible explanations as well as the major figures and groups involved in ghost research throughout history Special information is provided for readers who wish to conduct their own ghost hunts or haunting investigations Chapters include Dead People Who Don't Go Away Where Do Ghosts Come From Screaming Banshees and Death Omen Ghosts Animal Ghosts and Phantoms and Ghost Hunting with the Pros *The Ghost Hunter's Field Guide* Rich Newman, 2011 If you're one of the fans of ghost hunting TV shows itching to get off the couch and track some spirits on your own this book provides everything you need to know to conduct a successful paranormal investigation **American Book Publishing Record**, 2005 *Ghosts of the Civil War* Rich Newman, 2017-10-08 The Civil War left behind unforgettable stories of brave soldiers heartbroken families violent battles and a paranormal legacy that continues to fascinate and scare us more than 150 years after the war ended Paranormal investigator Rich Newman presents over 160 different locations with reported supernatural activity related to the Civil War Explore major battlefields smaller skirmishes forts cemeteries homes and historic buildings teeming with ghosts Discover the rich history of these Civil War locations and why so many souls linger long after death Featuring terrifying heartbreaking and captivating ghost stories this book helps you uncover the supernatural secrets of America's deadliest war **The United States Catalog**, 1903 *Gateway to the Dead* Margie Kay, 2017-05-01 Fredericksburg and Chancellorsville Mark Nesbitt, 2007 Delve into the history of and the paranormal happenings in Fredericksburg Virginia and The Chancellorsville Battlefield The second in Mr Nesbitt's series of Field Guides for Civil War Battlefields *Ghosts of Gettysburg* Dave Oester, Sharon Oester, 2007-05 *Ghosts of Gettysburg* Walking on Hallowed Ground is a keep you up all night book from real life master ghost hunters Drs Dave and Sharon Oester cofounders of the International Ghost Hunters Society the largest ghost research society on the Internet Drs Dave and Sharon Oester spend their time traveling the back roads of America investigating some of its most haunted places Over a six year period they explored and recorded the amazing ghostly experiences of visitors to the Gettysburg battlefield One year they devoted a full month for battlefield investigations and drove over 1 000 miles on the battlefield gathering data for this book Drs Dave and Sharon Oester were the first to hold ghost conferences in Gettysburg teaching about ghost photography and electronic voice phenomena known as EVP Their annual ghost conferences started the ghost hunting movement in Gettysburg Drs Dave
