## **Ghosts And Shadows A Marine In Vietnam 1968 1969:**

**Ghosts and Shadows** Phil Ball, 2015-11-06 The author arrived at the Marine Corps Recruit Depot in San Diego ill prepared for the training and abuse that awaited him in boot camp At the time he would have done anything to escape only upon reflection years later did he realize that the self confidence instilled in him by his drill instructors had probably saved his life in Vietnam A few months after boot camp Private Ball was shipped out to Vietnam joining F Company 2nd Battalion 3rd Marines near Khe Sanh As a grunt in the vernacular of the Corps Ball like the other youths of F Company did a difficult and deadly job in such places as the A Shau Valley Leatherneck Square the DMZ and other obscure but critical I Corps locales His their fear of death mingled with homesickness Little did they realize that the horrors of the Vietnam War horrors that while in country they often claimed did not even exist would haunt them for the rest of their lives *The Morenci Marines* Kyle Longley, 2015-06-15 In 1966 nine young men left the Arizona desert mining camp of Morenci to serve their country in the far flung jungles of Vietnam in danger zones from Hue to Khe Sanh Ultimately only three survived Each battled survivor s guilt difficult re entries into civilian life and traumas from personally experiencing war and losing close friends along the way Such stories recurred throughout America but the Morenci Marines stood out ABC News and Time magazine recounted their moving tale during the war and in 2007 the Arizona Republic selected the Morenci Nine as the most important veterans story in state history Returning to the soldiers Morenci roots Kyle Longley s account presents their story as unique by setting and circumstance yet typical of the sacrifices borne by small towns all across America His narrative spotlights a generation of young people who joined the military during the tumultuous 1960s and informs a later generation of the hard choices made many with long term consequences The story of the Morenci Marines also reflects that of their hometown a company town dominated by the Phelps Dodge Mining Corporation where the company controlled lives and the labor strife was legendary The town s patriotic citizens saw Vietnam as a just cause moving Clive Garcia s mother to say He died for this cause of freedom Yet while their sons fought and sent home their paychecks Phelps Dodge sought to destroy the union that kept families afloat pushing the government to end a strike that it said undermined the war effort Morenci was also a place where cultures intermingled and the nine friends included three Mexican Americans and one Native American Longley reveals how their backgrounds affected their decisions to join and also helped the survivors cope with Mike Cranford racing his Harley on back roads at high speeds while Joe Sorrelman tried to deal with demons of war through Navajo rituals Drawing on personal interviews and correspondence that sheds new light on the Morenci Nine Longley has written a book as much about loss grief and guilt as about the battlefield It makes compelling reading for anyone who lived in that era and for anyone still seeing family members go off to fight in controversial wars **Dak To and the Border Battles of Vietnam, 1967-1968** Michael A. Eggleston, 2017-01-25 In 1967 the North Vietnamese launched a series of offensives in the Central Highlands along the border with South Vietnam a strategic move intended to draw U S and South

Vietnamese forces away from major cities before the Tet Offensive A series of bloody engagements known as the border battles followed with the principle action taking place at Dak To Drawing on the writings of key figures veterans memoirs and the author s records from two tours in Vietnam this book merges official history with the recollections of those who were there revealing previously unpublished details of these decisive battles Entwined with Vietnam Theodore M.

Hammett,2022-07-26 In 1968 Theodore Hammett entered a war he believed was wrong pressured by his father s threat to disown him if he withdrew from a Marine Corps officer candidate program He hated the Vietnam War and soon grew to hate Vietnam and its people As a supply officer at a field hospital uncomfortably near the DMZ he employed thievery bargaining and lies to secure supplies for his unit and retained his sanity with the help of alcohol music and the promise of going home In 2008 he returned to Vietnam for a five year second tour to assist in improving HIV AIDS policies and prevention programs in Hanoi His memoir recounts his service at the height of the war and how the country he detested became his second home

