**Ghosts of C. A. Thayer** Standish Tynan,2001-06-01      *Ghosts of C. A. Thayer* Standish M. Tynan,2001-07 After graduating from college I decided to spend five weeks living as a homeless man in Sin City So on New Year s Eve I boarded an airplane and flew to Vegas to be homeless and yes I noted the irony All I had on me was a backpack with one change of clothes a cheap blanket and some pens and notepads The first person I saw as a homeless man was a cop Actually there were three of them and they quickly pointed out that I was on the street and that I needed to hop the long fence bordering the casinos to get out of traffic In the process of doing so I unwittingly cut my hand open on the fence and was immediately surrounded by police and paramedics Two ambulance rides and twelve stitches later I found myself outside a hospital miles away from The Strip with no money no insurance and no identity Over the next five weeks I slept in shelters and in drug infested lots worked day labor jobs for minimum wage only to lose the money at the casinos and met an array of interesting individuals ranging from Tiger Todd motivational speaker to the homeless to Black a very high and horny gangster with a gray glass eye and a seemingly endless supply of cocaine That said the overwhelming majority of people I met living in the shelters and on the streets were compassionate interesting often inspirational individuals Check out The Hobo Diet Eat Less Walk More and Try Not to Die It s like reading a firsthand account of homelessness if it were produced by Vh1 only with a lot less lists and a lot more drugs

Watson,2017-08-15 The most horrific struggle of the American Revolution occurred just 100 yards off New York where more men died aboard a rotting prison ship than were lost to combat during the entirety of the war Moored off the coast of Brooklyn until the end of the war the derelict ship the

HMS Jersey was a living hell for thousands of Americans either captured by the British or accused of disloyalty. Crammed below deck a shocking one thousand at a time without light or fresh air the prisoners were scarcely fed food and water. Disease ran rampant and human waste fouled the air as prisoners suffered mightily at the hands of brutal British and Hessian guards. Throughout the colonies the mere mention of the ship sparked fear and loathing of British troops. It also sparked a backlash of outrage as newspapers everywhere described the horrors onboard the ghostly ship. This shocking event much like the better known Boston Massacre before it ended up rallying public support for the war. Revealing for the first time hundreds of accounts culled from old newspapers diaries and military reports award winning historian Robert P Watson follows the lives and ordeals of the ship's few survivors to tell the astonishing story of the cursed ship that killed thousands of Americans and yet helped secure victory in the fight for independence. *Jeep Trails to Colorado Ghost Towns* Robert L. Brown, 1963 Distributed by the University of Nebraska Press for Caxton Press Settle into your four wheel drive vehicle or a chair and take off for the mining camps of Colorado. This book is an illustrated history of fifty nine towns famous during the gold and silver rushes of the 1800s with directions on how to get to each. **Ghosts of Boston** Sam Baltrusis, 2012-09-11 Explores the city's ghoulish history over more than three centuries including Colonial era spirits BU Today It should come as no surprise that one of the nation's oldest cities brims with spirits of those who lived and died in its hundreds of years of tumultuous history. Boston Massachusetts boasts countless stories of the supernatural. Many students at Boston College have encountered an unearthly hound that haunts O'Connell House to this day. Be on the watch for an actor who sits in on rehearsals at Huntington Theatre and restless spirits rumored to haunt Boston Common at night. From the Victorian brownstones of Back Bay to the shores of the Boston Harbor Islands author Sam Baltrusis makes it clear that there is hardly a corner of the Hub where the paranormal cannot be experienced and shares terrifying tales of the long departed. Includes photos.
