**The Ghost that Lived on the Hill** Jean Ure, Ben Cort, 1993      Haunted Newaygo County Marie Cisneros, 2024-08-19

Listen to the stories of the restless dead Amidst the sparkling lakes and rolling hills of Northern Michigan lies Newaygo County The towns nestled within her borders were founded by hardy pioneers and while their spirit lies in a sense of community it is said that a few ghostly spirits also haunt the area Atop a tree covered hill sits a long abandoned house where the spine tingling cries of the ghost of Screaming Ethel can be heard The strains of unearthly piano music emanated through the rooms of a 1920s era mansion once belonging to Al Capone s lawyer The wraithlike spirit of a little boy is seen walking precariously along a river dam Join author Marie Helena Cisneros as she weaves the area s vibrant history together into some of Newaygo County s most chilling tales

**The Ghost that Lived on the Hill** Jean Ure, 1993 Joe s not frightened of ghosts he just wants to meet one Humphrey Pumphrey is frustrated at having no one to haunt and wants everyone to treat him with respect After all he s haunted the highest in the land from Oliver Cromwell to Winston Churchill A wonderfully zany alliance is forged

The Haunted Muse Richard M. Magee, 2016-04-26 The Salem witch trials and the many narratives based on them both contemporaneous and subsequent discussions have had a powerful influence on the American national psyche informing the nation s political debates and propelling its fears Perhaps one of the major reasons for the importance of the trials is how they conceive of and present a narrative of danger The horror grows in and seems to threaten not just the body politic but perhaps more importantly the domestic sanctuary The home and hearth become a contested ground where good and evil fight for the souls of the inhabitants or an infection that threatens to spread to other homes and eventually the entire community The fear of witchcraft or demonic possession reveals not just a religious mania but also a level of misogyny Much has been made of the connections between witchcraft accusations and midwifery homeopathy and other usually female pursuits The link between midwifery and witchcraft is especially interesting here however as it suggests an anxiety linked to notions of creation and procreation This book proposes a link between the fears of usurped procreation elicited by the trials and fears of misdirected or usurped creativity In many Gothic stories the authors imagine their literary creations as children who have been transformed by malignant forces much as the Puritans of 1692 feared that the devil was transforming their actual children The home in the Gothic story becomes a warped version of the sacred domestic space of sentimental literature and it transforms from refuge to place of terror The authors examined here include Nathaniel Hawthorne Louisa May Alcott Rose Terry Cooke Charlotte Perkins Gilman Shirley Jackson Stephen King and Ira Levin