The Long Reckoning George Black,2023-03-28 The moving story of how a small group of people including two Vietnam veterans forced the U S government to take responsibility for the ongoing horrors agent orange and unexploded munitions inflicted on the Vietnamese Fifty years after the last U S service member left Vietnam the scars of that war remain This is the remarkable story of a group of individuals determined to heal those enduring wounds Elliot Ackerman author of *The Fifth Act* and 2034 The American war in Vietnam has left many long lasting scars that have not yet been sufficiently examined The worst of them were inflicted in a tiny area bounded by the demilitarized zone between North and South Vietnam and the Ho Chi Minh Trail in neighboring Laos That small region saw the most intense aerial bombing campaign in history the massive use of toxic chemicals and the heaviest casualties on both sides In *The Long Reckoning* George Black recounts the inspirational story of the small cast of characters veterans scientists and Quaker inspired pacifists and their Vietnamese partners who used their moral authority scientific and political ingenuity and sheer persistence to attempt to heal the horrors that were left in the wake of the military engagement in Southeast Asia Their intersecting story is one of reconciliation and personal redemption embedded in a vivid portrait of Vietnam today with all its startling collisions between past and present in which one time mortal enemies in the endless shape shifting of geopolitics have been transformed into close allies and partners *The Long Reckoning* is being published on the fiftieth anniversary of the day the last American combat soldier left Vietnam *Grunts* Kyle Longley,Jacqueline Whitt,2020-05-17 Now in its second edition *Grunts The American Combat Soldier in Vietnam* provides a fresh approach to understanding the American combat soldier s experience in Vietnam by focusing on the day to day experiences of front line troops The book delves into the Vietnam combat soldier s experience from the decision to join the army life in training and combat and readjusting to civilian life with memories of war By utilizing letters oral histories and memoirs of actual veterans Kyle Longley and Jacqueline Whitt offer a powerful insight into the minds and lives of the 870 000 grunts who endured the controversial war Important topics such as class race and gender are

examined enabling students to better analyze the social dynamics during this divisive period of American history In addition to an updated introduction and epilogue the new edition includes expanded sections on military chaplains medics and the moral injury of war A new timeline provides details of major events leading up to during and after the war A truly comprehensive picture of the Vietnam experience for soldiers this volume is a valuable and unique addition to military history courses and classes on the Vietnam War and 1960s America

**Witness to the Revolution** Clara Bingham, 2017-04-18 The electrifying story of the turbulent year when the sixties ended and America teetered on the edge of revolution NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE ST LOUIS POST DISPATCH As the 1960s drew to a close the United States was coming apart at the seams From August 1969 to August 1970 the nation witnessed nine thousand protests and eighty four acts of arson or bombings at schools across the country It was the year of the My Lai massacre investigation the Cambodia invasion Woodstock and the Moratorium to End the War The American death toll in Vietnam was approaching fifty thousand and the ascendant counterculture was challenging nearly every aspect of American society Witness to the Revolution Clara Bingham's unique oral history of that tumultuous time unveils anew that moment when America careened to the brink of a civil war at home as it fought a long futile war abroad Woven together from one hundred original interviews Witness to the Revolution provides a firsthand narrative of that period of upheaval in the words of those closest to the action the activists organizers radicals and resisters who manned the barricades of what Students for a Democratic Society leader Tom Hayden called the Great Refusal We meet Bill Ayers and Bernardine Dohrn of the Weather Underground Daniel Ellsberg the former Defense Department employee who released the Pentagon Papers feminist theorist Robin Morgan actor and activist Jane Fonda and many others whose powerful personal stories capture the essence of an era We witness how the killing of four students at Kent State turned a straitlaced social worker into a hippie how the civil rights movement gave birth to the women's movement and how opposition to the war in Vietnam turned college students into prisoners veterans into peace marchers and intellectuals into bombers With lessons that can be applied to our time Witness to the Revolution is more than just a record of the death throes of the Age of Aquarius Today when America is once again enmeshed in racial turmoil extended wars overseas and distrust of the government the insights contained in this book are more relevant than ever Praise for Witness to the Revolution Especially for younger generations who didn't live through it Witness to the Revolution is a valuable and entertaining primer on a moment in American history the likes of which we may never see again Bryan Burrough The Wall Street Journal One of the best paperbacks of 2017 so far The book is a rich tapestry of a volatile period in American history Time A gripping oral history of the centrifugal social forces tearing America apart at the end of the 60s This is rousing reportage from the front lines of US history O The Oprah Magazine The familiar voices and the unfamiliar ones are woven together with documents to make this a surprisingly powerful and moving book New York Times Book Review An Enthralling and brilliant chronology of the period between August 1969 and September 1970 Buffalo News Bingham captures

the essence of these fourteen months through the words of movement organizers vets students draft resisters journalists musicians government agents writers and others This oral history will enable readers to see that era in a new light and with fresh sympathy for the motivations of those involved While Bingham's is one of many retrospective looks at that period it is one of the most immediate and personal Booklist

**Voices from the Vietnam War** Xiaobing Li, 2010-05-07 Some of this book is heartrending some of it is as gripping as a thriller and all of it will add to our understanding of the war Booklist The Vietnam War's influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one-sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in *Voices from the Vietnam War* Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors accounts that span continents nationalities and political affiliations The twenty-two intimate stories in this book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti-Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war's events while shedding light on aspects of the war previously unknown to Western scholars providing fresh perspectives on a long-discussed topic Li's achievement is most remarkable for the window he opens onto the lives of Chinese and Russian veterans their rare accounts appear here for the first time in English Publishers Weekly

*Nam Raw* Staff of McFarland, 2016-11-04 This special edition ebook is a collection of some of the best first-person writing about combat in Vietnam available today Drawn from 24 full-length memoirs and interviews all published by McFarland and available separately in complete editions these excerpts offer important gripping and provocative stories from men and women who were forever changed by their experiences in the war They represent the perspectives of Army infantry forward observers a journalist a combat bandsman Marines pilots and nurses *Nam Raw* includes excerpts from the following titles *The Hump* Al Conetto *Lullabies for Lieutenants* Franklin Cox *Mad Minutes* and *Vietnam Months* Micheal Clodfelter *Alone Unarmed and Unafraid* Taylor Eubank *Killer Kane* Andrew R Finlayson *Stained with the Mud of Khe Sanh* Rodger Jacobs *Scrappy* Howard C Scrappy Johnson and Ian A O Connor *Cammie Up* Steven A Johnson *Pucker Factor 10* James Joyce *Crucible Vietnam* A T Lawrence *Ghosts and Shadows* Phil Ball *Eye of the Tiger* John Edmund Delezen *Vietnam* Perkasio W D Ehrhart *Rice Paddy Recon* Andrew R Finlayson *Quang Tri* Cadence Jon Oplinger *Vietnam War Nurses* Patricia Rushton *Runway Visions* David Kirk Vaughan *The Crouching Beast* Frank Boccia *Combat Bandsman* Robert F Fischer *Tail End* Charlie Ronald John Jensen

The Ghosts of Thua Thien John A Nesser Hornet 33 Ed Denny War Stories Conrad M Leighton Fighting Shadows in Vietnam Michael P Moynihan Jr      **In Buddha's Company** Richard A. Ruth, 2010-09-16 In Buddha's Company explores a previously neglected aspect of the Vietnam War the experiences of the Thai troops who served there and the attitudes and beliefs that motivated them to volunteer Thailand sent nearly 40 000 volunteer soldiers to South Vietnam to serve alongside the Free World Forces in the conflict but unlike the other foreign participants the Thais came armed with historical and cultural knowledge of the region Blending the methodologies of cultural and military history Richard Ruth examines the individual experiences of Thai volunteers in their wartime encounters with American allies South Vietnamese civilians and Viet Cong enemies Ruth shows how the Thais were transformed by living amongst the modern goods and war machinery of the Americans and by traversing the jungles and plantations haunted by indigenous spirits At the same time Ruth argues Thailand's ruling institutions used the image of volunteers to advance their respective agendas especially those related to anticommunist authoritarianism Drawing on numerous interviews with Thai veterans and archival material from Thailand and the United States Ruth focuses on the cultural exchanges that occurred between Thai troops and their allies and enemies presenting a Southeast Asian view of a conflict that has traditionally been studied as a Cold War event dominated by an American political agenda The resulting study considers such diverse topics as comparative Buddhism's alternative modernities consumerism celebrity official memories vs personal recollections and the value of local knowledge in foreign wars The war's effects within Thailand itself are closely considered demonstrating that the war against communism in Vietnam as articulated by Thai leaders was a popular cause among nearly all segments of the population Furthermore Ruth challenges previous assertions that Thailand's forces were merely America's mercenaries by presenting the multiple overlapping motivations for volunteering offered by the soldiers themselves In Buddha's Company makes clear that many Thais sought direct involvement in the Vietnam War and that their participation had profound and lasting effects on the country's political and military institutions royal affairs popular culture and international relations As one of only a handful of academic histories of Thailand in the 1960s it provides a crucial link between the keystone studies of the Phibun Sarit years 1946 1963 and those examining the turbulent 1970s      **Surviving Vietnam** Bruce Philip Dohrenwend, Nick Turse, Thomas J. Yager, Melanie M. Wall, 2019 Uniquely using historical material and military records as well as personal interviews and clinical diagnoses Surviving Vietnam focuses on veterans war zone experiences and the development in some of PTSD It addresses controversies regarding reported rates of PTSD and the importance of exposure to traumatic events compared with pre war personal vulnerability      American Book Publishing Record , 1998      **The Library Journal** , 1998-07 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      **The Catholic Library World** John M. O'Loughlin, Francis Emmett Fitzgerald, 1998      **The British National Bibliography** Arthur James Wells, 2002      The United States Marine

Corps in Books and the Performing Arts Richard L. Hemenez, 2001 This enormous annotated bibliography of the Marine Corps details fiction nonfiction stage poetry music movie and television references to the Marine Corps It covers over 2 500 books 500 plus Hollywood films 80 made for television movies 100 fictional television programs articles parts of books dissertations chronologies dictionaries and oral histories Beginning with an introduction that focuses on the history of the Marine Corps this work serves as research into such subjects as duty stations ships posts heroes and their heroics uniforms boot camp and equipment Listed in the film section are over 100 former Marines who are film and television actors Reflecting the comprehensiveness of the book there are over 15 000 subject headings totaling over 25 000 indexed items The researcher and the research librarian will appreciate the depth and the breadth of the book Hill 119 Michael O. Fallon, 2025-08-15 You cannot read Fallon s book without gaining tremendous respect for those Marines who fought with courage and skill and served honorably where their country asked them to I strongly recommend Hill 119 for those who wish to gain additional insight into the Vietnam war and how it was fought W E Boomer General U S Marine Corps Ret The Marines and Corpsmen of Delta Company 1st Reconnaissance Battalion 1st Marine Division were surrounded by the North Vietnamese Army NVA for six hundred days in 1969 and 1970 during the Vietnam War Hill 119 is a rise on a finger of land Located twenty eight kilometers south of Da Nang that overlooks the Thu Bon River Basin and Go Noi Island The hill provided Marines with an excellent 360 degree view of the region that was known as Indian Country and so it was occupied as an Observation Post Its original mission was to support Operation Taylor Common Task Force Yankee s push west into Gen Binh s Base Area 112 The Observation Post produced immediate results with supporting arms inflicting casualties on the NVA Based on its immediate and enduring success as a tactical obstacle for the NVA the OP became a key piece in the defense of the Da Nang Vital Area The Marines called supporting arms every day and every night They rained fire down on the North Vietnamese Army NVA and killed over a thousand enemy fighters They posed such a threat that Gen Binh assigned his elite T89 Sapper Battalion to eliminate the Recon Marines on Hill 119 Throughout this period as part of a six man team each Recon Marine would run multiple adrenaline filled patrols deep into enemy territory in small teams for six weeks and then serve for two weeks on the OP Despite its danger the Marines considered OP duty as a relaxing break This first full account of Hill 119 written by historian Michael Fallon who served as reconnaissance patrol leader on Hill 119 is based upon firsthand accounts from the Recon Marines carefully cross referenced with patrol reports and command chronologies It covers the Marines experiences in the bush on the hill and in the rear The role of new battalion commanders with their changing tactics is discussed the six officers impacted the battalion with their personalities as well as their planning and execution of the changing missions with the always changing enemy situation from classic Keyhole snoop and poop patrols to aggressive Stingray patrols designed to inflict casualties **Indochina Chronology** ,1998 Cumulative Book Index ,1998 A world list of books in the English language *A Companion to the Vietnam War* Marilyn B. Young, Robert

Buzzanco, 2008-04-15 A Companion to the Vietnam War contains twenty four definitive essays on America's longest and most divisive foreign conflict. It represents the best current scholarship on this controversial and influential episode in modern American history. Highlights issues of nationalism, culture, gender, and race. Covers the breadth of Vietnam War history including American war policies, the Vietnamese perspective, the antiwar movement, and the American home front. Surveys and evaluates the best scholarship on every important era and topic. Includes a select bibliography to guide further research.
